Information about the Board

The Health and Wellbeing Board brings together those who buy services across the NHS, public health, social care and children's services, elected representatives and representatives from HealthWatch to plan the health and social care services for Manchester. Its role includes:

- encouraging the organisations that arrange for the provision of any health or social care services in Manchester to work in an integrated manner;
- providing advice, assistance or other support in connection with the provision of health or social care services;
- encouraging organisations that arrange for the provision of any health related services to work closely with the Board; and
- encouraging those who arrange for the provision of any health or social care services or any health related services to work closely together.

The Board wants to consult people as fully as possible before making decisions that affect them. Members of the public do not have a right to speak at meetings but may do so if invited by the Chair. If you have a special interest in an item on the agenda and want to speak, tell the committee officer, who will pass on your request to the Chair. Groups of people will usually be asked to nominate a spokesperson. The Council wants its meetings to be as open as possible but occasionally there will be some confidential business. Brief reasons for confidentiality will be shown on the agenda.

The Council welcomes the filming, recording, public broadcast and use of social media to report on the Committee's meetings by members of the public.
