Notice given in accordance with Part 2 Section 5 of the Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012.

|--|---|
| Date of the Executive Meeting | 11 July 2018 |
| Purpose of the Meeting | To consider reports and items of business as set out on the agenda to be published on 3 July 2018 including the intention to consider a report on biomedical investments |
| Purpose of the private part of the meeting | To exclude the public from part of the meeting for the consideration of an item of business where officers consider that the item contain exempt information as provided for in the Local Government Access to Information Act and that the public interest in maintaining the exemption outweighs the public interest in disclosing the information |
| Reason why the appropriate 28 clear days was not given for the intention to hold part of the meeting in private. | This meeting of the Executive has been arranged at eight days' notice to deal with an urgent matter that needs the approval of the Council meeting on the 11 July 2018 as the matter it deals with is urgent and a delay would seriously prejudice the interests of the residents of Manchester and so the decision cannot reasonably be deferred. There has been insufficient time to comply with the requirement to give 28 clear days notice of the intention to have part of this Executive meeting as a private meeting as defined by the Regulations. |
