## 1. Introduction

- 1.1 On 14/02/2019, an application for the grant of a Premises Licence under s17 of the Licensing Act 2003 was made in respect of Q Plus Tropical Taste Restaurant, 1038 Ashton New Road, Manchester, M11 4PE in the Clayton and Openshaw ward of Manchester. A location map and photograph of the premises is attached at **Appendix 1** (NB: premises previously traded as Palms Restaurant and Bar).
- 1.2 A 28-day public consultation exercise was undertaken in accordance with Licensing Act 2003 regulations; requiring the application to be advertised by the displaying of a blue notice at or on the premises, a notice published in a newspaper or similar circulating in the local area, and details of the application published on the Council's website.
- 1.3 Representations may be made for or against an application during the consultation period. To be 'relevant' and, therefore, able to be taken into account in determining the application, they must be about the likely effect of the grant of the premises licence on the promotion of the licensing objectives. Where representations are made by persons who are not a responsible authority, they must not be frivolous or vexatious.

These conditions are set out in the Schedule of Conditions at **Appendix 4**.

## 2.8 **Further documentation accompanying the application**

## **3. Relevant Representations**

3.1 A total of 5 relevant representations were received in respect of the application (**Appendix 3**). The personal details of all members of the public have been redacted. Original copies of these representations will be available to the Panel at the hearing.

### Responsible Authorities:

- MCC Licensing and Out of Hours Compliance Team;

### Other Persons:

- Residents (x4).

3.2 Summary of the representations:

Party	Grounds of representation	Recommends
<b>Licensing and Out of Hours Compliance</b>	Due to historical public nuisance issues attached to the premises (during the premises' previous operating period as 'Palms' restaurant under a different Premises Licence Holder) LOOH Compliance are not satisfied that the applicant has displayed sufficient understanding of his responsibilities in regard to adhering to and upholding The Four Licensing Objectives (with particular reference to the prevention of public nuisance). The applicant has stated that he intends to operate the premises in line with the previous operating schedule, this has caused certain concern for LOOH Compliance as 22 conditions were attached to the previous licence via a Licensing Subcommittee hearing. LOOH compliance are recommending that the application be granted with the addition of the 20 conditions as outlined in Annexe 3.	Grant with conditions
<b>Residents (x4)</b>	Collectively, the four private residents who have submitted representations against the application have expressed similar concerns relating to the potential re-occurrence of public nuisance and antisocial behaviour emanating from the premises, should the application be granted. They have based their concerns primarily as a consequence of their experiences when the premises was operating as Palms Restaurant and are collectively requesting that the application for a new premises licence is not granted.	Refuse application

3.3 Any conditions proposed by objectors are set out in the Schedule of Conditions at **Appendix 4**.

#### **4. Key Policies and Considerations**

##### **4.1 Legal Considerations**

4.1.1 Hearings under the Licensing Act 2003 operate under the Licensing Act 2003 (Hearings) Regulations 2005.

##### **4.2 New Information**

4.2.1 In accordance with Regulation 18 of the Licensing Act 2003 (Hearings) Regulations 2005, the authority may take into account documentary or other information produced by a party in support of their application, representations

or notice either before the hearing or, with the consent of all parties, at the hearing.

**4.3 Hearsay Evidence**

4.3.1 The Panel may accept hearsay evidence and it will be a matter for the Panel to attach what weight to it that they consider appropriate. Hearsay evidence is evidence of something that a witness neither saw nor heard, but has heard or read about.

**4.4 The Secretary of State’s Guidance to the Licensing Act 2003**

4.4.1 The Secretary of State’s Guidance to the Licensing Act 2003 is provided for all parties involved in licensing. It is a key medium for promoting best practice, ensuring consistent application of licensing powers across England and Wales and for promoting fairness, equal treatment and proportionality.

4.4.2 Section 4 of the 2003 Act provides that, in carrying out its functions, a licensing authority must ‘have regard to’ guidance issued by the Secretary of State under section 182. The Guidance is therefore binding on all licensing authorities to that extent. However, the Guidance cannot anticipate every possible scenario or set of circumstances that may arise and, as long as licensing authorities have properly understood this Guidance, they may depart from it if they have good reason to do so and can provide full reasons.

4.4.3 Departure from the Guidance could give rise to an appeal or judicial review, and the reasons given will then be a key consideration for the courts when considering the lawfulness and merits of any decision taken.

**4.5 Manchester Statement of Licensing Policy**

4.5.1 Section 4 of the 2003 Act provides that, in carrying out its functions, a licensing authority must ‘have regard to’ its statement of licensing policy.

4.5.2 The Licensing Policy sets out the vision the licensing authority has for the regulation of licensed premises throughout Manchester and outlines the standards expected in order to ensure the promotion of the licensing objectives in the city. The Panel may depart from the policies should it consider doing so would benefit the promotion of the licensing objectives. Reasons are to be given for any such departure from the Policy.

4.5.3 Section 4 of the Policy (Operation of the Policy) sets out how the Licensing Policy is intended to be used in practice for licence applications and licensed premises.

4.5.4 Relevant to this application and the grounds of the representations made, the Panel are recommended to have regard to the following sections of the Policy:

	<b>Closing time</b>	<b>Approach</b>
--	---------------------	-----------------

	<b>Closing time</b>	<b>Approach</b>
<b>Non-alcohol led venues (excluding hot food takeaways)</b>	Up to Midnight	Strongly encouraged provided that they do not harm the licensing objectives.
<b>Non-alcohol led venues (excluding hot food takeaways)</b>	Beyond midnight	Discouraged, unless strict compliance with set criteria can be shown.  Positive proposals for the promotion of the licensing objectives from departing customers must also be demonstrated in the operating schedule.
<b>Alcohol-led venues (on-licence)</b>	Up to 11.30pm	Judged according to set criteria.  Positive proposals for the promotion of the licensing objectives, including from departing customers, must also be demonstrated in the operating schedule.  A stricter approach is likely to be taken where customers are not seated at tables and/or where a substantial food offer is not available at all times the premises are open
<b>Alcohol-led venues (on-licence)</b>	Beyond 11.30pm	Strong presumption against.  A genuinely exceptional case would need to be shown. The reasons for the exception should be shown in the operating schedule, and must demonstrate that there will be no harm to the licensing objectives, including from departing customers.
<b>Hot food Takeaway premises</b>	All	Strong presumption against.  A genuinely exceptional case would need to be shown. The reasons for the exception should be shown in the operating schedule, and must demonstrate that there will be no harm to the licensing objectives, including from departing customers.

	<b>Closing time</b>	<b>Approach</b>
<b>Alcohol led venues (off licence)</b>	All	Strong presumption against.  A genuinely exceptional case would need to be shown. The reasons for the exception should be shown in the operating schedule, and must demonstrate that there will be no harm to the licensing objectives.

The policy also sets out particular measures it expects operators to pay special attention to in order to ensure their operation will not add to the problems within this area. Operators are not required to do so, but where the authority's discretion is engaged, any applications that fail to address all appropriate measures may be refused or have conditions applied to comply with the policy measures.

#### Ancoats and New Islington

The effect of the special policy is that the Council will generally only permit licensable activities for premises in the Ancoats and New Islington Regeneration Framework area until the terminal hours set out below whenever it receives relevant representation, unless an applicant can demonstrate there are exceptional circumstance to justify a departure from the policy in the individual circumstances:

11pm (Sunday to Thursday)

12am midnight (Friday, Saturday)

The special policy applies to on and off sales of alcohol. Where alcohol is sold for consumption on the premises, our policy will be to generally provide 30 minutes 'drinking up' time between the terminal hour for the sale of alcohol and the closing time of the premises.

#### ***Section 6: What we aim to encourage***

This section identifies certain types of venues and initiatives the licensing authority aims to encourage in order to promote an inclusive evening and night-time economy not simply focused on the consumption of alcohol. We aim to encourage:

- Premises that will extend the diversity of entertainment and attract a wider range of participants
- Live music, especially original material, which will provide a range of live performances and styles of music, provided that such entertainment does not undermine the licensing objectives
- National cultural institutions, global sports events and cultural festivals

- Non-drink-led premises, including restaurants, cafes, theatres and cinemas
- Communication and integration with local residents and businesses through licensees consulting with those in the local area prior to an application
- Participation in Pubwatches, off licence forums and other crime-reduction partnerships
- Engagement with the NITENET radio scheme and DISC secure information sharing platform by city centre venues through the Cityco Manchester Business Crime Reduction Partnership
- Designing out crime in the layout of the premises

### ***Section 7: Local factors***

This section sets out key issues that applicants are expected to take into account relevant to the individual characteristics of the premises when preparing their operating schedule and address any local factors relevant to their premises.

- Having regard to the grounds of the representations made, the Panel are recommended to have regard to the following Factors:
- Identified risk factors specific to the licensed premises
- Evidence of pre-existing problems in the area
- Proximity of takeaways and licences to nightlife entertainment areas
- Consistency with relevant Council strategies
- The proximity of the premises to local residents and other local businesses, particularly in relation to the potential for nuisance
- Proximity to sensitive uses
- The availability of transport to and from the premises
- Ability to clean and maintain the street scene
- Premises in proximity to the airport

### ***Section 8: Manchester's standards to promote the licensing objectives***

This section identifies the standards that the licensing authority expects of licensed premises in Manchester. It is recognised that not all standards will be appropriate to apply in every situation to every premises, and applicants are not obliged to include all standards in their operating schedule. The degree to which standards would be appropriate is expected to be proportionate to the

risk posed against the promotion of the licensing objectives having regard to the individual circumstances of the premises. The standards are not exhaustive and the licensing authority will have regard to any relevant issues raised in any representation that may fall outside them.

- MS1 Implement effective security measures at the premises
- MS2 Effective general management of the premises
- MS3 Responsible promotion and sale of alcohol
- MS4 Prevent the use of illegal drugs, new psychoactive substances (NPS) and the spiking of drinks at the premises
- MS5 Prevent on-street consumption of alcohol
- MS6 Provide a Duty of Care for intoxicated or vulnerable customers and medical emergencies
- MS7 Maintain a safe capacity
- MS8 Prevent noise nuisance from the premises
- MS9 Effectively manage exterior spaces (e.g. beer gardens, smoking areas, table and chair areas on the highway)
- MS10 Operate effective cleansing arrangements, including ensuring the premises and surrounding area are kept clean and free of litter, and adequate arrangements for the secure and responsible storage of refuse
- MS11 Ensure the wellbeing of children on the premises
- MS12 Prevent underage sales of alcohol, including proxy sales

### ***Section 9: Alcohol delivery services***

This section sets out specific provisions for alcohol delivery services to be considered in conjunction with relevant standards from Section 8 of the Policy

### ***Section 10: Adult entertainment (including striptease, nudity and other entertainment of a sexual nature)***

This section sets out specific considerations in respect of applications to provide adult entertainment, including entertainment of a sexual nature e.g. nudity, striptease and lap dancing.

### ***Section 11: The use of tables and chairs on the public highway***

This section provides that the operation of any areas on the public highway licensed for tables and chairs should be considered with regard to all relevant Standards set out in Section 8 of the Policy.

### ***Section 12: Premises Licences for large-scale public events***

This section sets out particular expectations regarding large scale public events, given the specific associated risks.

## **5. Conclusion**

- 5.1 A licensing authority must carry out its functions under this Act (“licensing functions”) with a view to promoting the licensing objectives:
- the prevention of crime and disorder
  - public safety;
  - the prevention of public nuisance; and
  - the protection of children from harm.
- 5.2 In considering the matter, the Panel should take into account any representations or objections that have been received from responsible authorities or other persons, and representations made by the applicant or premises user as the case may be. In reaching the decision, regard must also be had to relevant provisions of the national guidance and the Council’s licensing policy statement.
- 5.3 Having regard to the representations, the Panel must take such of the steps set out below that it considers appropriate for the promotion of the licensing objectives:
- a) To grant the licence subject to:
    - i. the conditions consistent with the operating schedule accompanying the application, which the Panel may modify to such extent as they consider appropriate, and
    - ii. any mandatory conditions that must be included in the licence;
  - b) To exclude from the scope of the licence any of the licensable activities to which the application relates;
  - c) To refuse to specify the person proposed in the application as the designated premises supervisor;
  - d) To reject the application.
- 5.4 The conditions consistent with the operating schedule may be modified to alter or omit any of them or to add any new condition, including restricting the times at which licensable activities authorised by the licence can take place.

- 5.5 All licensing determinations should be considered on the individual merits of the application.
- 5.6 The Panel's determination should be evidence-based, justified as being appropriate for the promotion of the licensing objectives and proportionate to what it is intended to achieve. Findings on any issues of fact should be on the balance of probability.
- 5.7 It is important that a licensing authority should give comprehensive reasons for its decisions in anticipation of any appeals. Failure to give adequate reasons could itself give rise to grounds for an appeal.
- 5.8 The Panel is asked to determine the application.

**Premise Details**

Application Ref No	REF 226189LD2
Name of Premises	Q Plus Tropical Taste Restaurant
Address	1038 Ashton New Road, Manchester, M11 4PE

**Representation**

Outline your representation regarding the above application below. This representation should describe the likely effect of the grant of the licence/certificate on the licensing objectives and on the vicinity of the premises.

The licensing and out of hours team have assessed the likely impact of the grant of this new premise licence taking into account a numbers of factors, including the nature of the area in which the premises is located, the hours applied for and any potential risk that the granting of this application could lead to undermining the prevention of public nuisance as a licensing objective under the Licensing Act 2003.

The LOOH team have also given consideration to Manchester City Council's Statement of Licensing policy, in particular S7.25 in relation to the proximity of the premises to local residents and other local businesses particularly in relation to the potential for nuisance.

'Where premises are in the direct vicinity of local residents properties, and where discretion is engaged, the authority will give particular consideration to measures proposed in the application in relation to prevent nuisance.'

The premise is located on a very busy arterial route in and out of Manchester City Centre and has residential properties above, to the side, rear and opposite, please see attached map of the location in relation to the nearby residential properties, the premise is the black dot:

The applicant has applied to open the premise on

Sun –Thurs 0900 to 2300  
 Fri - Sat 0900 to 0100

-----  
 To supply alcohol

Sun – Thurs 1000 to 2230  
 Fri – Sat 1000 to 0030

-----  
 To provide late night refreshments

Fri – Sat 2230 to 0030

-----  
 To play recorded music only

Sun – Thurs 1000 to 2230  
 Fri – Sat 1000 to 0030

-----  
 Section K of the application asks the applicant to highlight if any adult entertainment or services, activities, other entertainment or matters ancillary to the use of the premises that may give rise to concern in respect of children:

The applicant has filled this section with information relating to Challenge 25, staff training on Challenge 25, underage sales, drunkenness and drugs and anyone under 18 will be accompanied by an adult, this is not what this section is intended for and anything offered in this section would not be included in any conditions attached to the premise licence if granted and demonstrates that the applicant has no understanding of the form.

Section M of the application allows the applicant to describe the steps in which they will promote the licensing objectives, the applicant does not show that they have a full understanding of the 4 licensing objectives as they seem to have put a lot of duplicated information in all sub sections which relates to CCTV, Door supervision, and alcohol sales and does not take into account anything relating to prevention of public nuisance in the form of noise break out from music or from customers inside, congregating outside, any dispersal policy or policy relating to outside area in the late hours applied for.

According to the records held by the premise licensing team the property previously had a premise licence until 06/11/2018 in the name of Palms, the previous licence lapsed due to the licence holding company being dissolved and although there is no links between the old owner and the new applicant, the new applicant makes reference in the application in part 3 of the operating schedule that they want to operate the premise in line with the previous premise known as Palms. The previous premises licence had 26 conditions attached to it, 22 conditions were added to the licence after an hearing by the licensing authority.

So based on the above information I would recommended the application being approved with slight amendment to the operating schedule to allow them to :

Open to the public

Sun –Thurs 1100 to 2300  
Fri - Sat 1100 to 0100

---

To supply alcohol

Sun – Thurs 1100 to 2230  
Fri – Sat 1100 to 0030

---

To provide late night refreshments

Fri – Sat 2230 to 0030

---

To play recorded music only

Sun – Thurs 1100 to 2230  
Fri – Sat 1100 to 0030

I would also request that the following conditions are added to the Licence in line with the previous licence held at the premise

1. All windows and external doors shall be kept closed between 19:00 and close, except for immediate access and egress of persons.
2. No noise shall emanate from the premises nor vibration be transmitted through the structure of the premises that gives rise to nuisance.

All areas to which the public have legitimate access must be sufficiently illuminated for the purpose of CCTV. All public areas of the licensed premises, including all public entry and exit points and the street environment will be covered, enabling facial identification of every person entering in any light condition. The CCTV cameras shall continually record whilst the premises are open to the public and recording shall be kept available and unedited for a minimum of [28] days with the date and time stamping. A staff member who is conversant with the operation of the CCTV system shall be present on the premises at all times when they are open to the public and must be able to produce / download / burn CCTV images upon request by a police officer or an authorised officer of the licensing authority. Any footage must be in a format so it can be played back on a standard

personal computer or standard DVD player. Where the recording is on a removable medium (i.e. compact disc, flash card etc.), a secure storage system to store those recording mediums shall be provided.

The Licensing and Out of Hours Team consider the conditions 'appropriate and proportionate' to uphold the licensing objectives.

All public areas of the licensed premises, including all public entry and exit points and the street environment will be covered, enabling facial identification of every person entering in any light condition. The CCTV cameras shall continually record whilst the premises are open to the public and recording shall be kept available and unedited for a minimum of [28] days with the date and time stamping. A staff member who is conversant with the operation of the CCTV system shall be present on the premises at all times when they are open to the public and must be able to produce / download / burn CCTV images upon request by a police officer or an authorised officer of the licensing authority. Any footage must be in a format so it can be played back on a standard personal computer or standard DVD player. Where the recording is on a removable medium (i.e. compact disc, flash card etc.), a secure storage system to store those recording mediums shall be provided.

Please note that Licensing and Out of Hours will not be attending the hearing.

Kind regards  
Steve Titterton

My objection still stand. We do not need or want any more food outlets on Ashton New Road. Can you for once listen to and act on the concerns for the local residents who a least deserve some respite from the noise, the smell of fried greasy food and the food and litter that is left outside our houses.

Licence application for 1038 Ashton New Road, Clayton, Manchester, M11 4PB  
Hi, here we go again. This is getting like ground hog day. This premises has gone beyond a joke. It seems like once a year somebody applies for a licence or planning permission to alter it or extend the licensing hours. This shop has been nothing but trouble since it was first allowed to open as a fast food outlet (against the wishes of the local residents)  
How can a food outlet that is no more than 30yds from its nearest residential property even consider asking for license to play music anywhere from 9am in the morning through till 00:30 the following day. The last time this was allowed to happen if the music stopped before 3am in the morning we were lucky. I have lost count of how many times I have walked past it and seen people urinating against the shop wall because they could or would not go back into the premises to the toilets in there.  
There is also the question of (still) why is there so many fast food outlets in such a small area eight at least and that is without crossing Edge Lane into Tameside where there is five more? Do we need any more? Do we want anymore? The answer is no!  
Why should the residents of Ashton New Road, Dargia Street and Ralph Street have to put up with this noise pollution? Sleep deprivation is a form of torture. How can the council even consider inflicting the on the local residents once again?  
IU strongly object to the premises once again being used for the purpose of serving food and playing music

Yours

Hello there,

I am objecting to the premises License attached on the ground thats it is basically a night club in disguise.

This night club will disturb residents on Ashton New Road and the surrounding streets as has done in the past as previous usage as a restaurant come night club. We also are experiencing problems from the previous owner who now has a restaurant on Ashton New Road playing loud music and throwing parties every night. Please keep me updated.

Kind regards,

Address	Level 1, Town Hall Extension, Manchester, M60 2LA

Telephone Number	0161 227 3147

**Premise Details**

Application Ref No	REF 226189LD2
Name of Premises	Q Plus Tropical Taste Restaurant
Address	1038 Ashton New Road, Manchester, M11 4PE

**Representation**

Outline your representation regarding the above application below. This representation should describe the likely effect of the grant of the licence/certificate on the licensing objectives and on the vicinity of the premises.

The licensing and out of hours team have assessed the likely impact of the grant of this new premise licence taking into account a numbers of factors, including the nature of the area in which the premises is located, the hours applied for and any potential risk that the granting of this application could lead to undermining the prevention of public nuisance as a licensing objective under the Licensing Act 2003.

The LOOH team have also given consideration to Manchester City Council's Statement of Licensing policy, in particular S7.25 in relation to the proximity of the premises to local residents and other local businesses particularly in relation to the potential for nuisance.

'Where premises are in the direct vicinity of local residents properties, and where discretion is engaged, the authority will give particular consideration to measures proposed in the application in relation to prevent nuisance.'

The premise is located on a very busy arterial route in and out of Manchester City Centre and has residential properties above, to the side, rear and opposite, please see attached map of the location in relation to the nearby residential properties, the premise is the black dot:

The applicant has applied to open the premise on

Sun –Thurs 0900 to 2300  
 Fri - Sat 0900 to 0100

-----  
 To supply alcohol

Sun – Thurs 1000 to 2230  
 Fri – Sat 1000 to 0030

-----  
 To provide late night refreshments

Fri – Sat 2230 to 0030

-----  
 To play recorded music only

Sun – Thurs 1000 to 2230  
 Fri – Sat 1000 to 0030

-----  
 Section K of the application asks the applicant to highlight if any adult entertainment or services, activities, other entertainment or matters ancillary to the use of the premises that may give rise to concern in respect of children:

The applicant has filled this section with information relating to Challenge 25, staff training on Challenge 25, underage sales, drunkenness and drugs and anyone under 18 will be accompanied by an adult, this is not what this section is intended for and anything offered in this section would not be included in any conditions attached to the premise licence if granted and demonstrates that the applicant has no understanding of the form.

Section M of the application allows the applicant to describe the steps in which they will promote the licensing objectives, the applicant does not show that they have a full understanding of the 4 licensing objectives as they seem to have put a lot of duplicated information in all sub sections which relates to CCTV, Door supervision, and alcohol sales and does not take into account anything relating to prevention of public nuisance in the form of noise break out from music or from customers inside, congregating outside, any dispersal policy or policy relating to outside area in the late hours applied for.

According to the records held by the premise licensing team the property previously had a premise licence until 06/11/2018 in the name of Palms, the previous licence lapsed due to the licence holding company being dissolved and although there is no links between the old owner and the new applicant, the new applicant makes reference in the application in part 3 of the operating schedule that they want to operate the premise in line with the previous premise known as Palms. The previous premises licence had 26 conditions attached to it, 22 conditions were added to the licence after an hearing by the licensing authority.

So based on the above information I would recommended the application being approved with slight amendment to the operating schedule to allow them to :

Open to the public

Sun –Thurs 1100 to 2300  
Fri - Sat 1100 to 0100

---

To supply alcohol

Sun – Thurs 1100 to 2230  
Fri – Sat 1100 to 0030

---

To provide late night refreshments

Fri – Sat 2230 to 0030

---

To play recorded music only

Sun – Thurs 1100 to 2230  
Fri – Sat 1100 to 0030

I would also request that the following conditions are added to the Licence in line with the previous licence held at the premise

1. All windows and external doors shall be kept closed between 19:00 and close, except for immediate access and egress of persons.
2. No noise shall emanate from the premises nor vibration be transmitted through the structure of the premises that gives rise to nuisance.
3. A direct telephone number for the manager of the premises shall be publicly available at all times the premises are open. This telephone number is to be made available to residents in the vicinity.

4. The licence holder shall enter into an agreement with a taxi company to provide transport for customers. A call-back system must be operated and drivers instructed not to sound their horns when collecting customers.
5. Alcohol shall only be sold to persons as ancillary to food.
6. All customers shall be seated.
7. Alcohol shall be supplied by waiter/waitress service only.
8. Alcohol shall not be taken off the premises.
9. Any person who appears intoxicated shall be refused entry to the premises.
10. No glassware to be collected from the premises or to be disposed of into outside waste receptacles between 2200 and 0800.
11. Staff shall ensure patrons do not congregate outside the premises causing a nuisance to nearby residents.
12. Signs requesting that customers leave the premises quietly having respect for nearby residents shall be displayed at the exit.
13. Staff shall regularly clean (and endeavour to keep clear of litter) the area immediately in front of the premises.
14. No children under the age of 16 years shall be on the premises after 20:00.
15. No persons under the age of 18 years shall be on the premises after 2100 unless accompanied by an adult over 18 years of age.
16. A refusals book containing records of instances/persons who have been refused the supply of alcohol on the basis of their perceived age shall be compiled and maintained.
17. Staff shall use their best endeavours to ensure that customers using the outside smoking area shall not cause a noise nuisance to nearby residents.
18. The restaurant shall be restricted to 40 covers.
19. The last orders for food shall be taken by 2345 hours on Friday and Saturday Nights.
20. The premises shall install and maintain a comprehensive digital [colour] CCTV system. All areas to which the public have legitimate access must be sufficiently illuminated for the purpose of CCTV. All public areas of the licensed premises, including all public entry and exit points and the street environment will be covered, enabling facial identification of every person entering in any light condition. The CCTV cameras shall continually record whilst the premises are open to the public and recording shall be kept available and unedited for a minimum of [28] days with the date and time stamping. A staff member who is conversant with the operation of the CCTV system shall be present on the premises at all times when they are open to the public and must be able to produce / download / burn CCTV images upon request by a police officer or an authorised officer of the licensing authority. Any footage must be in a format so it can be played back on a standard

personal computer or standard DVD player. Where the recording is on a removable medium (i.e. compact disc, flash card etc.), a secure storage system to store those recording mediums shall be provided.

The Licensing and Out of Hours Team consider the conditions 'appropriate and proportionate' to uphold the licensing objectives.

Recommendation: Approve with Conditions (Outlined Above)
