September 2016
  - b. That the **GM Skills and Employment Partnership, GM Skills Team and GM Community and Voluntary Organisation (GMCVO)** ensure that support for schools, colleges, training providers and community and voluntary sector (CVS) organisations delivering employability skills is scaled up to match the challenge GM faces in delivering its employment aspirations.

October 2016
  - c. **GM Skills and Employment Partnership and district skills leads** to identify projects from across the conurbation that have a proven track record of successfully delivering employability skills. These projects should be promoted and celebrated, and, if appropriate, rollout their approach more widely.

October 2016
  - d. That GM's skills commissioners (the **Skills Funding Agency** and **New Economy**) to explain, and if necessary improve how their commissioning processes to support and reward the flexibility and responsiveness of smaller providers.

September 2016
  - e. That the **GM Skills Team, Public Services Reform Team** in partnership with **district skills leads** provide a report assessing the feasibility of providing a small GM-wide investment fund to support young people being assisted into education or training by small community and voluntary sector organisations.   - f. That the **Greater Manchester Combined Authority** monitors the work of the **North West Construction Hub** and the **AGMA Procurement Hub** through an annual report to:-

This will help to ensure that the employment and other social value impacts deliver maximum benefit to GM residents. October 2016
- h. **GM Skills Team** ensures that the **NW Construction Hub** and the **AGMA Procurement Hub** have at least one link person per district who can support companies to deliver of social value and corporate social responsibility targets through providing linkages to training, school engagement and the local communities within districts. September 2016
- i. **Transport for Greater Manchester** continue to negotiate with **bus operators** to deliver an easy to understand fare offer, particularly for apprentices. - j. **Transport for Greater Manchester** continues work with the **GM Skills Team** to ensure that accurate journey planning information is easily available, understandable, and meets the needs of students. This is particularly important for multimodal and multi operator journeys. September 2016
- k. That the **GM Skills Team** should consider supporting apprentices with travel costs to promote and sustain individuals' learning, as participation in learning is something GM wants to encourage. September 2016
- l. The **GM Skills Team** ensure that the recommendations of GM's Area Based Review of post-16 education consider travel to learn patterns, and how existing travel support for young people can be better optimised in the light of any proposals to reconfigure GM's post-16 provision. September 2016
