**(b) Risk Management**

The Council's Constitution is a key document that ensures effective corporate governance of the Council. Principle 2 of the Council's *Code of Corporate Governance* deals with "Having clear responsibilities and arrangements for accountability", which point 2.1 of the *Code* clarifies as "Ensuring effective leadership throughout the Council and being clear about Executive and Non-Executive functions.

**(c) Legal Considerations**

Ensuring that the discharge of the Council's executive functions has been delegated to the appropriate Council officers in accordance with the law, and that such delegation has been accurately recorded in the Council's Scheme of Delegation in the Constitution is of importance in ensuring that Council officers do not take actions for which they do not have the appropriate delegated authority.
