Considerations

In determining the application, the Sub-Committee must give appropriate weight to:

- a) the steps that are appropriate to promote the licensing objective(s);
- b) the representations (including supporting information) presented by all the parties;

In determining the application, the Sub-Committee must also have regard to:

- c) the s182 Guidance to the Licensing Act 2003 by the Home Secretary;
- d) Manchester City Council's Statement of Licensing Policy
- e) The Licensing Act 2003 and the regulations made there under
- f) Licensing Objectives

Reasons should be given for any departure from c and d above.

New premises licence

The Sub-Committee must take such of the steps under section 17(4) of the Licensing Act 2003 (if any), that it considers appropriate for the promotion of the licensing objectives. The steps are:

1. To grant the licence subject to:
 - a) the conditions consistent with the operating schedule accompanying the application, modified to such extent as the authority considers appropriate for the promotion of the licensing objectives, and
 - b) any mandatory conditions that must be included in the licence
2. To exclude from the scope of the licence any of the licensable activities to which the application relates;
3. To refuse to specify the person proposed in the application as the designated premises supervisor;
4. To reject the application.

The conditions of the licence are modified if any of them is altered or omitted or any new condition is added. Modification of the condition of the premises licence includes restricting the times at which licensable activities authorised by the licence can take place.

Where the Sub-Committee consider that none of the above steps are appropriate for the promotion of the licensing objectives, the application should be granted in the terms applied for.

Summary of representations

Please be advised that the below is a summary of representations received only. Copies of the representations are included at the back of this document for members and other interested parties to refer to as necessary.

PC Alan Isherwood on behalf of Greater Manchester Police (GMP)

GMP object to the premises licence application on the grounds of prevention of crime and disorder , prevention of public nuisance, public safety and the protection of children from harm.

The operating schedule which accompanies the application offers nothing in terms of conditions which show how the four licensing objectives will be upheld.

It gives the impression that the applicant has a limited understanding of the Licensing Objectives, which raises concerns about how the premises will be operated.

We therefore ask that this application is refused.

Gary Cook on behalf of the Licencing and Out of Hours (LOOH) team

the Licensing and Out of Hours team have concerns that the applicant has not provided any information in the operating schedule as to how they intend to uphold the Licensing Objectives. The only information provided under section M of the application states "Nothing beyond existing Health and Safety / Fire Safety requirements.

This lack of information demonstrates that the applicant may not have sufficient understanding of the requirements of operating a licenced premises, particularly in promoting the four licensing objectives under the Licensing Act 2003.

We therefore ask that this application is refused.

Ivor Parry on behalf of Trading Standards

The Trading Standards Service feels that the operating schedule in the application is not detailed enough with regards to how the premises is going to promote the licensing objective of the protection of children from harm. Suffice to say there is no detail at all.

We have concerns that the applicant may not have sufficient knowledge or understanding of what is required to operate a licensed premises in this case a restaurant.

We would therefore ask that the application be refused.

Your Representation

Please outline your representation below and continue overleaf. This should describe the likely effect of the grant of the licence on the licensing objectives on and in the vicinity of the premises in question.

Please accept this as formal notification of the Greater Manchester Police objection to the premises licence in relation to the above premises on the grounds of Prevention of Crime and Disorder and the Prevention of Public Nuisance, Public Safety and the Protection of Children from Harm.

The operating schedule which accompanies the application offers nothing in terms of conditions which show how the 4 Licensing Objectives will be upheld.

It gives the impression that the applicant has a limited understanding of the Licensing Objectives, which raises concerns about how the premises will be operated.

We therefore ask that this application is refused.

The Licensing and Out of Hours (LOOH) team have assessed the likely impact of the grant of this application taking into account a number of factors, including the nature of the area in which the premises is located and any potential risk the granting of this licence could lead to issues of public nuisance.

As a result of this assessment the Licensing and Out of Hours team have concerns that the applicant has not provided any information in the operating schedule as to how they intend to uphold the Licensing Objectives. The only information provided under section M of the application states "Nothing beyond existing Health and Safety / Fire Safety requirements.

This lack of information demonstrates that the applicant may not have sufficient understanding of the requirements of operating a licenced premises, particularly in promoting the four licensing objectives under the Licensing Act 2003.

Considerations

In determining the application, the Sub-Committee must give appropriate weight to:

- a) the steps that are appropriate to promote the licensing objective(s);
- b) the representations (including supporting information) presented by all the parties;

In determining the application, the Sub-Committee must also have regard to:

- c) the s182 Guidance to the Licensing Act 2003 by the Home Secretary;
- d) Manchester City Council's Statement of Licensing Policy
- e) The Licensing Act 2003 and the regulations made there under
- f) Licensing Objectives

Reasons should be given for any departure from c and d above.

Variation of a premises licence

The Sub-Committee must take such of the steps under section 35(4) of the Licensing Act 2003 (if any), that it considers appropriate for the promotion of the licensing objectives. The steps are:

1. To modify the conditions of the licence;
2. To reject the whole or part of the application;

The conditions of the licence are modified if any of them is altered or omitted or any new condition is added. Modification of the conditions of the premises licence includes restricting the times at which licensable activities to be varied through the application can take place.

Where the Sub-Committee consider that none of the above steps are appropriate for the promotion of the licensing objectives, the application should be granted in the terms applied for.

Summary of representations

Please be advised that the below is a summary of representations received only. Copies of the representations are included at the back of this document for members and other interested parties to refer to as necessary.

Two local residents believe that the granting of this licence variation application, would lead to issues with public nuisance (litter and noise), public safety (already issues with broken glass within this area), crime and disorder (due to the close proximity of residential properties there is a possible risk of crime and anti-social behaviour), protection of children from harm (local children use the side alley as a play area and also as access to local schools and residential properties).

Notes for Guidance

This application cannot be used to vary the licence so as to extend the period for which the licence has effect or to vary substantially the premises to which it relates. If you wish to make that type of change to the premises licence, you should make a new premises licence application under section 17 of the Licensing Act 2003.

1. You do not have to pay a fee if the only purpose of the variation for which you are applying is to avoid becoming liable for the late night levy
2. Describe the premises. For example, the type of premises, its general situation and layout and any other information which could be relevant to the licensing objectives. Where your application includes off-supplies of alcohol and you intend to provide a place of consumption of these off-supplies of alcohol, you must include a description of where the place will be and its proximity to the premises.
3. In terms of specific regulated entertainments please note that:
 - Plays: no licence is required for performances between 08.00 and 23.00 on any day, provided that the audience does not exceed 500.

 - Boxing or Wrestling Entertainment: no licence is required for a contest, exhibition or display of Greco-Roman wrestling, or freestyle wrestling between 08.00 and 23.00 on any day, provided that the audience does not exceed 1000. Combined fighting sports – defined as a contest, exhibition or display which combines boxing or wrestling with one or more martial arts – are licensable as a boxing or wrestling entertainment rather than an indoor sporting event.
 - Live music: no licence permission is required for:
 - a performance of unamplified live music between 08.00 and 23.00 on any day, on any premises.

Subject: Licence Application objection: Ref 217412/BJ1
To: "premises.licensing@manchester.gov.uk" <premises.licensing@manchester.gov.uk>

Dear Sirs,

We write in order to object to the granting of the application ref 217412/BJ1 in respect of premises licence variation address Carringtons, [322 Barlow Moor Road, Manchester, M21 8AY](#).

I am a person with greater interest than the general public being someone who lives within 20 foot of the premises with a back alley way leading directly to the premises.

I object for the following reasons:

CRIME AND DISORDER

As alcohol will be served and consumed on the premises the likelihood of drunk and disorderly behavior and criminal damage increases significantly in a highly populated residential area. In addition, Norbreck Avenue is the only alley way which borders Chorlton Park to be without alley gates.

Alley gates are renowned burglary prevention tool and act as a great deterrent to prevent other crimes such as littering and anti social behavior by preventing access to alleys by non residents and better controlling of space. Without alley gates the residents of homes adjacent to the alley will be left vulnerable to littering anti social or drunken behavior.

I do not consider the proposed CCTV facility will have the effect of preventing criminal behavior as stated in the application as due to recent GDPR legislation coming into effect the CCTV monitoring cannot extend as suggested due to the encroachment on residents property/ gardens.

PUBLIC NUISANCE

There is already a significant issue with litter in this area due to the other businesses in operation in the immediate vicinity such as McDonalds, Maserati Garage, Molasses and the high volume of residential flats and houses directly next to this area.

The proposed notices requesting customers to leave in a quiet manner is insufficient and unenforceable. The exit of Carringtons leads directly onto an alleyway which borders a number of residential properties gardens with low walls.

The recent TEN application granted for Carringtons in which a pop up Korean kitchen was operated highlighted our concerns only to well as the event was noisy, there was increased littering and drunken behaviour (singing) which could be heard in the houses.

PUBLIC SAFETY

A garage operated next door to the premises regularly has cars coming and going and the area is already congested due to cars being parked. This thoroughfare which would be the exit point for Carrintons customers is also the main entrance for a number of residential apartments and so cars are regularly in and out of this area creating a public safety issue particularly when consumers are under the influence of alcohol.

There is a current issue with an excessive and dangerous amount of broken glass in this area and there is a concern that this issue will be exacerbated by the granting of this application.

PROTECTION OF CHILDREN FROM HARM

Carringtons borders the main ginnel running up to Chorlton Park and this is used extensively by school age children as a direct access to Chorlton High School, Loretto High School and Chorlton Park Primary School.

Local children also use this area for playing games and to access in and out of their gardens which will be compromised if the application is granted.

We trust you will give our concerns due consideration.

Best wishes,
Jennifer Kennedy and Claire Owens

Considerations

In determining the application, the Sub-Committee must give appropriate weight to:

- a) the steps that are appropriate to promote the licensing objective(s);
- b) the representations (including supporting information) presented by all the parties;

In determining the application, the Sub-Committee must also have regard to:

- c) the s182 Guidance to the Licensing Act 2003 by the Home Secretary;
- d) Manchester City Council's Statement of Licensing Policy
- e) The Licensing Act 2003 and the regulations made there under
- f) Licensing Objectives

Reasons should be given for any departure from c and d above.

New premises licence

The Sub-Committee must take such of the steps under section 17(4) of the Licensing Act 2003 (if any), that it considers appropriate for the promotion of the licensing objectives. The steps are:

1. To grant the licence subject to:
 - a) the conditions consistent with the operating schedule accompanying the application, modified to such extent as the authority considers appropriate for the promotion of the licensing objectives, and
 - b) any mandatory conditions that must be included in the licence
2. To exclude from the scope of the licence any of the licensable activities to which the application relates;
3. To refuse to specify the person proposed in the application as the designated premises supervisor;
4. To reject the application.

The conditions of the licence are modified if any of them is altered or omitted or any new condition is added. Modification of the condition of the premises licence includes restricting the times at which licensable activities authorised by the licence can take place.

Where the Sub-Committee consider that none of the above steps are appropriate for the promotion of the licensing objectives, the application should be granted in the terms applied for.

Summary of representations

Please be advised that the below is a summary of representations received only. Copies of the representations are included at the back of this document for members and other interested parties to refer to as necessary.

Licensing Out of Hours believes that the granting of this new premises licence application would, due to nearby local residential properties, lead to issues with public nuisance (noise, litter). If the licence were to be granted they would like the following conditions to be added.

1. Any persons who appears to be intoxicated or who is behaving in a disorderly manner shall not be allowed entry into the premises.
2. A documented incident log and refusals book shall be kept at the premises for at least 6 months, and made available on request to GMP or an authorised officer of the licensing authority.
3. All staff shall be trained on 'Challenge 25', conflict management, and the laws relating to underage sales, training will be documented and repeated at 6 monthly intervals.
4. Staff shall monitor customers smoking outside the premises on a regular basis and ensure patrons do not cause a public nuisance. A dispersal and smoking policy will be implemented and adhered to.
5. No noise shall emanate from the premises nor vibration be transmitted through the structure of the premises that gives rise to a nuisance
6. Patrons permitted to leave and re-enter the premises shall not be permitted to take drinks with them.
7. Regular safety checks shall be carried out by staff.
8. The exterior of the building shall be cleared of litter at regular intervals.
9. Notices will be positioned at the exits to the buildings requesting customers to leave in a quiet manner
10. The emptying of bins into skips, and refuse collections will not take place between 2300 and 0700.

It is also requested that, the last hours of sale for food and alcohol should be 0130 to allow for a drinking up time.

On the 12/09/2018, LOOH and the applicant agreed to all requested conditions and the amendment of times of 0130 for last sales to cease.

Greater Manchester Police believe that the granting of this new premises licence application would lead to issue with public nuisance, public safety, crime and disorder and the protection of children from harm (conditions proffered by the applicant need to be more robust). If the licence were to be granted they would like the following conditions to be added.

1. The premises shall install and maintain a comprehensive digital colour CCTV system. All public areas of the licensed premises, including all public entry and exit points. The CCTV cameras shall continually record whilst the premises are open to the public and recording shall be kept available and unedited for a minimum of 28 days with the date and time stamping. A staff member who is conversant with the operation of the CCTV system shall be present on the premises at all times when they are open to the public and must be able to produce / download / burn CCTV images upon request by a police officer or an authorised officer of the licensing authority. Any footage must be in a format so it can be played back on a standard personal computer or standard DVD player. Where the recording is on a removable medium (i.e. compact disc, flash card etc.), a secure storage system to store those recording mediums shall be provided.
2. An incident log (which may be electronically recorded) shall be kept at the premises for at least six months, and made available on request to the Police or an authorised officer of the licensing authority, which will record the following incidents including pertinent details:
 - (a) all crimes reported to the venue, or by the venue to the Police
 - (b) all ejections of patrons
 - (c) any incidents of disorder
 - (d) any faults in the CCTV system
 - (e) any visit by a relevant authority or emergency service
3. The Designated Premises Supervisor shall ensure that a written notice of authority is kept at the premises for all staff who sell alcohol. The notice shall be made available for inspection upon request of the police or an authorised officer of the licensing authority and all staff selling alcohol must be in possession of formal identification to enable to verify their identity against the notice.
4. The premises shall display prominent signage indicating at any point of sale, the entrance to the premises and in all areas where alcohol is located that it is an offence to buy, or attempt to buy, alcohol for a person under the age of 18.
5. In addition to any other training, the premises licence holder shall ensure all staff are trained to prevent underage sales, to be aware of and prevent proxy sales, to maintain the refusals log and monitor staff to ensure their training is put into practice. Documented records of training completed shall be kept for each member of staff. Training shall be regularly refreshed and at no greater than 6 monthly intervals.

Application Ref No	MAU 216644
Name of Premises	TBC
Address	105a Oldham Street, Manchester, M4 1LW

Representation

Outline your representation regarding the above application below. This representation should describe the likely effect of the grant of the licence/certificate on the licensing objectives and on the vicinity of the premises.

The Licensing and Out of Hours Team have assessed the application for a new premise licence for 105a Oldham Street M4 1LW. Within this area there are a number of bars and residents to factor in so as not to cause concern for Public Nuisance.

This location is in the middle of 16 licensed premises all bordering Oldham Street and Hilton Street along with a residential building. Oldham Street has significant issues in the night time economy with many people congregating outside of areas, smoking and are intoxicated. Over the past 12 months we have received in excess of 10 complaints within this area alone, reporting disturbances from licenced premises, including an ongoing case with a nearby premises.

This premises wishes to serve food between the hours of 0800-0200 and alcohol 1200-0200, their proposed opening hours are 0800-0200. It would be of practical interest to revise the last hours of sale for food and alcohol should be 0130 to allow for a drinking up time.

The LOOH team propose the below conditions to be upheld -

1. Any persons who appears to be intoxicated or who is behaving in a disorderly manner shall not be allowed entry into the premises.
2. A documented incident log and refusals book shall be kept at the premises for at least 6 months, and made available on request to GMP or an authorised officer of the licensing authority.
3. All staff shall be trained on 'Challenge 25', conflict management, and the laws relating to underage sales, training will be documented and repeated at 6 monthly intervals.
4. Staff shall monitor customers smoking outside the premises on a

regular basis and ensure patrons do not cause a public nuisance. A dispersal and smoking policy will be implemented and adhered to.

5. No noise shall emanate from the premises nor vibration be transmitted through the structure of the premises that gives rise to a nuisance
6. Patrons permitted to leave and re-enter the premises shall not be permitted to take drinks with them
7. Regular safety checks shall be carried out by staff.
8. The exterior of the building shall be cleared of litter at regular intervals.
9. Notices will be positioned at the exits to the buildings requesting customers to leave in a quiet manner
10. The emptying of bins into skips, and refuse collections will not take place between 2300 and 0700.

Considerations	1

Representations received	24

Considerations

In determining the application, the Sub-Committee must give appropriate weight to:

- a) the steps that are appropriate to promote the licensing objective(s);
- b) the representations (including supporting information) presented by all the parties;

In determining the application, the Sub-Committee must also have regard to:

- c) the s182 Guidance to the Licensing Act 2003 by the Home Secretary;
- d) Manchester City Council's Statement of Licensing Policy
- e) The Licensing Act 2003 and the regulations made there under
- f) Licensing Objectives

Reasons should be given for any departure from c and d above.

New premises licence

The Sub-Committee must take such of the steps under section 17(4) of the Licensing Act 2003 (if any), that it considers appropriate for the promotion of the licensing objectives. The steps are:

1. To grant the licence subject to:
 - a) the conditions consistent with the operating schedule accompanying the application, modified to such extent as the authority considers appropriate for the promotion of the licensing objectives, and
 - b) any mandatory conditions that must be included in the licence
2. To exclude from the scope of the licence any of the licensable activities to which the application relates;
3. To refuse to specify the person proposed in the application as the designated premises supervisor;
4. To reject the application.

The conditions of the licence are modified if any of them is altered or omitted or any new condition is added. Modification of the condition of the premises licence includes restricting the times at which licensable activities authorised by the licence can take place.

Where the Sub-Committee consider that none of the above steps are appropriate for the promotion of the licensing objectives, the application should be granted in the terms applied for.

Your Representation

Please outline your representation below and continue overleaf. This should describe the likely effect of the grant of the licence on the licensing objectives on and in the vicinity of the premises in question.

Please accept this as formal notification of the Greater Manchester Police objection to the premises licence in relation to the above premises on the grounds of Prevention of Crime and Disorder and the Prevention of Public Nuisance, Public Safety and the Protection of Children from Harm.

The premises have offered several conditions within the operating schedule but they haven't offered a doorstaff condition, which we believe is necessary during the weekend and on certain other occasions, as the village gets extremely busy during this time with drunken revellers.

If this premises licence was granted we would ask that the following condition is attached to the premises licence.

On Friday, Saturday, any day preceding a Bank Holiday and throughout the entire Pride Festival SIA registered doorstaff shall be employed at the premises at a ratio of 1:100 from 2100 hours until 30 minutes after closing, to assist with the orderly dispersal of customers. At all other times the requirement for door staff shall be risk assessed by the DPS. When employed doorstaff shall wear hi-visibility armbands.

Representation

Outline your representation regarding the above application below. This representation should describe the likely effect of the grant of the licence/certificate on the licensing objectives and on the vicinity of the premises.

The Licensing and Out of Hours team have assessed the likely impact of the granting this license, taking into account a number of factors, including the nature of the area in which the premises is located, the hours applied for and any potential risk that the granting of this licence could lead to issues of public nuisance and children being at harm.

The premises is located on Canal street which is extremely busy with the public and forms a major part of the cities late night economy. The area currently has a range of crime associated with it, such as waste issues, begging, squatting and noise nuisance and personal theft.

The applicant has proposed a number of conditions in the operation schedule, most of which are outlined correctly, however LOOH believe that the conditions are not robust or thorough enough to uphold the licensing objectives. The outlined conditions have been replaced with the following to ensure the licensing objective will be upheld.

- Documented records of training completed shall be kept for each member of staff. Training shall be regularly refreshed and at no greater than 6 monthly intervals. Training records shall be made available for inspection upon request by a police officer or an authorised officer of Manchester City Council.
All staff shall be trained in:
 - relevant age restrictions in respect of products, recognising signs of drunkenness
 - how to refuse service
 - the premises' duty of care
 - company policies and reporting procedures

- action to be taken in the event of an emergency
- including the preservation of a crime scene and reporting an incident to the emergency services and the conditions in force under this licence.

to me

Dear Sirs,

I am instructed on behalf of my client, G-A-Y Group Limited, to raise an objection to the above application.

My client occupies the licensed premises named G-A-Y Manchester located at 63 Richmond Street, Manchester, M1 3WB which is at the end of Canal Street.

They are objecting on the grounds of prevention of public nuisance as they are aware that the applicant has been illegally fly tipping in the area. In addition, there is a strong smell of cooking food in the staff room and office of my client's premises which leads them to believe that the applicant is not using the appropriate sized extractor fans for its operations and is causing air pollution as a result.

They have serious concerns that this operation will continue to damage the local area and cause a public nuisance to both customers and other operators within the Canal Street locale and also to the local Council due to the fly tipping which is currently taking place.

They would ask that the application be refused on these grounds.

Yours faithfully

Commercial and Business Affairs Consultants

Considerations

In determining the application, the Sub-Committee must give appropriate weight to:

- a) the steps that are appropriate to promote the licensing objective(s);
- b) the representations (including supporting information) presented by all the parties;

In determining the application, the Sub-Committee must also have regard to:

- c) the s182 Guidance to the Licensing Act 2003 by the Home Secretary;
- d) Manchester City Council's Statement of Licensing Policy
- e) The Licensing Act 2003 and the regulations made there under
- f) Licensing Objectives

Reasons should be given for any departure from c and d above.

Variation of a premises licence

The Sub-Committee must take such of the steps under section 35(4) of the Licensing Act 2003 (if any), that it considers appropriate for the promotion of the licensing objectives. The steps are:

1. To modify the conditions of the licence;
2. To reject the whole or part of the application;

The conditions of the licence are modified if any of them is altered or omitted or any new condition is added. Modification of the conditions of the premises licence includes restricting the times at which licensable activities to be varied through the application can take place.

Where the Sub-Committee consider that none of the above steps are appropriate for the promotion of the licensing objectives, the application should be granted in the terms applied for.

Summary of representations

Please be advised that the below is a summary of representations received only. Copies of the representations are included at the back of this document for members and other interested parties to refer to as necessary.

Licensing Out of Hours believes that the granting of this premises licence variation, would lead to issues with public nuisance (due to the close proximity to local residents, there are fears that there will be issues with noise and or disorder).

There are also ongoing issues with non-compliance of, the premises licence operating schedule (operating outside of existing licensable hours).

For these reasons they would like the application to be refused.

Greater Manchester Police believe that the granting of this premises licence variation, would lead to issues with crime and disorder, public nuisance and public safety (The premises has been found on occasion to be trading well beyond their permitted hours for many months and despite visits from both police and Manchester City council licensing staff, they continued to do so until very recently).

For these reasons they would like the application to be refused.

Notes for Guidance

This application cannot be used to vary the licence so as to extend the period for which the licence has effect or to vary substantially the premises to which it relates. If you wish to make that type of change to the premises licence, you should make a new premises licence application under section 17 of the Licensing Act 2003.

1. You do not have to pay a fee if the only purpose of the variation for which you are applying is to avoid becoming liable for the late night levy
2. Describe the premises. For example, the type of premises, its general situation and layout and any other information which could be relevant to the licensing objectives. Where your application includes off-supplies of alcohol and you intend to provide a place of consumption of these off-supplies of alcohol, you must include a description of where the place will be and its proximity to the premises.
3. In terms of specific regulated entertainments please note that:
 - Plays: no licence is required for performances between 08.00 and 23.00 on any day, provided that the audience does not exceed 500.
 - Films: no licence is required for 'not-for-profit' film exhibition held in community premises between 08.00 and 23.00 on any day provided that the audience does not exceed 500 and the organiser (a) gets consent to the screening from a person who is responsible for the premises; and (b) ensures that each such screening abides by age classification ratings.
 - Indoor sporting events: no licence is required for performances between 08.00 and 23.00 on any day, provided that the audience does not exceed 1000.
 - Boxing or Wrestling Entertainment: no licence is required for a contest, exhibition or display of Greco-Roman wrestling, or freestyle wrestling between 08.00 and 23.00 on any day, provided that the audience does not exceed 1000. Combined fighting sports – defined as a contest, exhibition or display which combines boxing or wrestling with one or more martial arts – are licensable as a boxing or wrestling entertainment rather than an indoor sporting event.
 - Live music: no licence permission is required for:
 - a performance of unamplified live music between 08.00 and 23.00 on any day, on any premises.
 - a performance of amplified live music between 08.00 and 23.00 on any day on premises authorised to sell alcohol for consumption on those premises, provided that the audience does not exceed 500.
 - a performance of amplified live music between 08.00 and 23.00 on any day, in a workplace that is not licensed to sell alcohol on those premises, provided that the audience does not exceed 500.
 - a performance of amplified live music between 08.00 and 23.00 on any day, in a church hall, village hall, community hall, or other similar community premises, that is not licensed by a premises licence to sell alcohol, provided that (a) the audience does not exceed 500, and (b) the organiser gets consent for the performance from a person who is responsible for the premises.

Premise Details	
Application Ref No	217534
Name of Premises	Victoria Inn
Address	196 Burnage Lane, Manchester, M19 1FL

Representation

The Licensing and Out of Hours Team have assessed the likely impact of a variation to this premises licence taking into account a number of factors including, the nature of the area in which the premises is located and the proximity to residential accommodation, the hours applied for, the confidence in management and any potential risk that the grant of this variation could lead to issues of public nuisance and/or disorder. All of the comments below have been in consideration of Manchester Licensing Policy 2016 -2021.

The premise is located on Burnage Lane with residential accommodation in close proximity. See map below:

The applicant has applied to extend the permitted sale of alcohol hours, premises opening times and regulated entertainment hours for recorded music and live music as specified in the application.

Licensing and Out of Hours believe that nearby residents, passers-by and the wider community would be directly affected by this application and as such wish to object. Our concerns are specifically in relation to problems with public nuisance and non-compliance with the premises licence operating schedule.

According to the records held by the Licensing Authority the current Premises Licence Holder is Punch Taverns Limited and the Designated Premises Supervisor (DPS) is Mr Philip Patrick Smyth.

Monday 13 August 2018 I, Grace Crampton called Victoria Inn to speak with Mr Smyth, the DPS. Mr Smyth was in a meeting, I left a message for Mr Smyth to return the call. I sent email advising of the noise complaint and licence inspection 29th August. Email bounced back. I have attached a copy of e-mail sent to Mr Smyth (exhibit GC1).

A letter was also sent to the Premises Licence Holder, Punch Taverns.

Wednesday 15th August 2018 Mr Smyth returned the call from 13th August. I advised that we are in receipt of a noise complaint and allegations that the premises is operating beyond the permitted hours on the Licence. Mr Smyth was under the assumption that the Premises Licence Holder, Punch Taverns had already varied the licence prior to Mr Smyth becoming the DPS. I informed Mr Smyth that no Variation had been submitted and so the premises must operate within the hours on the current licence.

I followed this telephone conversation with an email to Mr Smyth (exhibit GC2).

Monday 20th August 2018 Mr Smyth responded to the email sent on 15th August. Mr Smyth stated in this email "I have reverted to the old hours once I was made aware by yourself" (exhibit GC3).

Tuesday 21st August 2018 I sent an email to Mr Smyth to advise that the Council have received a variation of licence and reiterating that the premises must operate under the current hours. (exhibit GC4). *To date Mr Smyth has not replied to my e-mail.*

Following the correspondence with Mr Smyth, I still had concerns that this premises was continuing to operate outside the permitted hours. Because of this, the licensing and out of hours team carried out some roadside observations on the following dates::

- Wednesday 15th August 2018
- Saturday 18th August 2018
- Monday 20th August 2018
- Tuesday 21st August 2018
- Thursday 23rd August 2018
- Saturday 1st September 2018
- Sunday 2nd September 2018
- Wednesday 5th September 2018

On all these dates, the premises were observed to be operating beyond the permitted hours. Please see attached officers roadside observations. (exhibit GC5)

Consequently a decision was made to engage with the management of the premises and this was carried out on the morning of Sunday 9th September at **00:35** in company with Greater Manchester Police to keep the peace.

At **00:35** officers attended the premises. Approximately 47 Persons were inside the premises at this time.

Team lead asked to speak with the responsible person who presented themselves as Mr Philip Smyth. The officer reminded Mr Smyth about my e-mail to him regarding the opening times and the fact that he had applied for a variation of hours but this application has not yet been granted as confirmed in my e-mail to him. Mr Smyth acknowledged this.

Please see attached statement from officers who attended (GC6, GC7, GC8)

00.56 – The officers along with GMP left the premises. As officers were leaving Mr Smyth was asking customers to leave.

As this is a weekend, the premises must be closed by **00:30** hours.

For the above reasons I would recommend that this application be refused as currently the Premises Licence Holder and the Designated Premises Supervisor are not adequately upholding the licensing objectives.

Recommendation: Refuse Application

Dear Mr Smyth,

Thank you for your time a moment ago.

As discussed, Manchester City Council are continuing to receive noise complaints towards the Victoria Inn, 196 Burnage Lane most recently in the last week.

Whilst I cannot disclose where the complaints have come from, I can advise that the issues are the amplification of voices and music that is causing such a disturbance to nearby residents that it is impacting on the enjoyment of their property and sleep.

There are also reports of the premises operating past the hours of the authorisation and the patrons leaving the premises loudly. Following on from this, The Council operate an out of hours service until 04:30am. This morning 15th August at 00:10, my colleagues witnessed the premises open with patrons sat watching TV and consuming alcoholic drinks. The premises should of been closed at 23:30.

You did state to me that prior to you taking on the premises, you requested that the operating hours be changed by the brewery. I can confirm that the licensing Authority have not received a request to vary the Premises Licence and therefore you must comply with the hours stipulated under the Premises Licence 048345.

I need to make you aware that under Section 136 of the Licensing Act 2003 subsection it is an offence to carry on or attempt to carry on a licensable activity on or from any premises otherwise than under and in accordance with an 'authorisation' or knowingly allow a licensable activity to be so carried on. An authorisation includes a premises licence, club premises certificate or temporary event notice. A person guilty of these offences is liable on conviction to 6 months imprisonment or an unlimited fine.

Kindest Regards,
Grace Crampton BSc (Hons)

I am employed by Manchester City Council as a Licensing and out of Hours officer. Parts of my duties include the enforcement of **Licensing Act 2003** in relation to the offence of a **Licensed Premises operating beyond their permitted hours**.

00:20 Arrived and Caroline Sharkey Licensing and out of Hours Team Lead drove us past the premises with Gemma Smith also present in the vehicle and parked up near Bargain Shop on Burnage Lane. I got out of the car and walked towards the premises, Victoria Inn 196 Burnage Lane Manchester M19 1FL. There were 4 people outside the premises on the street smoking. Lights were on in the premises and I could see people inside through the windows

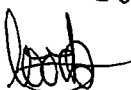

00:34 Officers Mrs Sharkey, Miss Smith and myself entered the premises with 8 Greater Manchester Police officers and approached the bar. Mrs Sharkey asked to speak to the responsible person present. Whilst this was happening I watched a female serving two black drinks in tumbler glasses, however I was unable to confirm if these contained alcohol

I then took two photographs of persons within the premises which are timestamped and I exhibit these as **GC1** and **GC2**.

The bar was full with people drinking, myself and Gemma Smith counted 47 persons inside the premises and I noted that there were at least 5 full drinks on tables.

00:56 Officers then left the premises, with people still inside drinking.

STATEMENT OF Caroline Sharkey

Age of witness: Over 18

Occupation of witness: Licensing and out of hours Team Lead.

This statement consisting of 2 pages, each signed by me and is true to the best of my knowledge and belief and I make it knowing that, if tendered in evidence, I shall be liable to prosecution if I have wilfully stated in it anything, which I know to be false or do not believe to be true.

I am employed by Manchester City Council as a Licensing and out of hours Team Lead. Parts of my duties include the enforcement of the Licensing Act 2003 legislation in relation to the offences for carrying out unauthorised licensable activities under Section 136 of the Licensing Act 2003.

At approximately 00.20 am - I drove past the premises with Gary Cook and Gemma Smith, Licensing and out of hours compliance officers. We parked on Burnage Lane and I called Sgt Harkin at approx. 00.22am for back up in case there was any issues if we attended the premises. We waited for approx. 10 minutes.

At approximately 00.34am – Mr Cook, Ms Smith and I entered the premises. I asked the female bar attendant to speak to the Designated Premises Supervisor Philip Patrick Smyth. The female pointed out to him as he was behind the bar. I asked him if we could go somewhere quiet so that I could discuss the reason for our visit. Mr Cook and Ms Smith remained in the bar with Police Officers from Greater Manchester Police to carry out the observations and collect evidence of how many people were in the bar, how many were drinking, how many drinks on table etc. I went through to the back of bar with PC 16809 Knott. I reminded Mr Smyth about Grace Crampon's e-mail of 15th August 2018 to him regarding the opening times and the fact that he had applied for a variation of hours but this application has not yet been granted as confirmed in Mrs Crampton's e-mail to him. Mr Smyth acknowledged this.

I reminded him that the premises closing times on Saturday is 00.30am and it was clear during our visit that Mr Smyth is operating beyond the permitted hours and breach of the premises operating schedule. I asked him if he could run me off the till roll. He went through to the bar and printed off the till roll. Unfortunately the till roll only showed the staff on duty and the transactions (**exhibit CS1**). Whilst I was talking to Mr Smyth, a female by the name of Ms Shannon O'Neill entered the room. She introduced herself as Mr Smyth's partner. They both said that the till roll

does not show the information of times of transactions. This information is held from the pumps and can be obtained from the Brewery who would run off the reports from the pumps.

I asked Mr Smyth to provide me details of the area manager. He provided the details of Mr Tony Riley. I explained to Mr Smyth that as it was evident that he was operating beyond the permitted hours. I had no option but to give him a caution. I read the caution out to Mr Smyth (as detailed on the front page of my pocket note book).

Ms O'Neil started explaining to me that it was very difficult for them to ask customers to leave at the busy period towards the end of the shift as they always have a lot of customers and it's very difficult for them to manage their dispersal at once. I again reminded the need to comply with the premises operating schedule and that currently they were in breach of the Premises licence requirements. They both asked what our actions will be. I said that we have now collected the evidence to review the application received for variation of premises licence and we will also consider requesting that Mr Smyth attend the Town Hall for a further interview under PACE and then we will consider the appropriate action to take after that.

I reminded Mr Smyth and Ms O'Neil that Victoria Inn is located in a residential area and the Council have received complaints about noise nuisance and premises operating beyond the permitted hours. We have a duty to investigate this. I advised them that myself or the case officer Grace Crampton will be in touch to confirm our action.

At approximately 00.56am – Mr Cook, Ms Smith and I left the premises. As we were leaving Mr Smyth was asking customers to leave.

Your Representation

Please outline your representation below and continue overleaf. This should describe the likely effect of the grant of the variation on the licensing objectives on and in the vicinity of the premises in question.

Please accept this as formal notification of the Greater Manchester Police objection to the premises licence application in relation to the above premises on the grounds of Prevention of Crime and Disorder, the Prevention of Public Nuisance and Public Safety.

The premises has been found on occasion to be trading well beyond their permitted hours for many months and despite visits from both police and Manchester City council licensing staff, they continued to do so until very recently.

Therefore the premises is closer to some form of enforcement action than it is to having an extension to its hours agreed and, until the operators of the premises have demonstrated that they can operate the premises as per the permitted hours that they already have, GMP would not support any application to extend them.

We therefore ask that this variation is refused.
