Information about Licensing Policy Committee

Everybody is welcome to attend Council Committee and Sub-Committee meetings.

The Licensing Policy Committee discharges the duties of the Council in relation to a range of licensing and registration functions. This Committee monitors and keeps under review the Council's policy with respect to its licensing functions during the three-year period of the policy, and makes arrangements for consulting statutory consultees and other appropriate persons or bodies in relation to the Council's policy. The Committee then makes recommendations to the Council as Licensing Authority, as to any proposed revisions to its licensing policy during the period of the policy, and in relation to any new policy for the subsequent three-year period.

In general, decisions are made by the Committee under powers delegated to it under the Council Constitution and will not require to be referred to the Council for approval. Meetings are controlled by the Chair, who is responsible for seeing that the business on the agenda is dealt with properly.

Copies of the agenda are available beforehand from the reception area at the St. Peter's Square entrance to the Town Hall Extension. Some additional copies are available at the meeting from the Governance Officer. The Council is concerned to ensure that its meetings are as open as possible and confidential business is kept to the strict minimum. When confidential items are involved these are considered at the end of the meeting at which point members of the public are asked to leave

Smoking is not allowed in Council buildings. Crèche facilities are available for visitors to the Town Hall by prior arrangement with the St. Peter's Children's Centre (Telephone: 0161 234 3246).
