

Section of Revised Policy	Amendments
Contents	
	Revised contents
Foreward	
	Statement from Cllr Leese to be revised in Final version.
Executive Summary	
	Removal of reference to future receipt of applications (not relevant since implementation of Act)
Section 1	
	Consultation dates amended
Section 2	
	Establishment of Responsible Gambling Unit deleted. Establishment of this not following cancellation of Regional Casino.
	Section on Regional Casino deleted
Section 3	
	Table updated following change to permitted machine provision by revised regulations from DCMS
	Removal of reference to pending publishing of regulations
3.3	Change of terminology in relation to making representations from 'having an opinion' to 'comment'
3.5	Replacement of references of 'our'
3.9	Re-worded to clarify against potential conflict of existing regulatory regimes (i.e. planning and licensing)
	Reference to Gambling Forum deleted. Practical operation of gambling premises in relation to the licensing objectives mean that any practical use for such a forum would be extremely limited.
Section 4	
	Change of Title to 'Standards Expected from Applicants' (originally 'Premises Licences – What Standards We Expect From Applicants')
	Refined expectations re location of licensed premises to allow greater discretion
4.3	Inclusion of section on Definition of Premises
4.4	Inclusion of section on Primary Gambling Activity
	Duplication of requirements in LCCP (Licence Conditions and Code of Practice for gambling operators as issued by the Gambling Commission) removed. References to 'minimum standards' are misleading as this is the role of the LCCP. Therefore, duplication is removed (staff training and knowledge / dealing with problem gambling / advertising).
	Removal of requirement for voluntary levy to fund gambling research Removal of references to Responsible Gambling Unit. Removal of references to Regional Casino. Further clarification that demand is not a relevant consideration. Requirements for data provision / exclusion of persons under the influence to be retained. However, removal of requirements for

	data logging of 'at risk behaviour' and 'behaviour requiring immediate intervention' (these are not defined and so impossible to log) Added requirements for Betting Premises re provision of FOBTs.
Section 5	
	Removed references to forthcoming regulations (not relevant since implementation)
Appendices	
	Minor updates to remove references to proposed commencement of Act and update of contact addresses.
	Removal of Appendices 'Offences under Gambling Act', 'Number and Category of Machines Permitted according to Premises Type' and 'Under 18s – their access to gambling areas and their ability to participate' (These can be subject to change and so become outdated during duration of policy – they will be available separately from the Policy)
