Any further documentary submissions by any party to the hearing

1. Introduction

- 1.1 On 29/10/2018, an application for the variation of an existing Premises Licence under s34 of the Licensing Act 2003 was made in respect of Whiskey Down, 18-22 Lloyd Street, Manchester, M2 5WA in the Deansgate ward of Manchester. A location map of the premises is attached at **Annex 1**.
- 1.2 A 28-day public consultation exercise was undertaken in accordance with Licensing Act 2003 regulations; requiring the application to be advertised by the displaying of a blue notice at or on the premises, a notice published in a newspaper or similar circulating in the local area, and details of the application published on the Council's website.
- 1.3 Representations may be made for or against an application during the consultation period. To be 'relevant' and, therefore, able to be taken into account in determining the application, they must be about the likely effect of the grant of the premises licence on the promotion of the licensing objectives. Where representations are made by persons who are not a responsible authority, they must not be frivolous or vexatious.
- 1.4 Relevant representations have been received in respect of this application and so it must be determined by a Licensing Hearing Panel in accordance with the Council's Constitution.

2. Current Licence

- 2.1 The premises licence holder is FAC251 Ltd and a copy of the current licence is attached at Annex 4.

3. The Application

- 3.1 **A copy of the application is attached at Annex 2.**
- 3.2 **The variation requests** (wording as submitted by the applicant):
- To amend the licensed layout plans: to add booths and cabaret stage to main basement floor, and reconfiguration of private hire rooms to the sub-basement, changes to bar positions.
 - Adjustment of Hours to offer consistency with SEV Premises.
 - Adding additional use categories for plays / film / sport / wrestling for flexibility of corporate hire & immersive show performances
 - To amend grandfathers and previous operator specific conditions, and to remove / prune outdated and duplicated conditions not enforced by other law or separate SEV policy (in agreement with GMP and MCC Licensing): Namely, Removal of Condition: 01,03-09,11-27 & Annex 3 Conditions 1-5,11-31

- 3.2.1 In accordance with the Live Music Act 2012 and Deregulation Act 2015, performances of Live Music and Recorded Music between the hours of 0800 and 2300 hours have been deregulated and so should not be regarded as licensable activities for the purposes of this application.
- 3.2.2 Any further details provided relating to any of the individual licensable activities are specified on the application form at **Annex 2**.
- 3.3 **Activities unsuitable for children**
- 3.3.1 The applicant has highlighted adult entertainment or services, activities, other entertainment or matters ancillary to the use of the premises that may give rise to concern in respect of children. Information is given at part K of the operating schedule of the application.
- 3.4 **Steps to promote the licensing objectives**
- 3.4.1 The applicant has not specified any steps to promote the licensing objectives operating schedule. Part M of the operating schedule states: "To be varied as per agreement with GMP and MCC Licesning [sic]" but does not provide any additional information

4. **Relevant Representations**

- 4.1 A total of 2 relevant representations were received in respect of the application (**Annex 3**). Original copies of these representations will be available to the Committee at the hearing.

Responsible Authorities:

- Greater Manchester Police;
- MCC Licensing and Out of Hours Compliance Team;

- 4.2 Summary of the representations:

Party	Grounds of representation	Recommends
GMP	The GMP representation comments on the extension of hours, the removal of conditions and the history of issues at the premises. GMP have strong concerns that "if this variation was granted there is a very real likelihood that issues would occur at the premises and the Licensing Objectives would be undermined."	Refuse
Licensing and Out of Hours Compliance	This team has concerns "regarding extending both the premises opening hours and hours of licensable activities.	Refuse

	In addition to this, we also have concerns that whilst the application is requesting the removal / amendment of existing licensing conditions, the applicant has not provided an alternative operating schedule to replace these conditions.”	
--	---	--

4.3 No conditions have been proposed by either of the objectors. Both objections recommend refusal of the application.

4.4 No agreements have been reached with either of the objectors.

5. Key Policies and Considerations

5.1 Legal Considerations

5.1.1 Hearings under the Licensing Act 2003 operate under the Licensing Act 2003 (Hearings) Regulations 2005.

5.2 New Information

5.2.1 In accordance with Regulation 18 of the Licensing Act 2003 (Hearings) Regulations 2005, the authority may take into account documentary or other information produced by a party in support of their application, representations or notice either before the hearing or, with the consent of all parties, at the hearing.

5.3 Hearsay Evidence

5.3.1 The Panel may accept hearsay evidence and it will be a matter for the Panel to attach what weight to it that they consider appropriate. Hearsay evidence is evidence of something that a witness neither saw nor heard, but has heard or read about.

5.4 The Secretary of State’s Guidance to the Licensing Act 2003

5.4.1 The Secretary of State’s Guidance to the Licensing Act 2003 is provided to licensing authorities in relation to the carrying out of their functions under the 2003 Act. It also provides information to magistrates’ courts hearing appeals against licensing decisions and has been made widely available for the benefit of those who run licensed premises, their legal advisers and the general public. It is a key medium for promoting best practice, ensuring consistent application of licensing powers across England and Wales and for promoting fairness, equal treatment and proportionality.

5.4.2 Section 4 of the 2003 Act provides that, in carrying out its functions, a licensing authority must ‘have regard to’ guidance issued by the Secretary of State under section 182. The Guidance is therefore binding on all licensing authorities to that extent. However, the Guidance cannot anticipate every possible scenario or set of circumstances that may arise and, as long as licensing authorities

have properly understood this Guidance, they may depart from it if they have good reason to do so and can provide full reasons.

- 5.4.3 Departure from the Guidance could give rise to an appeal or judicial review, and the reasons given will then be a key consideration for the courts when considering the lawfulness and merits of any decision taken.

5.5 **Manchester Statement of Licensing Policy**

- 5.5.1 Section 4 of the 2003 Act provides that, in carrying out its functions, a licensing authority must 'have regard to' its statement of licensing policy.

- 5.5.2 The Licensing Policy sets out the vision the licensing authority has for the regulation of licensed premises throughout Manchester and outlines the standards expected in order to ensure the promotion of the licensing objectives in the city. The Panel may depart from the policies should it consider doing so would benefit the promotion of the licensing objectives. Reasons are to be given for any such departure from the Policy.

- 5.5.3 Section 4 of the Policy (Operation of the Policy) sets out that an opposed application that complies with the Policy will not necessarily be granted, nor will an opposed application that does not comply with it necessarily be refused.

- 5.5.4 Where there is objection to an operating schedule that departs from the Policy, the Panel hearing an opposed application will normally expect to be given a good reason for the departure if it is to be asked to make an exception to the Policy.

- 5.5.5 The licensing authority will not interfere with an operating schedule that does not comply with the Policy where the steps proposed are sufficient to meet the licensing objectives in the individual circumstances of the case.

- 5.5.6 There are a number of references in the Policy to the licensing authority's expectations of applicants. The licensing authority will not apply the Policy rigidly, but will always have regard to the merits of the case with a view to promoting the licensing objectives.

- 5.5.7 Relevant to this application and the grounds of the representations made, the Panel are recommended to have regard to the following sections of the Policy:

Section 6: What we aim to encourage

This section identifies certain types of venues and initiatives the licensing authority aims to encourage in order to promote an inclusive evening and night-time economy not simply focused on the consumption of alcohol. We aim to encourage:

- Premises that will extend the diversity of entertainment and attract a wider range of participants

- Live music, especially original material, which will provide a range of live performances and styles of music, provided that such entertainment does not undermine the licensing objectives
- National cultural institutions, global sports events and cultural festivals
- Non-drink-led premises, including restaurants, cafes, theatres and cinemas
- Communication and integration with local residents and businesses through licensees consulting with those in the local area prior to an application
- Participation in Pubwatches, off licence forums and other crime-reduction partnerships
- Engagement with the NITENET radio scheme and DISC secure information sharing platform by city centre venues through the Cityco Manchester Business Crime Reduction Partnership
- Designing out crime in the layout of the premises

Section 7: Local factors

This section sets out key issues that applicants are expected to take into account relevant to the individual characteristics of the premises when preparing their operating schedule and address any local factors relevant to their premises.

Having regard to the grounds of the representations made, the Panel are recommended to have regard to the following Factors:

- Identified risk factors specific to the licensed premises
- Evidence of pre-existing problems in the area
- The proximity of the premises to local residents and other local businesses, particularly in relation to the potential for nuisance

Section 8: Manchester's standards to promote the licensing objectives

This section identifies the standards that the licensing authority expects of licensed premises in Manchester. It is recognised that not all standards will be appropriate to apply in every situation to every premises, and applicants are not obliged to include all standards in their operating schedule. The degree to which standards would be appropriate is expected to be proportionate to the risk posed against the promotion of the licensing objectives having regard to the individual circumstances of the premises. The standards are not exhaustive and the licensing authority will have regard to any relevant issues raised in any representation that may fall outside them.

- MS1 Implement effective security measures at the premises
- MS2 Effective general management of the premises
- MS3 Responsible promotion and sale of alcohol
- MS4 Prevent the use of illegal drugs, new psychoactive substances (NPS) and the spiking of drinks at the premises
- MS5 Prevent on-street consumption of alcohol
- MS6 Provide a Duty of Care for intoxicated or vulnerable customers and medical emergencies
- MS7 Maintain a safe capacity
- MS8 Prevent noise nuisance from the premises
- MS9 Effectively manage exterior spaces (eg beer gardens, smoking areas, table and chair areas on the highway)
- MS10 Operate effective cleansing arrangements, including ensuring the premises and surrounding area are kept clean and free of litter, and adequate arrangements for the secure and responsible storage of refuse
- MS11 Ensure the wellbeing of children on the premises
- MS12 Prevent underage sales of alcohol, including proxy sales

Section 10: Adult entertainment (including striptease, nudity and other entertainment of a sexual nature)

This section sets out specific considerations in respect of applications to provide adult entertainment, including entertainment of a sexual nature e.g. nudity, striptease and lap dancing.

6. Conclusion

6.1 A licensing authority must carry out its functions under this Act (“licensing functions”) with a view to promoting the licensing objectives:

- the prevention of crime and disorder
- public safety;
- the prevention of public nuisance; and
- the protection of children from harm.

- 6.2 In considering the matter, the Committee should take into account any representations or objections that have been received from responsible authorities or other persons, and representations made by the applicant or premises user as the case may be. In reaching the decision, regard must also be had to relevant provisions of the national guidance and the Council's licensing policy statement.
- 6.3 The Panel must take such of the steps set out below that it considers appropriate for the promotion of the licensing objectives:
- a) To grant the licence subject to the conditions consistent with the operating schedule accompanying the application, which the Panel may modify to such extent as they consider appropriate;
 - b) To reject the whole or part of the application
- 6.4 The conditions consistent with the operating schedule may be modified to alter or omit any of them or to add any new condition, including restricting the times at which licensable activities authorised by the licence can take place.
- 6.5 However, conditions should not be imposed on a licence which are unrelated to the variation sought.
- 6.6 All licensing determinations should be considered on the individual merits of the application.
- 6.7 The authority's determination should be evidence-based, justified as being appropriate for the promotion of the licensing objectives and proportionate to what it is intended to achieve. Findings on any issues of fact should be on the balance of probability.
- 6.8 It is important that a licensing authority should give comprehensive reasons for its decisions in anticipation of any appeals. Failure to give adequate reasons could itself give rise to grounds for an appeal.
- 6.9 The Panel is asked to determine the application.

Your Representation

Please outline your representation below and continue overleaf. This should describe the likely effect of the grant of the variation on the licensing objectives on and in the vicinity of the premises in question.

Please accept this as formal notification of the Greater Manchester Police objection to the premises licence variation in relation to the above premises on the grounds of Prevention of Crime and Disorder, the Prevention of Public Nuisance, Public Safety and the Protection of Children from Harm.

The application seeks to extend the hours of operation by 2 hours every day to allow them to carry out licensable activities until 6am with a closing time of 6.30am.

At the same time the applicant is seeking the removal of numerous conditions from the premises licence, whilst offering nothing further as up to date replacements of those conditions, which, if granted, would result in a later licence with a much weaker operating schedule.

These premises have historically been a very challenging venue and under previous ownership have been the subject of 2 Expedited Reviews following incidents of extreme violence. This shows that, although the applicants had nothing to do with the previous operation of the premises, it has the ability to attract clientele who bring a high level of risk with them.

GMP have strong concerns that if this variation was granted there is a very real likelihood that issues would occur at the premises and the Licensing Objectives would be undermined.

We therefore ask that this variation is refused.

Outline your representation regarding the above application below. This representation should describe the likely effect of the grant of the licence/certificate on the licensing objectives and on the vicinity of the premises.
<ul style="list-style-type: none"> • <i>Prevention of Crime and Disorder</i> • <i>Public Safety</i> • <i>Prevention of Public Nuisance</i> <p>Licensing / Out of hours Team have assessed the likely impact of the grant of this application to vary the premises licence for Whiskey Down (Manchester), 18-22 Lloyd Street, taking into account a number of factors, including the nature of the area in which the premises is located, the hours applied for and any potential risk the granting of this licence.</p> <p>The premises is located on Lloyd Street in the City Centre. The surrounding area is a mix of commercial properties including, restaurants, licensed premises and offices.</p> <p>The applicant has applied to:-</p> <ul style="list-style-type: none"> • Amend the premises licensed layout plans. • To add additional use categories for Plays / Film / Sport / Wrestling for flexibility of corporate hire & immersive show performances, to take place Monday to Sunday from 11:00 to 06:00 hours. • To extend the hours of Supply of Alcohol to take place Monday to Sunday from 11:00 to 06:00 hours • To extend the hours of Provision of regulated entertainment (Live music, anything of a similar description to live music, recorded music or performances of dance) to take place Monday to Sunday from 11:00 to 06:00 hours • To extend the hours of Provision of regulated entertainment (Recorded

music, Performance and dance) to take place Monday to Sunday from 11:00 to 06:30

- To extend the hours of Provision Late Night Refreshment to take place Saturday to Thursday from 23:00 to 05:00 hours and Friday from 23:00 to 05:30 hours .
- To extend the hours of the premises opening hours Monday to Sunday from 11:00 to 06:30 hours
- To amend / remove existing licence conditions (in agreement with GMP and MCC Licensing): Annex 2, conditions 01, 03-09, 11-27 & Annex 3 Conditions 1-5,11-31.

As a result of this assessment we have concerns regarding extending both the premises opening hours and hours of licensable activities. In addition to this, we also have concerns that whilst the application is requesting the removal / amendment of existing licensing conditions, the applicant has not provided an alternative operating schedule to replace these conditions.

The LOH team were also concerned with the wording on the application form. The words 'in agreement with MCC Licensing and GMP' appeared in the application form, however this was simply not the case.

A meeting took place with the applicant and a Licensing out of Hours Officer and GMP Licensing Officer on 28 September 2018 to discuss the potential removal / amendments of the existing premises licence conditions. However upon receipt of the application, it was noted that the applicant has requested the removal / amendment of a further twenty conditions that had not been discussed during the meeting on 28th September.

Whilst the applicant is willing to work with LOOH/ GMP to agree conditions, the onus is on the applicant to complete a risk assessment based upon the licensing objectives prior to submitting the application and to offer appropriate conditions.

We also have concerns that the request to extend the premises opening hours and licensable active hours is likely have an impact within the vicinity of the premises and likely lead to issues of public nuisance with noise and/or drunken behaviour from customers leaving the premises during the same time the public will be arriving or passing through the city centre on their way to work.

The request to remove existing licence conditions from the premises licence, whilst at the same time also seeking to increase licensable activities and extend licensable hours without offering suitable alternatives suggests that the applicant may not have a clear understanding of the Council's licensing objectives.

We therefore recommend that in order to prevent the problems described above the application is refused.

Recommendation: Refuse Application
