Description

REN-1637-21-0306-C possible breach covid rules what would you like to tell us about? Good Afternoon.

Unfortunately this business are continuing to trade despite lock-down rules, and receiving a visit from Gulf yesterday, when an incident occurred resulting in a Police Officer being assaulted. They were open this morning, and are planning to open tomorrow morning from 08.30am. I have information to suggest it will be a mass gathering of over 50 people in attendance, and people are being urged not to wear masks or practice social distancing. For obvious reasons, these people need to be dispersed. They are making a mockery of the law, and endangering the health of the greater public.
