

PlanTitle

FOR THE PERIOD STARTVALIDDATE TO ENDVALIDDATE

The Register of Non Key (Significant) Decisions details decisions that do not meet the threshold of being a Key Decision but are considered to be of a significant nature and in the public interest to be published on the Council's website.

As these decisions are non key, they are not required to be published 28 days prior to the decision being taken nor are they subject to Call In.

Joanne Roney OBE
Chief Executive
