29 - 38

Report of the Operational Director of Highways

The purpose of this report is to review the speed limit reduction

scheme that was implemented on the A5103 - Princess Road and the impact on 2 adjacent roads (Alexandra Road South and Nell Lane). The speed limit along Princess Road was recently reduced from 40 mph down to 30mph, implemented on the 30 April 2017 via the introduction of a Temporary Traffic Regulation Order (TTRO). This temporary order was put in place as a safety precaution while the permanent order was progressed.

The scheme was developed in response to public concerns around road safety, and in particular the safety of pedestrians crossing Princess Rd. The severity of the concerns had been heightened by two fatal collisions involving pedestrians at the Darley Avenue crossing in December 2015 and December 2016.

8. [11.20-11.50] Highways and the Flow of Traffic across the City 39 - 62

Information about the Committee

Scrutiny Committees represent the interests of local people about important issues that affect them. They look at how the decisions, policies and services of the Council and other key public agencies impact on the city and its residents. Scrutiny Committees do not take decisions but can make recommendations to decision-makers about how they are delivering the Manchester Strategy, an agreed vision for a better Manchester that is shared by public agencies across the city.

The Neighbourhoods and Environment Scrutiny Committee has responsibility for looking at how the Council and its partners create neighbourhoods that meet the aspirations of Manchester's citizens.

The Council wants to consult people as fully as possible before making decisions that affect them. Members of the public do not have a right to speak at meetings but may do so if invited by the Chair. If you have a special interest in an item on the agenda and want to speak, tell the Committee Officer, who will pass on your request to the Chair. Groups of people will usually be asked to nominate a spokesperson. The Council wants its meetings to be as open as possible but occasionally there will be some confidential business. Brief reasons for confidentiality will be shown on the agenda sheet.

The Council welcomes the filming, recording, public broadcast and use of social media to report on the Committee's meetings by members of the public.

Agenda, reports and minutes of all Council Committees can be found on the Council's website www.manchester.gov.uk

Smoking is not allowed in Council buildings.
