5 Manchester City Council – Implementation of Care Act 2014 Report of Strategic Director, (Adults) Families Health and Wellbeing	1

This report describes the implementation of the Care Act (2014) by Manchester City Council. The Care Act is designed to place care and support law into a modern statute and brings this together under one Social Care Act and sets Adult Social Care (ASC) for the first time within the context of an ethos of individual well-being and outcomes based support for citizens.

The Care Act places new responsibilities on local authorities which are outlined in the main section of this report. The implementation of the Act is over two years and this report describes the work that has been undertaken to implement the 1st tranche requirements necessary from 1 April 2015 and the requirements that will need to be in place on the 1 April 2016.
