Information about the Committee

The Standards Committee comprises seven city councillors, two parish councillors and three independent members and is chaired by an Independent Member. The Committee deals with matters relating to the conduct of City and Parish Councillors and the promotion of ethical standards. The members of the Committee will constitute panels to make initial assessments of written allegations of breaches of the Members' Code of Conduct and will determine whether to refer allegations to the Monitoring officer (an officer of the Council) for investigation. A Panel may also decide that no action should be taken in respect of an allegation.

The Council is concerned to ensure that its meetings are as open as possible and confidential business is kept to the strict minimum. When confidential items are involved these are considered at the end of the meeting at which point members of the public are asked to leave.
