Following the service of additional information on the 4th November 2021. A further visit was made to the premises on the 5th November. This visit was to give the premises licence holder a hard copy of the additional information.

During the visit it was established that licence conditions were in breach and not being complied with. Herbal Tobacco for Smoking was also on display in the shop. The tobacco was not displaying the correct labelling and was therefore seized under the Tobacco and Related Products Regulations 2016.
