Constitution of the Council – October 2018
 Report of the Chief Executive to Personnel Committee, 29 January 2019 – ‘Senior Management Capacity Review’

Background

1. Section 9P of the Local Government Act 2000, as amended, requires a local authority which is operating executive arrangements to prepare and keep up-to-date a Constitution which contains a copy of the authority's standing orders for the time being. The City Solicitor is required to monitor and review the operation of the Constitution on an on-going basis, and, where necessary, bring forward amendments to the Council.
2. In previous years a fully revised draft version of the Constitution has been presented to the Council for consideration at its Annual Meeting. This has meant that the version of the Constitution presented at the meeting may not fully reflect changes to the Council's governance arrangements that are often decided at or shortly after the time of the Annual Meeting, thus necessitating later in-year revision of the Constitution.
3. This year only a partial revision of the Constitution is presented to the Council at its Annual Meeting for approval, focused on taking into account the particular matters detailed in paragraphs 6 to 10 below. A fully revised version of the Constitution will be brought before Council at its meeting in October. It is proposed that in future years the October meeting of the Council will be the usual meeting for consideration of a fully revised version of the Constitution.
4. It should be noted that under the Leader and Cabinet form of executive, responsibility for the delegation of executive functions, including those local choice functions which the Council has designated as executive functions, does not rest with the Council, but is the responsibility of the Leader. The Leader may determine to exercise executive functions personally or to delegate their discharge to the Executive, a Committee of the Executive, an Executive Member, an area committee or an officer of the Council (without prejudice to the Leader's ability to exercise such functions personally). Where the Leader delegates the exercise of functions to the Executive it may in turn delegate to officers. In these circumstances, the recommended delegations of executive functions as set out in the attached revised Part 3, Section F of the Constitution (Scheme of Delegation to Officers) are for the purpose of information only.
5. The main amendments to the Constitution are summarised below. New wording appears in bold in the attached revised Parts of the Constitution.

Changes to Senior Management Arrangements and the Scheme of Delegation

6. A report to Personnel Committee on 29 January 2019 detailed proposals to realign senior leadership capacity, in the context of impending vacancies in the Strategic Management Team and below, together with the need to develop wider leadership capacity and resilience. The Personnel Committee agreed certain proposals, as previously reported to Council, and made recommendations to Council in respect of the creation of the new senior management posts of Deputy Chief Executive and City Treasurer, Strategic Director (Neighbourhoods) and Director of Policy, Performance and Reform.

The Council agreed those recommendations at its meeting on 30 January 2019.

7. The attached revised versions of Part 3, Section F (Scheme of Delegation to Officers) and Part 8 (Management Structure) of the Constitution are amended to reflect the changes brought about as a result of the proposals contained in the 29 January 2019 report to Personnel Committee. Certain other changes to the Council's management structure are also reflected, along with some other minor amendments.
8. In addition to seeking the Council's approval of the abovementioned revised Parts of the Constitution this report also seeks the Council's agreement for the City Solicitor to make any consequential amendments to other Parts of the Constitution. This would include, for example, changing references to the "City Treasurer" to the "Deputy Chief Executive and City Treasurer" and references to the "Chief Operating Officer – Neighbourhoods" to the "Strategic Director (Neighbourhoods)".

Changes to the Order of Business at Ordinary Meetings of the Council

9. Rule 13.4 of the Council Procedure Rules sets out the order of business at ordinary meetings of the Council. Currently Notices of Motion submitted under Rule 14.1 are listed as the eleventh item of business. As a consequence, it is not uncommon at ordinary Council meetings for a Motion Without Notice to be moved to bring the standing item concerning Notices of Motion to an earlier position in the order of business of the meeting.
10. To streamline the business of the Council it is proposed that Rule 13.4 of the Council Procedure Rules be amended to change the order of business at ordinary meetings of the Council so that the item concerning Notices of Motion becomes the fifth item (therefore immediately following approval of the minutes of the last meeting). The attached revised version of Part 4, Section A of the Constitution (Council Procedure Rules) is revised accordingly.

Recommendations

11. The recommendations are set out at the beginning of this report.

 - 1.2 the Constitution, the Council's Register of the Delegation of Executive Functions, Standing Orders and Financial Regulations of the Council.
 - 1.3 the revenue and capital budgets of the Council, subject to any variation thereof which is permitted by the Council's financial regulations.
2. Officers may not exercise delegated powers where -
 - 2.1. the matter is reserved to the Council by law or by the Council's Constitution.
 - 2.2. the matter is a function which cannot by law be discharged by an officer.
 - 2.3. the Council, a Committee or Sub-committee (in the case of a non-executive function), or the Leader or the Executive (in the case of an executive function), has determined that the matter should be discharged otherwise than by an officer.
 - 2.4. the relevant Executive Member or the Leader of the Council (in the case of an executive function) has directed that the matter should be referred to the Executive or the appropriate committee or sub-committee for determination.
 - 2.5. the Chief Executive has directed that the officer concerned should not exercise a delegated function in special circumstances.
3. Subject to 1 above, officers may not exercise delegated powers in a way contrary to the policies and plans approved by or on behalf of the Council.
4. Before exercising delegated powers, particularly on matters involving the reputation of the Council, officers should consider the advisability of consulting the Chief Executive or the appropriate Chief Officer and/or the appropriate Executive Member.
5. Before exercising delegated powers, on matters of significance to a particular ward or wards, officers should consult, where practicable, the relevant ward councillors.

6. The delegated powers of officers set out in this Scheme may be exercised by other officers authorised by the Officer with the delegated power to act on their behalf and in their name, provided that those officers report directly or indirectly to the officer with the delegated power and that administrative procedures are in place to record the authorisation and to record and monitor decisions so taken.
7. Any reference in this Scheme of Delegation to any enactment shall include a reference to any amendment to or re-enactment of the same.
8. For the purposes of this Scheme, except where expressly provided otherwise, the term "Chief Officer" will be defined as those officers defined as such in Part 8 of this Constitution. "Non-Statutory Chief Officer" shall have the same meaning as in the Officer Employment Procedure Rules in Part 4 Section F of this Constitution. "Chapter 3A Officer" means any of those officers included in Chapter 3A of this Scheme.
9. Where an officer has delegated authority to discharge functions by virtue of any other provision of this Constitution or a specific decision of the Council, a committee, a sub-committee (in the case of a non-executive function) or the Leader or the Executive (in the case of an executive function) whether made before or after the adoption of this Scheme, the absence of that delegation from this Scheme shall not be treated as preventing the exercise of that delegation.
10. Where an officer in exercise of delegated authority takes an Executive decision, a record of that decision must be made in accordance with Rule 22 of the Access to Information Procedure Rules in Part 4 Section B of this Constitution. In addition, where that Executive decision is also a "key decision" (as defined in Rule 15 of the Access to Information Procedure Rules) the officer must ensure that the particular publicity and procedural requirements relating to key decisions are met.
- 10A Where an officer in exercise of delegated authority takes a non-Executive decision, a record of that decision must be made in accordance with Rule 23 of the Access to Information Procedure Rules (where the non-Executive decision is of a type that is covered by that Rule).
11. Where, in relation to an item before the Council, the Executive, a Committee, or a Sub-Committee, an officer is given specific authority to determine a particular matter, the officer should ensure that there is an appropriate audit trail to evidence such determination.
12. Where an officer has delegated authority to discharge functions in consultation with an Executive member, in the absence of that Executive member the officer may discharge such function in consultation with the Leader instead (or in the Leader's absence, in cases of urgency, with the Deputy Leader).

13. Where the delegation provides for discharge of a function in consultation with the Leader, in the absence of the Leader the officer may discharge the function in case of urgency in consultation with the Deputy Leader instead.
14. Where an officer who is not a Chief Officer (as defined in Part 8 of this Constitution) has delegated authority to discharge a function ("the delegated function") by virtue of this Constitution, the relevant Chief Officer in relation to that officer or post may discharge the delegated function where that officer is unable to act, through absence or otherwise, or where the post with the delegated function is vacant or has been disestablished.
15. The delegations in this Scheme of Delegation include the discharge of both executive and non-executive functions.
16. The Scheme describes particular functions as executive functions and non-executive functions for illustrative purposes only, and misattribution of a function as executive or non-executive shall not be treated as preventing the exercise of the delegation.

1.0 Introduction

- 1.1 Not all of the locations used as polling places in the Local Election on 2 May are also available at short-notice for use for the European Parliamentary Elections on 23 May. Where a polling place was not available to Chief Executive used delegated powers to re-designate an alternative.

2.0 The designation of polling districts, polling places and polling stations

- 2.1 The designation of the city's polling districts and polling places within them is the responsibility of the Council and the relevant functions are delegated to the Constitutional and Nomination Committee in the Scheme of Delegation. This includes the Council's duties under the Representation of the People Act 1983 to divide constituencies into polling districts and the power to divide wards into polling districts at local elections.
- 2.2 On occasion, it may be necessary to change the designation of a polling place outside the statutory review process or meeting of the Constitutional and Nomination Committee. This usually occurs as a result of premises being closed or unexpectedly becoming unavailable, often at short notice, or if an unscheduled poll takes place. Authority is delegated to the Chief Executive to make, where necessary, alterations to the designation of any polling place in such circumstances, in consultation with group leaders, ward Councillors and the Chair of Constitutional and Nomination Committee, as agreed by the Council in January 2018 (Minute CC/18/11).

3.0 Changes necessary for the European Parliamentary Elections

Ward / District – Cheetham, Deansgate 1CTB/1DGA

- 3.1 As a result of the short notice given for the European Parliamentary Elections the Electoral Services Unit was unable to secure a booking for the polling station currently designated for the 1CTB / 1DGA polling district located at The Park Inn, Cheetham Hill Road. It has not been possible to secure a polling place within either of the polling districts. However, an alternative polling place for the EPE only has been identified at Manchester Cathedral Visitors Centre. Although it is located in the adjoining polling district 2DGC, it is in a well-known location and is accessible to all electors. Having consulted the relevant Councillors, the Chief Executive made the decision to re-designate on a temporary basis this polling place for the EPE only.

Ward / District - Chorlton Park - 4CPA

- 3.2 As a result of the short notice given for the European Parliamentary Elections the Electoral Services Unit was unable to secure a booking for the polling place currently designated for the 4CPA polling district which is at Loreto High School. Exams are taking place in the school at this time. Unfortunately the Maris Centre on the same site is also not available for use. An alternative location, for the EPE only, has been identified as the Function Room located within Sai Spice Indian Restaurant on Mauldeth Road West. This is on the

ground floor, is accessible to electors and has some parking available outside. Having consulted the relevant Councillors, the Chief Executive made the decision to re-designate on a temporary basis this polling place for the EPE only.

Ward / District - Didsbury West - 4DWE

- 3.3 As a result of the short notice given for the European Parliamentary Elections the Electoral Services Unit was unable to secure a booking for the polling place currently designated for the 4DWD polling district located at St James and Emmanuel Church Parish Centre. An alternative location, for the EPE only, has been identified as Ivy Church Manchester, which is also the polling place for 4DWE. The building is well known to local residents and has enough space to accommodate both stations. Having consulted the relevant Councillors, the Chief Executive made the decision to re-designate on a temporary basis this polling place for the EPE only.

Ward / District - Fallowfield – 3FAD

- 3.4 As a result of short notice given for the European Parliamentary Elections the Electoral Services Unit was unable to secure a booking for the polling place currently designated for the 3FAD polling district located at the Armitage Centre. An alternative location, for the EPE only, was identified at Owens Park. This polling place is already used by electors in polling district 3FAE. There is enough room for all electors from both polling districts to use this polling place and the building is well known to all electors in the area. Having consulted the relevant Councillors, the Chief Executive made the decision to re-designate on a temporary basis this polling place for the EPE only.

4. Polling Places shown on Poll Cards

- 4.1 Given the overlap of the legal timetables for the Local Election and the EPE, the poll cards for the European Parliamentary Elections had to be sent out whilst the Local Election campaigning was underway. In order to allow the re-designations to take place and to stop electors being confused by multiple poll cards, and so perhaps going to vote in the wrong polling places for the local elections, where necessary a holding message was added to the poll cards for the EPE. This informed the electorate that their polling station was not yet confirmed and that a further poll card would be sent providing these details.

5. Recommendations

- 5.1 Recommendations appear at the front of the report.
