Information about the Executive

The Executive is made up of nine Councillors: the Leader and two Deputy Leaders of the Council and six Executive Members with responsibility for Adult Health and Wellbeing, Culture and Leisure, Children's Services, Finance and Human Resources, Housing and Regeneration and Environment. The Leader of the Council chairs the meetings of the Executive.

The Executive has full authority for implementing the Council's Budgetary and Policy Framework, and this means that most of its decisions do not need approval by Council, although they may still be subject to detailed review through the Council's overview and scrutiny procedures.

It is the Council's policy to consult people as fully as possible before making decisions that affect them. Members of the public do not have a right to speak at meetings but may do so if invited by the Chair.

The Council is concerned to ensure that its meetings are as open as possible and confidential business is kept to a strict minimum. When confidential items are involved these are considered at the end of the meeting at which point members of the public and the press are asked to leave.
