

Private meeting of the Executive

Notice given in accordance with Part 2 Section 5 of the Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012.

Date of the Executive Meeting	21 March 2018
Purpose of the Meeting	To consider reports and items of business as set out on the agenda to be published on 13 March 2018 including the intention to consider: <ul style="list-style-type: none">a report on the proposed acquisition by the Council of land and buildings in the city that will contain exempt information.
Purpose of the private part of the meeting	To exclude the public from part of the meeting for the consideration of items of business where officers consider that the items contain exempt information as provided for in the Local Government Access to Information Act and that the public interest in maintaining the exemption outweighs the public interest in disclosing the information
Reason why the appropriate 28 clear days was not given for the intention to hold part of the meeting in private.	This meeting of the Executive has been arranged at two weeks' notice to deal with urgent matters that need the approval of the last Council meeting on the 2017/18 Municipal Year which will be later on the morning of 21 March. There has been insufficient time to comply with the requirement to give 28 clear days notice of the intention to have part of this Executive meeting as a private meeting as defined by the Regulations. Some of those items of business are considered to be urgent, requiring decisions that cannot reasonably be deferred to a future meeting of the Executive.
Agreement of the chairman of the relevant Scrutiny Committee	Signed... Redacted on the online published form Dated... 13 March 2018
