Manchester Strategy Outcomes	Summary of the contribution to the strategy
A thriving and sustainable City: supporting a diverse and distinctive economy that creates jobs and opportunities	Licensed premises provide a key role as an employer, in regeneration, and in attracting people to the city. The efficient processing of applications as well as effective decision making in respect of them, plays an essential role in enabling businesses to thrive and maximise contribution to the economy of the region and sub-region.

- Licensing Act 2003 (Hearings) Regulations 2005

1. **Introduction**

- 1.1 On 14th August 2020, a temporary event notice (TEN) was given under s100A of the Licensing Act 2003 in respect of St Marys C E Primary School, St Marys CofE Primary School, Adscombe Street, Manchester, M16 7AQ in the Moss Side ward of Manchester. A location map of the premises is attached at **Appendix 1**.
- 1.2 In accordance with Licensing Act 2003 regulations, Greater Manchester Police (GMP) and Licensing Out of Hours Compliance (LOOH) were notified of the TEN.
- 1.3 Where either GMP or LOOH is satisfied that allowing the premises to be used in accordance with the TEN would undermine a licensing objective, they must give an objection notice to the relevant licensing authority, the premises user, and to every other relevant person.
- 1.4 The objection notice must be given no later than three working days after the day on which the objector is given the TEN.
- 1.5 An objection notice has been received in respect of this TEN and so it must be determined by a Licensing Hearing Panel in accordance with the Council's Constitution.

2. **The Notice**

- 2.1 A copy of the TEN is attached at **Appendix 2**.
- 2.2 The premises user is Mr Akeim Mundell Bem.
- 2.3 The description of the event is 'Manchester's Got Talent' Community Event.
 - 2.3.1 In accordance with the Live Music Act 2012 and Deregulation Act 2015, performances of Live Music and Recorded Music between the hours of 0800 and 2300 hours have been deregulated and so should not be regarded as licensable activities for the purposes of this TEN.
 - 2.3.2 Any further details provided relating to any of the individual licensable activities are specified on the TEN at **Appendix 2**.
- 2.4 **Activities unsuitable for children**
 - 2.4.1 The premises user has not highlighted any adult entertainment or services, activities, other entertainment or matters ancillary to the use of the premises that may give rise to concern in respect of children.
- 2.5 **Further documentation accompanying the application**
 - 2.5.1 The premises user has submitted the following documents in support of the TEN, which are included with the application form at **Appendix 2**:

- Covid-19 Risk Assessment & Market Rights Licence

3. Objection Notice(s)

3.1 An objection notice was received from GMP and from LOOH in respect of the TEN (**Appendix 3**). The personal details of all members of the public have been redacted. Original copies of these objections will be available to the Panel at the hearing.

3.2 Summary of the objections:

Party	Grounds of representation	Recommends
GMP	<p>GMP objects to the grant of this Temporary Event Notice on the grounds of the Prevention of Crime and Disorder, Public Safety and the Prevention of Public Nuisance.</p> <p>The premises have applied for alcohol sales and regulated entertainment for 8 hours on the Sunday of August Bank Holiday weekend (one of the busiest periods in the calendar year for GMP). It is of great concern to GMP that the potential exists for far greater numbers of persons to attend the event than are stated on the notice (499) due to the event being advertised on social media platforms/via a leaflet drop. The Premises user has not provided precise information as to how the event will be properly policed/marshalled (reference is made to the hiring of a security company, but no details as to which security company/number of security officers will be hired are given). Furthermore reference is also made to consultation with GMP prior to the event taking place but the local Police Inspector has confirmed that no contact has been made from the Premises user in regard to the event. It is also of concern to GMP that no traffic management and dispersal plans have been included in the application (to further enable the correct management of the event/event attendees, etc.).</p> <p>Taking all of the above factors into account, and in light of the current/ongoing Covid-19 emergency situation, GMP are of the belief that the proposed event on 30/08/2020 at St Mary's CofE Primary School possesses great potential for further spread of the virus</p>	Serve a counter notice

	amongst the event attendees (and, therefore, the wider population within Manchester and its environs), as well as impacting adversely upon the Four Licensing Objectives generally, and are requesting that a Counter Notice be issued to prevent such an eventuality from taking place.	
Licensing and Out of Hours Compliance	<p>LOOH Compliance are objecting to the notice on the same grounds as Greater Manchester Police: that all of the Four Licensing Objectives would be undermined (particularly in reference to maintaining public safety) if the planned event were to go ahead on 30/08/2020.</p> <p>Again, the lack of precise information relating to event management (crowd control/dispersal, traffic management, the prevention of the spread of Covid-19 within event attendees and the wider local/national population) is, in the opinion of LOOH Compliance, insufficient and does not meet the standard as required to allay their concerns that the event will take place safely and in full compliance with the current Covid-19 regulations relating to social gatherings. Furthermore, LOOH compliance are concerned at the lack of information as to how the sale of alcohol will be managed at the event and how drunkenness and prevention of the sale of alcohol to underage persons will also be controlled.</p> <p>In conclusion, LOOH Compliance are also requesting that a Counter Notice be served against the event.</p>	Serve a counter notice

4. Key Policies and Considerations

4.1 Legal Considerations

- 4.1.1 Hearings under the Licensing Act 2003 operate under the Licensing Act 2003 (Hearings) Regulations 2005.

4.2 New Information

- 4.2.1 In accordance with Regulation 18 of the Licensing Act 2003 (Hearings) Regulations 2005, the authority may take into account documentary or other information produced by a party in support of their application, representations or notice either before the hearing or, with the consent of all parties, at the hearing.

4.3 **Hearsay Evidence**

- 4.3.1 The Panel may accept hearsay evidence and it will be a matter for the Panel to attach what weight to it that they consider appropriate. Hearsay evidence is evidence of something that a witness neither saw nor heard, but has heard or read about.

4.4 **The Secretary of State's Guidance to the Licensing Act 2003**

- 4.4.1 The Secretary of State's Guidance to the Licensing Act 2003 is provided for all parties involved in licensing. It is a key medium for promoting best practice, ensuring consistent application of licensing powers across England and Wales and for promoting fairness, equal treatment and proportionality.
- 4.4.2 Section 4 of the 2003 Act provides that, in carrying out its functions, a licensing authority must 'have regard to' guidance issued by the Secretary of State under section 182. The Guidance is therefore binding on all licensing authorities to that extent. However, the Guidance cannot anticipate every possible scenario or set of circumstances that may arise and, as long as licensing authorities have properly understood this Guidance, they may depart from it if they have good reason to do so and can provide full reasons.
- 4.4.3 Departure from the Guidance could give rise to an appeal or judicial review, and the reasons given will then be a key consideration for the courts when considering the lawfulness and merits of any decision taken.

4.5 **Manchester Statement of Licensing Policy**

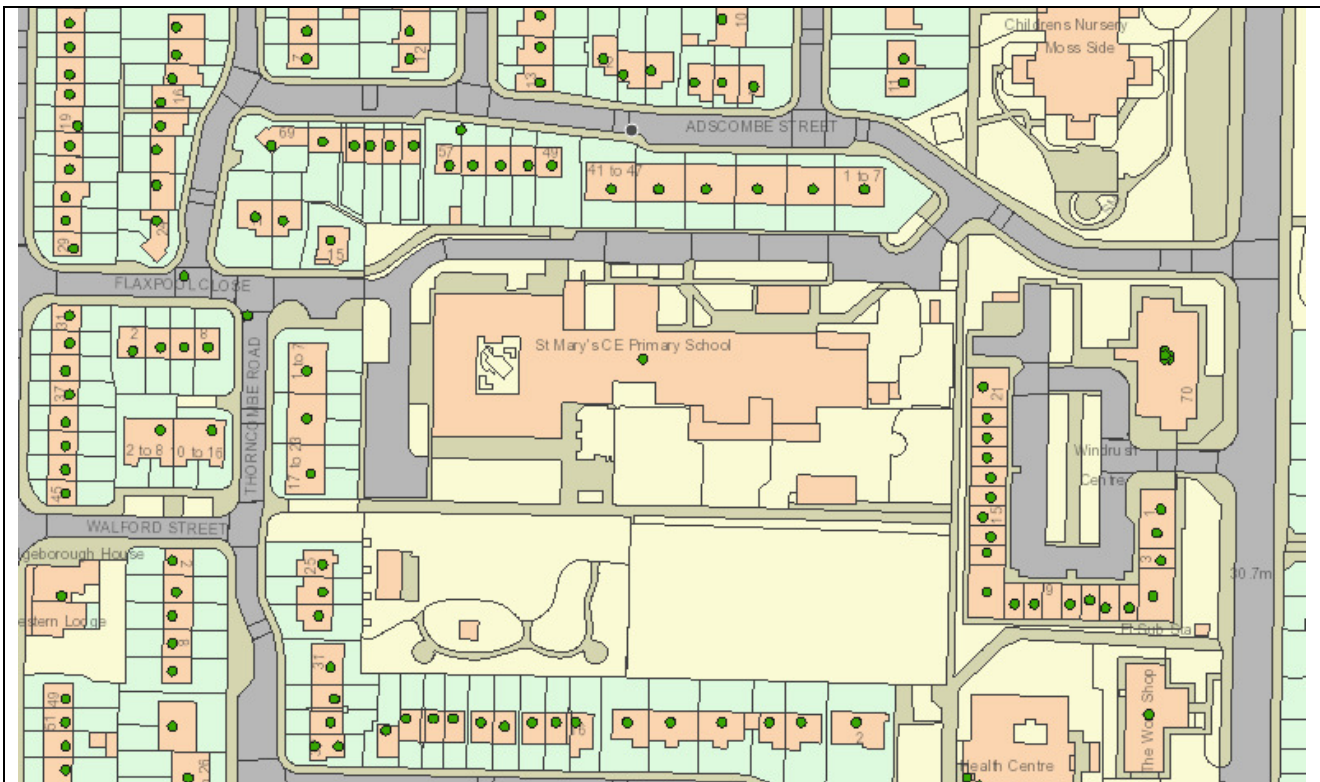

- 4.5.1 Section 4 of the 2003 Act provides that, in carrying out its functions, a licensing authority must 'have regard to' its statement of licensing policy.
- 4.5.2 The Licensing Policy sets out the vision the licensing authority has for the regulation of licensed premises throughout Manchester and outlines the standards expected in order to ensure the promotion of the licensing objectives in the city. The Panel may depart from the policies should it consider doing so would benefit the promotion of the licensing objectives. Reasons are to be given for any such departure from the Policy.
- 4.5.3 Section 4 of the Policy (Operation of the Policy) sets out how the Licensing Policy is intended to be used in practice for licence applications and licensed premises.
- 4.5.4 Where the authority considers that to impose on the TEN one or more of the conditions from a premises licence or club premises certificate in force at the premises (insofar as such conditions are not inconsistent with the event) is appropriate for the promotion of the licensing objectives, the policy is to give notice to the premises user that includes a statement of the conditions imposed. Copies of this notice will be provided for GMP and LOOH.

- 4.5.5 Where, following any representations at the hearing, the licensing authority is not satisfied the event will ensure the promotion of the licensing objectives, the policy is to issue a counter-notice against the Temporary Event Notice.

5. Conclusion

- 5.1 A licensing authority must carry out its functions under this Act (“licensing functions”) with a view to promoting the licensing objectives:
- the prevention of crime and disorder
 - public safety;
 - the prevention of public nuisance; and
 - the protection of children from harm
- 5.2 In considering the matter, the Panel should take into account any objections that have been received from GMP or LOOH, and representations made by the applicant or premises user as the case may be. In reaching the decision, regard must also be had to relevant provisions of the national guidance and the Council’s licensing policy statement.
- 5.3 Having regard to the objection notice(s), the panel must give the premises user a counter notice if it considers it appropriate for the promotion of a licensing objective to do so.
- 5.4 If the panel decides not to give a counter notice the panel may impose one or more conditions on the TEN if –
- the authority considers it appropriate for the promotion of the licensing objectives to do so,
 - the conditions are also imposed on a premises licence or club premises certificate that has effect in respect of the same premises, or any part of the same premises, as the temporary event notice, and
 - the conditions would not be inconsistent with the carrying out of the licensable activities under the temporary event notice.
- 5.5 All licensing determinations should be considered on the individual merits of the notification.
- 5.6 The Panel’s determination should be evidence-based, justified as being appropriate for the promotion of the licensing objectives and proportionate to what it is intended to achieve. Findings on any issues of fact should be on the balance of probability.
- 5.7 It is important that a licensing authority should give comprehensive reasons for its decisions in anticipation of any appeals. Failure to give adequate reasons could itself give rise to grounds for an appeal.
- 6. The Panel is asked to determine the temporary event notice.**

NOTES

General

The police and local authority exercising environmental health functions may intervene on the grounds of any of the four licensing objectives (the prevention of crime and disorder, public safety, the prevention of public nuisance, and the protection of children from harm) to prevent the occurrence of an event at which permitted temporary activities are to take place or to agree a modification of the arrangements for such an event. However, the licensing authority will intervene of its own volition in the cases described below.

First, it will issue a counter notice if there is an objection to a late temporary event notice (see note 7 below).

Secondly, it may issue a notice in relation to its decision to impose conditions on a temporary event notice (see note 2 below).

Thirdly, it will issue a counter notice if the first, second and fourth of the limits set out below would be exceeded. If any of the limits below are breached or if a counter notice has been issued, any licensable activities taking place would be unauthorised and the premises user would be liable to prosecution. The limitations apply to:

- the number of times a person (the “premises user”) may give a temporary event notice (50 times per year for a personal licence holder and 5 times per year for other people);
- the number of times a person (the “premises user”) may give a late temporary event notice (10 times per year for a personal licence holder and 2 times per year for other people);
- the number of times a temporary event notice may be given in respect of any particular premises (15 times in a calendar year);
- the length of time a temporary event may last for these purposes (168 hours);
- the maximum aggregate duration of the periods covered by temporary event notices at any individual premises (21 days per calendar year); and
- the scale of the event in terms of the maximum number of people attending at any one time (a maximum of 499).

For the purposes of determining the overall limits of 50 temporary event notices per personal licence holder (in a calendar year) and of 5 for a non-personal licence holder (in a calendar year), temporary event notices given by an associate or a person who is in business with a premises user (and that business involves carrying on licensable activities) count towards those totals. The limits applying to late temporary event notices are included within the overall limits applying to the total number of temporary event notices. Note 14 below explains the definition of an “associate”.

When permitted temporary activities take place, a premises user must ensure that either:

a copy of the temporary event notice endorsed as acknowledged by the licensing authority is prominently displayed at the premises; or that

the temporary event notice is kept at the premises either in his own custody or in the custody of a person present and working at the premises and whom he has nominated for that purpose.

Where the temporary event notice is in the custody of a nominated person, a notice specifying that fact and the position held by that person must be displayed prominently at the premises.

Where the temporary event notice or a notice specifying the nominated person is displayed, a constable or an authorised person (for example, a licensing officer, fire officer or environmental health officer) may require the premises user to produce the temporary event notice for examination. Similarly, where the nominated person has the temporary event notice in his custody, a constable or authorised person may require that person to produce it for examination. Failure to produce the temporary event notice without reasonable excuse would be an offence.

It should also be noted that the following, among other things, are offences under the Licensing Act 2003:

- the sale or supply of alcohol to children under 18 years of age (maximum fine on conviction is a fine up to level 5 on the standard scale, currently £5,000);
- allowing the sale of alcohol to children under 18 (maximum fine on conviction is a fine up to level 5 on the standard scale, currently £5,000);
- knowingly allowing the consumption of alcohol on the premises by a person aged under 18 (maximum fine on conviction is a fine up to level 5 on the standard scale, currently £5,000);
- allowing disorderly behaviour on the premises (maximum fine on conviction is a fine up to level 3 on the standard scale, currently £1,000);
- the sale of alcohol to a person who is drunk (maximum fine on conviction is a fine up to level 3 on the standard scale, currently £1,000);
- obtaining alcohol for a person who is drunk (maximum fine on conviction is a fine up to level 3 on the standard scale, currently £1,000);
- knowingly allowing a person aged under 18 to make any sale or supply of alcohol unless the sale or supply has been specifically approved by the premises user or any individual aged 18 or over who has been authorised for this purpose by the premises user (maximum fine on conviction is a fine up to level 1 on the standard scale, currently £200); and
- knowingly keeping or allowing to be kept on the premises any smuggled goods which have been imported without payment of duty or which have otherwise been unlawfully imported (maximum fine on conviction is a fine up to level 3 on the standard scale, currently £1,000).

In addition, where the premises are to be used primarily or exclusively for the sale or supply of alcohol for consumption on the premises, it is an offence to allow children under 16 to be present when the premises are open for that purpose unless they are accompanied by an adult. In the case of any premises at which sales or supplies of alcohol are taking place at all, it is an offence for a child under 16 to be present there between the hours of midnight and 5am unless accompanied by an adult. In both instances, the penalty on conviction is a fine not exceeding level 3 on the standard scale, currently £1,000.

Note 1

A temporary event notice may only be given by an individual and not, for example, by an organisation or club or business. The individual giving the notice is the proposed “premises user”. Within businesses, clubs or organisations, one individual will therefore need to be identified as the proposed premises user.

If you include an e-mail address in section 1(7) or 1(9), the licensing authority may send to this the acknowledgement of receipt of your notice or any notice or counter notice it is required to give under sections 104A, 106A or 107 of the Licensing Act 2003.

Note 2

For the purposes of the Licensing Act 2003, “premises” means any place. Premises will therefore not always be a building with a formal address and postcode. Premises can include, for example, public parks, recreation grounds and private land.

If a premises licence or club premises certificate has effect in relation to the premises (or any part of the premises) which you want to use to carry on licensable activities, it is possible that any conditions which apply to the licence or certificate may be imposed on the temporary event notice if certain pre-conditions are met. These pre-conditions are that the police or the local authority exercising environmental health functions object to the notice and the licensing authority decides:

- not to give a counter notice under section 105 of the Licensing Act 2003;
- the conditions apply to the licence or certificate; and
- the imposition of the conditions on the notice would not be inconsistent with the carrying on of the licensable activities under the notice.

Note 3

A temporary event notice can be given for part of a building, such as a single room or a plot within a larger area of land. You should provide a clear description of the area in which you propose to carry on licensable activities. This is important as any licensable activities conducted outside the area of the premises protected by the authority of this temporary event notice would be unlawful and could lead to prosecution.

In addition, when holding the proposed event, the premises user would need to be able to restrict the number of people on the premises at any one time when licensable activities are taking place to less than 500. If more than 499 are on the premises when licensable activities are being carried on, the licensable activities would be unlawful and the premises user would be liable to prosecution. The maximum figure of 499 includes, for example, staff, organisers, stewards and performers.

Note 4

A description of the nature of the premises assists the chief officer of police and local authority exercising environmental health functions in deciding if any issues relating to the licensing objectives are likely to arise. You should state clearly that the premises to be used are, for example, a public house, a restaurant, an open field, a village hall or a beer tent.

Note 5

A description of the nature of the event similarly assists the chief officer of police and local authority exercising environmental health functions in making a decision as to whether or not to make an objection. You should state clearly that the event taking place at the premises would be, for example, a wedding with a pay bar, the supply of beer at a particular farmers' market, a discotheque, the performance of a string quartet, a folk group or a rock band.

Note 6

The licensable activities are:

- the sale by retail of alcohol;
- the supply of alcohol by or on behalf of a club to, or to the order of, a member of a club;
- the provision of regulated entertainment; and
- the provision of late night refreshment.

Please refer to Schedules 1 and 2 to the Licensing Act 2003 for fuller details of the definitions and exemptions relating to regulated entertainment and late night refreshment.

Regulated entertainment, subject to specified conditions and exemptions, includes:

- (a) a performance of a play;
- (b) an exhibition of a film;
- (c) an indoor sporting event;
- (d) a boxing or wrestling entertainment;
- (e) a performance of live music;
- (f) any playing of recorded music;
- (g) a performance of dance;
- (h) entertainment of a similar description to that falling within (e), (f) or (g).

Regulated entertainment also includes the provision of "entertainment facilities" for:

- (a) making music;
- (b) dancing; and
- (c) entertainment of a similar description to that falling within (a) or (b).

If you are uncertain whether or not the activities that you propose are licensable, you should contact your licensing authority for further advice.

Note 7

Late notices can be given no later than 5 working days but no earlier than 9 working days before the event in relation to which the notice is given. A late notice given later than 5 working days before the event to which it relates will be returned as void and the activities described in it will not be authorised.

The number of late notices that can be given in any one calendar year is limited to 10 for personal licence holders and 2 for non-personal licence holders. These count towards the total number of temporary event notices (i.e. 50 temporary event notices per year for personal licence holders and 5 temporary event notices for non-personal licence holders).

If there is an objection from either the police or local authority exercising environmental health functions, the event will not go ahead and a counter notice will be issued.

Note 8

The maximum period for using premises for licensable activities under the authority of a temporary event notice is 168 hours (seven days).

Note 9

You should state here the times during the event period, for example 48 hours, when you intend to carry on licensable activities. For example, you may not intend to carry on licensable activities throughout the entire 48 hour event period, and may intend to sell alcohol between 8.00 hrs and 23.00 hrs on each of the two days.

Note 10

No more than 499 may be on the premises for a temporary event at any one time when licensable activities are being carried on. If you intend to have more than 499 attending the event, you should obtain a premises licence for the event. Your licensing authority should be able to advise you. The maximum figure of 499 does not just include the audience, spectators or consumers and includes, for example, staff, organisers, stewards and performers who will be present on the premises.

Note 11

If you indicate that alcohol will be supplied only for consumption on the premises, you would be required to ensure that no person leaves the premises with alcohol supplied there. If such a supply takes place, the premises user may be liable to prosecution for carrying on an unauthorised licensable activity. Similarly, if the premises user gives notice that only supplies of alcohol for consumption off the premises will take place, he/she must ensure that alcohol supplied is not consumed on the premises. The premises user is free to give notice that he/she intends to carry on both types of supplies. For this purpose the supply of alcohol includes both of the first two licensable activities listed in note 6 above.

Note 12

Relevant entertainment is defined in the Local Government (Miscellaneous Provisions) Act 1982 ("the 1982 Act") as *any live performance or any live display of nudity which is of such a nature that, ignoring financial gain, it must reasonably be assumed to be provided solely or principally for the purpose of sexually stimulating any member of the audience (whether by verbal or other means)*. Relevant entertainment therefore includes, but is not limited to, lap dancing and pole dancing.

The 1982 Act requires premises which provide relevant entertainment to be licensed under that Act for this purpose. Premises at which there have not been more than eleven occasions on which such entertainment has been provided within a period of 12 months, no such occasion has lasted for more than 24 hours and there has been a period of at least one month between each such occasion are exempt from the requirement to obtain a licence under the 1982 Act. Such premises are likely instead to require an authorisation under the Licensing Act 2003 to be used for such activities as these are a licensable activity (the provision of regulated entertainment – see note 6 above). A temporary event notice may be given for this purpose.

Note 13

The holder of a valid personal licence issued under the Licensing Act 2003 may give up to 50 temporary event notices in any calendar year subject to the other limitations in the 2003 Act. A proposed premises user who holds such a licence should give the details requested.

Note 14

As stated under Note 12, a personal licence holder (issued under the Licensing Act 2003) may give up to 50 temporary event notices (including 10 late notices) in any calendar year. An individual who does not hold a personal licence may only give 5 temporary event notices (including 2 late notices) in England and Wales in any calendar year. A calendar year is the period between 1 January to 31 December inclusive in any year.

If an event straddles two calendar years, it will count against the limits on temporary event notices (15 for each premises, 21 days for each premises, 50 per personal licence holder and 5 for non-holders) for each year, however, only one notice needs to be given.

For the purposes of determining the overall limits of 50 temporary event notices per personal licence holder (in a calendar year) and of 5 for a non-personal licence holder (in a calendar year), temporary event notices given by an associate or a person who is in business with a premises user (and that business involves carrying on licensable activities) count towards those totals. Note 14 below sets out the definition of an “associate”.

If a temporary event notice has been given for the same premises, by the same premises user, and would have effect within 24 hours before the start of the event period under the current proposal or within 24 hours after the end of that period, the temporary event notice given would be void and any licensable activities carried on under it would therefore be unlicensed.

For the purposes of determining whether or not the required gap of 24 hours is upheld, temporary event notices given by an associate or a person who is in business with a premises user (and that business involves carrying on licensable activities) count as if they had been given by the premises user himself. Note 14 below sets out the definition of an “associate”.

Note 15

An “associate” of the proposed premises user is:

- a. the spouse of that person;
- b. a child, parent, grandchild, grandparent, brother or sister of that person;
- c. an agent or employee of that person; or
- d. the spouse of a person within (b) or (c).

For these purposes, a person living with another as that person’s husband or wife is to be treated as that person’s spouse.

These provisions will be subject to amendment by the Civil Partnerships Act. These amendments are due to take effect from 5th December 2005.

Note 16

It is a requirement that you send at least one copy of this notice to the licensing authority at least ten working days (or five working days for a late notice) before the commencement of the proposed licensable activities. The authority will give you written acknowledgement of the receipt of the notice. This will be important proof that you gave the notice and when you gave it for the purposes of the Act. Some premises may be situated in two licensing authority areas, for example, where a building or field straddles the local authority boundary. Where this is the case, at least one copy of the notice must be sent to each of the licensing authorities identified, together with the appropriate fee in each case. In such circumstances, you will receive acknowledgements from all the relevant licensing authorities.

One copy must be sent to each of the chief officer of police and the local authority exercising environmental health functions for the area in which the premises is situated at least ten working days for a standard notice (or five working days for a late notice) before the commencement of the proposed licensable activities. Where the premises are situated in two police areas or environmental health areas, a further copy will need to be sent to the second police force and local authority exercising environmental health functions.

Note 17

Under the Licensing Act 2003, all temporary event notices are given subject to a mandatory condition requiring that where the licensable activities involve the supply of alcohol, all such supplies must be made by or under the authority of the named premises user. If there is a breach of this condition, the premises user and the individual making the supply in question would be liable to prosecution. For this purpose the supply of alcohol includes both of the first two licensable activities listed in note 6 above.

Note 18

It is an offence knowingly or recklessly to make a false statement in, or in connection with, a temporary event notice. (A person is to be treated as making a false statement if he produces,

furnishes, signs or otherwise makes use of a document that contains a false statement). To do so could result in prosecution and a fine not exceeding level 5 on the standard scale.

Note 19

You should not complete section 10 of the notice, which is for use by the licensing authority. It may complete this section as one means of giving you written acknowledgement of the receipt of the notice.

GREATER MANCHESTER POLICE

To: Mr Akeim Mundell. BEM

19th Aug 2019

Dear Sir

Please accept this letter as formal notification that Greater Manchester Police wish to object, under Section 104(2) of the Licensing Act 2003, to the **TEMPORARY EVENT NOTICE** detailed below, as we are satisfied that granting the application under these circumstances would undermine the Licensing Objectives.

PREMISES NAME:	St Mary's CE Primary School
ADDRESS:	Adscombe Street Moss Side Manchester M16 7EU
DATE OF EVENT:	30/08/20
TIME OF EVENT:	1200 – 2000 hrs

GMP objects to the grant of this Temporary Event Notice on the grounds of the Prevention of Crime and Disorder, Public Safety and the Prevention of Public Nuisance.

The premises have applied for alcohol sales and regulated entertainment for 8 hours on the Sunday of August Bank Holiday weekend, which is one of the busiest weekends for GMP in the year. In fact Police officers have had their shifts extended over this weekend to deal with an expected demand for service which the force hasn't seen for a long time.

In the application it states that the event is for up to 499 persons but after speaking to the applicant on the telephone it is anticipated that the maximum number is likely to be closer to 200, however the event is being advertised on social media as a free

GREATER MANCHESTER POLICE

event so there is no way of knowing how many people will actually turn up.

There is reference to security being utilised in the Risk Assessment which accompanies the application but it doesn't specify how many there will be or what security company they are from. There is also no mention of how exactly numbers of attendees will be recorded.

The advertisement on social media states that there will be DJ's which suggests loud music will be played, which would contravene the government guidelines around this and therefore increase the likelihood of people having to raise their voices to speak to each other and therefore increase the risk of the spread of Covid-19.

There is mention of liaison with local PCSO's but the Police Inspector who is responsible for this area of Manchester has not been contacted by anyone from the event to discuss it. It also states that GMP will be in attendance but again this has not been agreed with the local Inspector so our attendance is not agreed.

With the large number of people likely to attend GMP would have expected a traffic management and dispersal plan to have been included to show how the local residents will not be unduly affected by parked cars and crowds of people.

GMP are very concerned that the whole event will lead to congestion, raised voices and dancing and this will make social distancing very difficult to manage and maintain and in the current climate this is a risk that is simply not worth taking as the spread of this deadly virus is still very much a serious threat to everyone's safety.

As such we ask that this TEN application is refused.

Signed:.....PC 17659 Isherwood..... (rank/pin/name)

Representation

Outline your representation regarding the above application below. This representation should describe the likely effect of the grant of the licence/certificate on the licensing objectives and on the vicinity of the premises.

The Licensing and Out of Hours Team (LOOH) have assessed the likely impact of the grant of this application taking into account a number of factors, including the nature of the area, the current environment, hours applied for and any potential risk that the granting of the licence could lead to issues of crime and disorder, public nuisance and public safety.

The proposed venue is located in a highly concentrated residential area. The applicant has applied for the provision of regulated entertainment which is being supplied by a company and will be broadcasted through amplified speakers. The volume required to support the event would have the potential to cause a noise nuisance to surrounding residential properties.

The applicant has failed mention how vehicles attending the event will be managed and where they will park. The parking of vehicles in such numbers on residential streets have the potential to cause nuisance to local residents from vehicle noise and obstruction from vehicles.

The hours proposed are between 12:00 – 20:00. Between these hours alcohol will be available and allows attendees access to alcohol for 8 hours including vertical drinking. The applicant has failed to mention how the sale of alcohol will be managed, how drunkenness will be handled or the prevention of sale of alcohol to children.

On discussing the event with the applicant I was informed that Greater Manchester Police would be in attendance. Since then I have liaised with Greater Manchester police and in fact no agreement has been made. With recent events and tensions in the area LOOHs feels that there is the potential for crime and disorder and threat to public safety.

Currently the country is undergoing an epidemic from Covid-19 and the Greater Manchester has had further restrictions implemented recently to protect the public and prevent the spread of Covid-19. The applicant has completed a risk assessment and has proposed some measures to protect the public. Unfortunately the measures stated are not sufficient.

The event has been advertised on the social media platform Facebook and leaflets/ invites have been delivered to the local community. Although the applicant has agreed to limit the number of attendees and has stated there will be security onsite LOOHs believes there will be a high number of people trying to gain entry to the event or even congregating in the surrounding area to watch/ listen to the event. The applicant has not mentioned how the security team will manage this and prevent people from gathering in large numbers.

The amplified music will also cause people to communicate by raising their voices therefore projecting respiratory droplets and potentially contributing to the spread of Covid-19.

Due to the current Covid-19 situation similar events have not been granted permission to go-ahead and business that have been allowed to operate have had to implement extensive measures and risk assessments in order to meet government guidelines and legislation.

Overall the Licensing and Out of Hours Team feel that the event is not suitable at this moment in time due to the covid-19 situation and other events that have occurred in the local area.

The proposed event would undermine the 4 Licensing objectives specifically public safety. We therefore recommend that the application is refused.
