

**MANCHESTER HEALTH AND
WELLBEING BOARD**

**STRATEGIC REVIEW OF
PROGRESS**

January 28, 2015

PURPOSE OF THE REVIEW

- 1. Understand and build on learning from past years to identify:**
 - strengths and achievements
 - identify what needs to be done differently
- 2. Map future priorities and challenges**
- 3. Ensure future aspirations reflect local and national imperatives, strategies and policies**

THE FOUNDATIONS ARE FIRM

- right people
- commitment
- relationships, trust, confidence and inclusivity
- Leader as chair

MEETINGS WORK WELL

- well chaired and administered
- agenda well balanced

STRENGTHS AND ACHIEVEMENTS

WHOLE MANCHESTER FOCUS

- concept and practicalities of place based leadership

PROGRESS ON PRIORITIES

- Living Longer, Living Better
- Healthier Together
- work and health agenda
- public health reform
- new services

PARTNERSHIP WORKING AT AND BEYOND BOARD LEVEL

- collaborative leadership
- culture change: co-production; joint learning
- purchaser/provider

WHAT NEEDS TO DEVELOPED OR IMPROVED

GETTING THE MOST OUT OF BOARD MEETINGS

- debate and decision making
- papers
- commitment and participation

DRIVING DELIVERY

- all priorities
- leadership and accountability
- delivery framework

REPORTING ON AND EVIDENCE OF PROGRESS

- impact on people
- strategy and plans
- holding to account

COMMUNICATION AND ENGAGEMENT WITH THE PUBLIC

- internally facing
- reinforce strategy

FUTURE CHALLENGES AND PRIORITIES

1. Scaling up across the city and Greater Manchester

- **increase pace and scope of integration**
- **put in place governance and regulatory frameworks across the city**
- **address financial challenges and constraints together**

2. Refreshing and updating priorities and strategies

3. Future thinking and planning beyond current strategy

4. Enhancing the delivery framework

5. Communicating and engaging with the public

6. Finding space and time for important discussions and decisions
