In December 2017, the council adopted Manchester Playing Pitch Strategy (2017-2021) which set out the framework for investment into playing pitch and outdoor facility improvements. The updated Playing Pitch and Outdoor Sport Strategy 2022-2031 (PPOSS) builds upon the preceding strategy and whilst no substantial changes have been identified, there are some important updates to analysis that guides the strategic framework for improvement of existing playing pitch and accompanying ancillary facilities up to 2031.

This report provides an update on the key strategy findings, sport specific and strategic recommendations which apply across the outdoor sporting infrastructure, and short-term action plan to be taken forward with partners over the next 18-month period.
