Background documents (available for public inspection):

- Manchester City Council Statement of Licensing Policy 2016 - 2021
- Guidance issued under section 182 of the Licensing Act 2003, April 2017
- Licensing Act 2003 (Hearings) Regulations 2005
- Any further documentary submissions by any party to the hearing

1. Introduction

- 1.1 On 7 October 2020, a temporary event notice (TEN) was given under s100A of the Licensing Act 2003 in respect of Carlton Social And Bowling Club, 113 Carlton Road, Manchester, M16 8BE in the Whalley Range ward of Manchester. A location map of the premises is attached at **Appendix 1**.
- 1.2 In accordance with Licensing Act 2003 regulations, Greater Manchester Police (GMP) and Licensing Out of Hours Compliance (LOOH) were notified of the TEN.
- 1.3 Where either GMP or LOOH is satisfied that allowing the premises to be used in accordance with the TEN would undermine a licensing objective, they must give an objection notice to the relevant licensing authority, the premises user, and to every other relevant person.
- 1.4 The objection notice must be given no later than three working days after the day on which the objector is given the TEN.
- 1.5 An objection notice has been received in respect of this TEN and so it must be determined by a Licensing Hearing Panel in accordance with the Council's Constitution.

2. The Notice

- 2.1 A copy of the TEN is attached at **Appendix 2**.
- 2.2 The premises user is Mr Jamie Mathew Scahill.
- 2.3 The description of the event is: *A socially distanced and seated beer festival*.
- 2.3.1 In accordance with the Live Music Act 2012 and Deregulation Act 2015, performances of Live Music and Recorded Music between the hours of 0800 and 2300 hours have been deregulated and so should not be regarded as licensable activities for the purposes of this TEN.
- 2.3.2 Any further details provided relating to any of the individual licensable activities are specified on the TEN at **Appendix 2**.
- 2.3.3 The premises is subject to a club premises certificate issued under the Licensing Act 2003. A copy of the licence is included at **Appendix 4**.
- 2.4 **Activities unsuitable for children**
- 2.4.1 The premises user has not highlighted any adult entertainment or services, activities, other entertainment or matters ancillary to the use of the premises that may give rise to concern in respect of children.

3. Objection Notice(s)

- 3.1 An objection notice was received from LOOH in respect of the TEN (**Appendix 3**). The personal details of all members of the public have been

redacted. Original copies of these objections will be available to the Panel at the hearing.

3.2 Summary of the objections:

Party	Grounds of representation	Recommends
Licensing and Out of Hours Compliance	Due to the current exponential increase of Covid-19 infections within the Greater Manchester area, combined with an absence of detail/information via the application as to how the Premises User intends to implement and enforce suitable social distancing, crowd management and track and trace policies and procedures at the planned event (as well as the lack of an overall risk assessment document), LOOH Compliance are not satisfied that the event will proceed safely and that those persons attending the event will be unnecessarily exposed to potential infection to the Covid-19 virus (which, in turn, could lead to wider 'community spread' of the disease amongst the general population).	Serve a counter notice

4. Key Policies and Considerations

4.1 Legal Considerations

4.1.1 Hearings under the Licensing Act 2003 operate under the Licensing Act 2003 (Hearings) Regulations 2005.

4.2 New Information

4.2.1 In accordance with Regulation 18 of the Licensing Act 2003 (Hearings) Regulations 2005, the authority may take into account documentary or other information produced by a party in support of their application, representations or notice either before the hearing or, with the consent of all parties, at the hearing.

4.3 Hearsay Evidence

4.3.1 The Panel may accept hearsay evidence and it will be a matter for the Panel to attach what weight to it that they consider appropriate. Hearsay evidence is evidence of something that a witness neither saw nor heard, but has heard or read about.

4.4 The Secretary of State's Guidance to the Licensing Act 2003

4.4.1 The Secretary of State's Guidance to the Licensing Act 2003 is provided for all parties involved in licensing. It is a key medium for promoting best practice,

ensuring consistent application of licensing powers across England and Wales and for promoting fairness, equal treatment and proportionality.

- 4.4.2 Section 4 of the 2003 Act provides that, in carrying out its functions, a licensing authority must ‘have regard to’ guidance issued by the Secretary of State under section 182. The Guidance is therefore binding on all licensing authorities to that extent. However, the Guidance cannot anticipate every possible scenario or set of circumstances that may arise and, as long as licensing authorities have properly understood this Guidance, they may depart from it if they have good reason to do so and can provide full reasons.
- 4.4.3 Departure from the Guidance could give rise to an appeal or judicial review, and the reasons given will then be a key consideration for the courts when considering the lawfulness and merits of any decision taken.

4.5 **Manchester Statement of Licensing Policy**

- 4.5.1 Section 4 of the 2003 Act provides that, in carrying out its functions, a licensing authority must ‘have regard to’ its statement of licensing policy.
- 4.5.2 The Licensing Policy sets out the vision the licensing authority has for the regulation of licensed premises throughout Manchester and outlines the standards expected in order to ensure the promotion of the licensing objectives in the city. The Panel may depart from the policies should it consider doing so would benefit the promotion of the licensing objectives. Reasons are to be given for any such departure from the Policy.
- 4.5.3 Section 4 of the Policy (Operation of the Policy) sets out how the Licensing Policy is intended to be used in practice for licence applications and licensed premises.
- 4.5.4 Where the authority considers that to impose on the TEN one or more of the conditions from a premises licence or club premises certificate in force at the premises (insofar as such conditions are not inconsistent with the event) is appropriate for the promotion of the licencing objectives, the policy is to give notice to the premises user that includes a statement of the conditions imposed. Copies of this notice will be provided for GMP and LOOH.
- 4.5.5 Where, following any representations at the hearing, the licensing authority is not satisfied the event will ensure the promotion of the licensing objectives, the policy is to issue a counter-notice against the Temporary Event Notice.

5. **Conclusion**

- 5.1 A licensing authority must carry out its functions under this Act (“licensing functions”) with a view to promoting the licensing objectives:
- the prevention of crime and disorder
 - public safety;
 - the prevention of public nuisance; and
 - the protection of children from harm.

- 5.2 In considering the matter, the Panel should take into account any objections that have been received from GMP or LOOH, and representations made by the applicant or premises user as the case may be. In reaching the decision, regard must also be had to relevant provisions of the national guidance and the Council's licensing policy statement.
- 5.3 Having regard to the objection notice(s), the panel must give the premises user a counter notice if it considers it appropriate for the promotion of a licensing objective to do so.
- 5.4 If the panel decides not to give a counter notice the panel may impose one or more conditions on the TEN if –
- the authority considers it appropriate for the promotion of the licensing objectives to do so,
 - the conditions are also imposed on a premises licence or club premises certificate that has effect in respect of the same premises, or any part of the same premises, as the temporary event notice, and
 - the conditions would not be inconsistent with the carrying out of the licensable activities under the temporary event notice.
- 5.5 All licensing determinations should be considered on the individual merits of the notification.
- 5.6 The Panel's determination should be evidence-based, justified as being appropriate for the promotion of the licensing objectives and proportionate to what it is intended to achieve. Findings on any issues of fact should be on the balance of probability.
- 5.7 It is important that a licensing authority should give comprehensive reasons for its decisions in anticipation of any appeals. Failure to give adequate reasons could itself give rise to grounds for an appeal.
- 6. The Panel is asked to determine the temporary event notice.**

Licensing & Out of Hours Compliance Team - Objection

Objection
<p>Outline your objection regarding the above application below. This objection should describe the likely effect of the grant of the licence/certificate on the licensing objectives and on the vicinity of the premises.</p> <p>The Licensing and Out of Hours Team (LOOH) have assessed the likely impact of this Temporary Event Notice taking into account a number of factors, including the nature of the area, the current environment, hours applied for and any potential risk that the Temporary Event could lead to issues of crime and disorder, public nuisance and public safety. Considerations have been also made in respect of the current rising Coronavirus infection rates especially in Manchester.</p> <p>Restrictions on gatherings have been implemented in Manchester, and now across England due to rising coronavirus infection rates. Gatherings between different households are of particular concern and are increasing transmission rates.</p> <p>Manchester has been experiencing an increase in the number and rate of new cases of the Coronavirus (COVID-19) over the past months and a significant increase in the past weeks, such that the local authority is now on the government's watchlist and on 'red alert'. This indicates that the rate of increase in new cases of COVID-19 in Manchester is amongst the highest in England. Local data suggests that the majority of new cases of COVID-19 are occurring in the community, rather than in communal establishments, such as residential care or nursing homes. We also know that an increasing proportion of new cases of COVID-19 are in younger people.</p> <p>These two factors combined mean that hospitality settings have the potential to be a particularly potent source of transmission for COVID-19 if these premises are not managed in a way that is compliant with the current regulations.</p> <p>The Temporary Event Notice describes the event, for 200 people, as 'A socially distanced outdoor beer festival with max 6 people from the same household/social bubble'. The applicant however provides no clarification as to the meaning of a 'social bubble'. Given rates of new COVID-19 cases are</p>

rising at an exponential rate, this application provides no detail as to how the applicant intends to implement appropriate social distancing controls, manage groups at the event, provide suitable measures to control the spread of COVID-19, adopt a suitable method of track and trace including the NHS QR code, nor has an appropriate risk assessment been provided.

Overall the Licensing & Out of Hours Team believe the applicant does not have sufficient control measures in place in order to ensure this event does not lead to an increase in infections of COVID-19 amongst the 200 proposed attendees and subsequently across the wider community.

We therefore object to this Temporary Event Notice.

Recommendation: Object Temporary Event Notice

By virtue of paragraph(s) 3 of Part 1 of Schedule 12A
of the Local Government Act 1972.
