- encouraging those who arrange for the provision of any health or social care services or any health related services to work closely together.

The Board wants to consult people as fully as possible before making decisions that affect them. Members of the public do not have a right to speak at meetings but may do so if invited by the Chair. If you have a special interest in an item on the agenda and want to speak, tell the committee officer, who will pass on your request to the Chair. Groups of people will usually be asked to nominate a spokesperson. The Council wants its meetings to be as open as possible but occasionally there will be some confidential business. Brief reasons for confidentiality will be shown on the agenda.

The Council welcomes the filming, recording, public broadcast and use of social media to report on the Committee's meetings by members of the public.
