A response to this recommendation has been requested and will be reported back to the Committee via the Overview report.	Sam Stabler, Community Safety Lead
20 July 2017	CESC/17/25 Community Safety Overview	To request that the Community Safety Lead advise Members when a full evaluation of Nottinghamshire's experience of recording misogyny as a hate crime would be available and	A response to this recommendation has been requested and will be reported back to the Committee via the Overview report.	Sam Stabler, Community Safety Lead

		for the Committee to then consider how it can take this issue forward.		
20 July 2017	CESC/17/25 Community Safety Overview	To request that the report on the psychoactive substance 'Spice' which was submitted to the Health Scrutiny Committee meeting on 18 July 2017 be circulated to Members.	This was circulated to Members by email on 31 July 2017. The report is available at the link below: <a href="http://www.manchester.gov.uk/meetings/meeting/3084/health_scrutiny_committee">http://www.manchester.gov.uk/meetings/meeting/3084/health_scrutiny_committee</a>	Sam Stabler, Community Safety Lead
20 July 2017	CESC/17/27 Anti-Social Behaviour	To request that the Community Safety Lead circulate information on the Anti-Social Behaviour Case Review process and on work to map and address emerging issues relating to anti-social behaviour by young people.	The information on the Anti-Social Behaviour Case Review process was circulated to Members by email on 31 July 2017 and is available at the link below: <a href="http://www.manchester.gov.uk/info/200030/crime_antisocial_behaviour_and_nuisance/4965/antisocial_behaviour_a_sb/4">http://www.manchester.gov.uk/info/200030/crime_antisocial_behaviour_and_nuisance/4965/antisocial_behaviour_a_sb/4</a> The information on work to map and address emerging issues relating to anti-social behaviour by young people was circulated to Member by email on 8 August 2017.	Sam Stabler, Community Safety Lead

## 2. Key Decisions

The Council is required to publish details of key decisions that will be taken at least 28 days before the decision is due to be taken. Details of key decisions that are due to be taken are published on a monthly basis in the Register of Key Decisions.

A key decision, as defined in the Council's Constitution is an executive decision, which is likely:

- To result in the Council incurring expenditure which is, or the making of savings which are, significant having regard to the Council's budget for the service or function to which the decision relates, or

- To be significant in terms of its effects on communities living or working in an area comprising two or more wards in the area of the city.

The Council Constitution defines 'significant' as being expenditure or savings (including the loss of income or capital receipts) in excess of £500k, providing that is not more than 10% of the gross operating expenditure for any budget heading in the in the Council's Revenue Budget Book, and subject to other defined exceptions.

An extract of the most recent Register of Key Decisions, published on **21 August 2017** containing details of the decisions under the Committee's remit is included below. This is to keep members informed of what decisions are being taken and, where appropriate, include in the work programme of the Committee.

**Register of Key Decisions:**

<b>Decision title</b>	<b>What is the decision?</b>	<b>Decision maker</b>	<b>Planned date of decision</b>	<b>Documents to be considered</b>	<b>Contact officer details</b>

### 3. Item for Information

<b>SUBJECT</b>	Response to recommendation: CESC/17/21 Delivering the Our Manchester Strategy – Part 1
<b>CONTACT OFFICERS</b>	Neil Fairlamb, Strategic Lead - Parks, Leisure & Events Tel: 0161 219 2539 Email: n.fairlamb@manchester.gov.uk

#### Summary

At its meeting in June 2017, the Committee requested further details on the statement that one million people in Greater Manchester were now classed as active.

#### Response

##### Greater Manchester 1 million people physically active across GM.

Working in partnership, the Sport and Physical Activity Sector across Greater Manchester wanted to encourage more people to be active across the County so they could enjoy the physical, mental and social benefits of physical activity. In 2010 local sports charity GreaterSport set the target for Greater Manchester to achieve 1 MILLION people active across the county by 2017.

The most recent data shows that this target has been exceeded and there are now 1,009,180 individuals across GM are now physically active (according to Active People Survey and Health Survey figures for England). This is an increase of 26,293 with women having the biggest increase at 11%, with an additional 45,065 women taking part regularly. After one year of increased activity the savings to GM would be £647,590. If this regular activity is maintained, GM could save up to £4,738,982 over 15 years.

Physical inactivity is a cross-cutting issue that concerns the health and wellbeing of all Greater Manchester residents. Inactivity is the fourth largest cause of disease and disability with 1 in 6 deaths linked to insufficient levels of physical activity. Up to 40% of long-term conditions could be prevented by taking more exercise and a small increase in activity can make a significant difference to:

- An individual's physical, social, individual and emotional wellbeing
- Greater Manchester Economy (inactivity costs Greater Manchester £35 million). One initiative that has helped increase activity is the introduction of Greater Manchester Moving, this is the blueprint for physical activity across the county. This has enabled a broader set of partners to come together in new ways to enable people to be active.

Across Greater Manchester there are a number of organisations who have been working towards this goal including all ten local authorities and National Governing Bodies of Sport supported by AGMA (Association of Greater Manchester Authorities) and Sport England.

GreaterSport and partners have been working with new organisations to reach traditionally more inactive groups. They are aiming to remove some of the most

common barriers, for example, trialing different activities like buggy fit, so mums can take their young children with them, having an emphasis on activities like walking which can be done at their own pace by the majority of the population and not cost anything, along with working with workplaces where people spend the majority of their time.

There has been an emphasis on the traditionally less active groups, eg, females and disabled people. Campaigns such as 'This Girl Can' has helped increase the female population, with Get Out & Get Active (GOGA) funded by Spirit of 2012, helping to reach the least active disabled and non-disabled people to be active together.

**Communities and Equalities Scrutiny Committee  
Work Programme – 7 September 2017**

<b>Thursday 7 September 2017, 10.00 am (Report deadline Tuesday 29 August 2017)</b>
