1.0 Introduction

- 1.1 During 2016 and 2017 a co-design group of Council, NHS and voluntary sector colleagues worked together to design the Our Manchester VCS Funding Programme, which brought together five different funding streams. The Committee considered a number of reports on this, as well as hearing from voluntary organisations involved in the co-design process.
- 1.2 At the Committee's meeting on 4 January 2018, following the first round of funding through the Our Manchester VCS Fund, Members raised some concerns about the process which had been carried out.
- 1.3 At its request, the Committee received additional information on this and discussed it further at its meetings on 1 February 2018, 1 March 2018 and 24 May 2018. At its 1 February 2018 meeting, the Committee decided that a group of Members should work with officers to review the process before the next round of funding applications. It was subsequently agreed at the Committee's 24 May 2018 meeting that this should take the form of a Task and Finish Group.
- 1.4 The Resources and Governance Scrutiny (RAGS) Committee also discussed this issue at its 1 February 2018 meeting and it has been proposed that Members of the RAGS Committee be included in the membership of the Task and Finish Group.
- 1.5 The draft terms of reference and work programme for this Task and Finish Group are attached as appendices 1 and 2.

2.0 Membership

2.1 Members are invited to express an interest in joining the Task and Finish Group.

3.0 Recommendations

- 3.1 The Committee is invited to consider the draft terms of reference and work programme attached to this report, and make any amendments that they wish.
- 3.2 The Committee is also invited to agree the membership of the Task and Finish Group.
