5. Key Policies and Considerations

5.1 Legal Considerations

5.1.1 Hearings under the Licensing Act 2003 operate under the Licensing Act 2003 (Hearings) Regulations 2005.

5.2 New Information

5.2.1 In accordance with Regulation 18 of the Licensing Act 2003 (Hearings) Regulations 2005, the authority may take into account documentary or other information produced by a party in support of their application, representations or notice either before the hearing or, with the consent of all parties, at the hearing.

5.3 Hearsay Evidence

5.3.1 The Panel may accept hearsay evidence and it will be a matter for the Panel to attach what weight to it that they consider appropriate. Hearsay evidence is evidence of something that a witness neither saw nor heard, but has heard or read about.

5.4 The Secretary of State’s Guidance to the Licensing Act 2003

5.4.1 The Secretary of State’s Guidance to the Licensing Act 2003 is provided for all parties involved in licensing. It is a key medium for promoting best practice, ensuring consistent application of licensing powers across England and Wales and for promoting fairness, equal treatment and proportionality.

5.4.2 Section 4 of the 2003 Act provides that, in carrying out its functions, a licensing authority must ‘have regard to’ guidance issued by the Secretary of

State under section 182. The Guidance is therefore binding on all licensing authorities to that extent. However, the Guidance cannot anticipate every possible scenario or set of circumstances that may arise and, as long as licensing authorities have properly understood this Guidance, they may depart from it if they have good reason to do so and can provide full reasons.

- 5.4.3 Departure from the Guidance could give rise to an appeal or judicial review, and the reasons given will then be a key consideration for the courts when considering the lawfulness and merits of any decision taken.

5.5 **Manchester Statement of Licensing Policy**

- 5.5.1 Section 4 of the 2003 Act provides that, in carrying out its functions, a licensing authority must 'have regard to' its statement of licensing policy.
- 5.5.2 The Licensing Policy sets out the vision the licensing authority has for the regulation of licensed premises throughout Manchester and outlines the standards expected in order to ensure the promotion of the licensing objectives in the city. The Panel may depart from the policies should it consider doing so would benefit the promotion of the licensing objectives. Reasons are to be given for any such departure from the Policy.
- 5.5.3 Section 4 of the Policy (Operation of the Policy) sets out how the Licensing Policy is intended to be used in practice for licence applications and licensed premises.

Section 6: What we aim to encourage

This section identifies certain types of venues and initiatives the licensing authority aims to encourage in order to promote an inclusive evening and night-time economy not simply focused on the consumption of alcohol. We aim to encourage:

- Premises that will extend the diversity of entertainment and attract a wider range of participants
- Live music, especially original material, which will provide a range of live performances and styles of music, provided that such entertainment does not undermine the licensing objectives
- National cultural institutions, global sports events and cultural festivals
- Non-drink-led premises, including restaurants, cafes, theatres and cinemas
- Communication and integration with local residents and businesses through licensees consulting with those in the local area prior to an application

- Participation in Pubwatches, off licence forums and other crime-reduction partnerships
- Engagement with the NITENET radio scheme and DISC secure information sharing platform by city centre venues through the Cityco Manchester Business Crime Reduction Partnership
- Designing out crime in the layout of the premises

Section 7: Local factors

This section sets out key issues that applicants are expected to take into account relevant to the individual characteristics of the premises when preparing their operating schedule and address any local factors relevant to their premises.

Having regard to the grounds of the representations made, the Panel are recommended to have regard to the following Factors:

- The proximity of the premises to local residents and other local businesses, particularly in relation to the potential for nuisance

Section 8: Manchester's standards to promote the licensing objectives

This section identifies the standards that the licensing authority expects of licensed premises in Manchester. It is recognised that not all standards will be appropriate to apply in every situation to every premises, and applicants are not obliged to include all standards in their operating schedule. The degree to which standards would be appropriate is expected to be proportionate to the risk posed against the promotion of the licensing objectives having regard to the individual circumstances of the premises. The standards are not exhaustive and the licensing authority will have regard to any relevant issues raised in any representation that may fall outside them.

- | | |
|-----|---|
| MS1 | Implement effective security measures at the premises |
| MS2 | Effective general management of the premises |
| MS7 | Maintain a safe capacity |
| MS8 | Prevent noise nuisance from the premises |
| MS9 | Effectively manage exterior spaces (e.g. beer gardens, smoking areas, table and chair areas on the highway) |

Section 9: Alcohol delivery services

This section sets out specific provisions for alcohol delivery services to be considered in conjunction with relevant standards from Section 8 of the Policy

Section 10: Adult entertainment (including striptease, nudity and other entertainment of a sexual nature)

This section sets out specific considerations in respect of applications to provide adult entertainment, including entertainment of a sexual nature e.g. nudity, striptease and lap dancing.

Section 11: The use of tables and chairs on the public highway

This section provides that the operation of any areas on the public highway licensed for tables and chairs should be considered with regard to all relevant Standards set out in Section 8 of the Policy.

Section 12: Premises Licences for large-scale public events

This section sets out particular expectations regarding large scale public events, given the specific associated risks.

6. Conclusion

- 6.1 A licensing authority must carry out its functions under this Act (“licensing functions”) with a view to promoting the licensing objectives:
- the prevention of crime and disorder
 - public safety;
 - the prevention of public nuisance; and
 - the protection of children from harm.
- 6.2 In considering the matter, the Panel should take into account any representations or objections that have been received from responsible authorities or other persons, and representations made by the applicant or premises user as the case may be. In reaching the decision, regard must also be had to relevant provisions of the national guidance and the Council’s licensing policy statement.
- 6.3 The Panel must take such of the steps set out below that it considers appropriate for the promotion of the licensing objectives:
- a) To grant the licence subject to the conditions consistent with the operating schedule accompanying the application, which the Panel may modify to such extent as they consider appropriate;
 - b) To reject the whole or part of the application
- 6.4 The conditions consistent with the operating schedule may be modified to alter or omit any of them or to add any new condition, including restricting the times at which licensable activities authorised by the licence can take place.

- 6.5 However, conditions should not be imposed on a licence which are unrelated to the variation sought.
- 6.6 All licensing determinations should be considered on the individual merits of the application.
- 6.7 The Panel's determination should be evidence-based, justified as being appropriate for the promotion of the licensing objectives and proportionate to what it is intended to achieve. Findings on any issues of fact should be on the balance of probability.
- 6.8 It is important that a licensing authority should give comprehensive reasons for its decisions in anticipation of any appeals. Failure to give adequate reasons could itself give rise to grounds for an appeal.
- 6.9 **The Panel is asked to determine the application.**

My apologies if this is in the incorrect format I've never had to do this before

I live in [REDACTED]
[REDACTED]

Generally through the week the noise levels are tolerable

On a Friday and Saturday night I can feel the music from [REDACTED] and the noise from people congregating outside the bar gets pretty loud - however I'm aware of where I live and make an allowance for this as it's the weekend

My obvious concern is if the opening times are extended throughout the week then the noise levels would continue and spread throughout the week.

This would result in broken sleep for myself and other [REDACTED] would obviously negatively impact our ability to work the following day which I find unacceptable

Therefore I must object strongly to this extension to the license

Dear Sir

I write in support on an application from B&V Ventures Ltd to extend their licensing hours for which a Notice of Application has, I understand, already been submitted to you. We are a local business which shares a common entrance with B & V Ventures. I have found them to be a friendly well run business, which trades in a responsible manner and which has helped to build up trade in Oldham Street by attracting new customers not just for their own business but for adjoining businesses like my own. I have been impressed by the way they have blended into the community and the fact that we have experienced no downside since their arrival. I hope you will see fit to grant the extension of hours application which my own business would happily endorse.

1. Introduction

- 1.1 On 11/06/2019, an application for the variation of an existing Premises Licence under s34 of the Licensing Act 2003 was made in respect of Abakus, 295 Palatine Road, Manchester, M22 4HH in the Northenden ward of Manchester. A location map of the premises is attached at **Appendix 1**.
- 1.2 A 28-day public consultation exercise was undertaken in accordance with Licensing Act 2003 regulations; requiring the application to be advertised by the displaying of a blue notice at or on the premises, a notice published in a newspaper or similar circulating in the local area, and details of the application published on the Council's website.
- 1.3 Representations may be made for or against an application during the consultation period. To be 'relevant' and, therefore, able to be taken into account in determining the application, they must be about the likely effect of the grant of the premises licence on the promotion of the licensing objectives. Where representations are made by persons who are not a responsible authority, they must not be frivolous or vexatious.
- 1.4 Relevant representations have been received in respect of this application and so it must be determined by a Licensing Hearing Panel in accordance with the Council's Constitution.

2. Current Licence

- 2.1 The premises licence holder is Robert Faryna and a copy of the current licence is attached at **Appendix 2**.

3. The Application

- 3.2.1 In accordance with the Live Music Act 2012 and Deregulation Act 2015, performances of Live Music and Recorded Music between the hours of 0800 and 2300 hours have been deregulated and so should not be regarded as licensable activities for the purposes of this application.
- 3.2.2 Any further details provided relating to any of the individual licensable activities are specified on the application form at **Appendix 3**.
- 3.3 **Activities unsuitable for children**
- 3.3.1 The applicant has not highlighted any adult entertainment or services, activities, other entertainment or matters ancillary to the use of the premises that may give rise to concern in respect of children.
- 3.4 **Steps to promote the licensing objectives**
- 3.4.1 The applicant proposes to promote the licensing objectives by taking the steps identified in the operating schedule as stated in the application form at **Appendix 3**.
- 3.4.2 These steps must be translated into conditions by the licensing authority to be included in any granted premises licence, unless the conditions are modified by the Panel following consideration of relevant representations. These conditions are set out in the Schedule of Conditions at **Appendix 5**.
4. **Relevant Representations**
- 4.1 A total of One relevant representations was received in respect of the application (**Appendix 4**).

Responsible Authorities:

- MCC Licensing and Out of Hours Compliance Team.

Summary of the representation:

Party	Grounds of representation	Recommends
Licensing and Out of Hours Compliance (LOOH)	<p>LOOH have objected to the application, to vary the licence, on the grounds that the changes to the operating schedule will not uphold the four licensing objectives. LOOH state that the applicant has provided ambiguous and unclear steps in the operating schedule.</p> <p>LOOH further state that the grant of the variation to the licence will lead to an increase in public nuisance and crime.</p>	<p>Refusal.</p>

4.2 No conditions have been proposed by the objector.

5. **Key Policies and Considerations**

5.1 **Legal Considerations**

5.1.1 Hearings under the Licensing Act 2003 operate under the Licensing Act 2003 (Hearings) Regulations 2005.

5.2 **New Information**

5.2.1 In accordance with Regulation 18 of the Licensing Act 2003 (Hearings) Regulations 2005, the authority may take into account documentary or other information produced by a party in support of their application, representations or notice either before the hearing or, with the consent of all parties, at the hearing.

5.3 **Hearsay Evidence**

5.3.1 The Panel may accept hearsay evidence and it will be a matter for the Panel to attach what weight to it that they consider appropriate. Hearsay evidence is evidence of something that a witness neither saw nor heard, but has heard or read about.

5.4 **The Secretary of State's Guidance to the Licensing Act 2003**

5.4.1 The Secretary of State's Guidance to the Licensing Act 2003 is provided for all parties involved in licensing. It is a key medium for promoting best practice, ensuring consistent application of licensing powers across England and Wales and for promoting fairness, equal treatment and proportionality.

- 5.4.2 Section 4 of the 2003 Act provides that, in carrying out its functions, a licensing authority must 'have regard to' guidance issued by the Secretary of State under section 182. The Guidance is therefore binding on all licensing authorities to that extent. However, the Guidance cannot anticipate every possible scenario or set of circumstances that may arise and, as long as licensing authorities have properly understood this Guidance, they may depart from it if they have good reason to do so and can provide full reasons.
- 5.4.3 Departure from the Guidance could give rise to an appeal or judicial review, and the reasons given will then be a key consideration for the courts when considering the lawfulness and merits of any decision taken.

5.5 **Manchester Statement of Licensing Policy**

- 5.5.1 Section 4 of the 2003 Act provides that, in carrying out its functions, a licensing authority must 'have regard to' its statement of licensing policy.
- 5.5.2 The Licensing Policy sets out the vision the licensing authority has for the regulation of licensed premises throughout Manchester and outlines the standards expected in order to ensure the promotion of the licensing objectives in the city. The Panel may depart from the policies should it consider doing so would benefit the promotion of the licensing objectives. Reasons are to be given for any such departure from the Policy.
- 5.5.3 Section 4 of the Policy (Operation of the Policy) sets out how the Licensing Policy is intended to be used in practice for licence applications and licensed premises.
- 5.5.4 Relevant to this application and the grounds of the representations made, the Panel are recommended to have regard to the following sections of the Policy:

Section 6: What we aim to encourage

This section identifies certain types of venues and initiatives the licensing authority aims to encourage in order to promote an inclusive evening and night-time economy not simply focused on the consumption of alcohol. We aim to encourage:

- Premises that will extend the diversity of entertainment and attract a wider range of participants
- Live music, especially original material, which will provide a range of live performances and styles of music, provided that such entertainment does not undermine the licensing objectives
- National cultural institutions, global sports events and cultural festivals
- Non-drink-led premises, including restaurants, cafes, theatres and cinemas

- Communication and integration with local residents and businesses through licensees consulting with those in the local area prior to an application
- Participation in Pubwatches, off licence forums and other crime-reduction partnerships
- Engagement with the NITENET radio scheme and DISC secure information sharing platform by city centre venues through the Cityco Manchester Business Crime Reduction Partnership
- Designing out crime in the layout of the premises

Section 7: Local factors

This section sets out key issues that applicants are expected to take into account relevant to the individual characteristics of the premises when preparing their operating schedule and address any local factors relevant to their premises.

Having regard to the grounds of the representations made, the Panel are recommended to have regard to the following Factors:

- Identified risk factors specific to the licensed premises
- Evidence of pre-existing problems in the area
- Consistency with relevant Council strategies
- The proximity of the premises to local residents and other local businesses, particularly in relation to the potential for nuisance

Section 8: Manchester's standards to promote the licensing objectives

This section identifies the standards that the licensing authority expects of licensed premises in Manchester. It is recognised that not all standards will be appropriate to apply in every situation to every premises, and applicants are not obliged to include all standards in their operating schedule. The degree to which standards would be appropriate is expected to be proportionate to the risk posed against the promotion of the licensing objectives having regard to the individual circumstances of the premises. The standards are not exhaustive and the licensing authority will have regard to any relevant issues raised in any representation that may fall outside them.

Section 11: The use of tables and chairs on the public highway

6. Conclusion

- 6.1 A licensing authority must carry out its functions under this Act (“licensing functions”) with a view to promoting the licensing objectives:
- the prevention of crime and disorder
 - public safety;
 - the prevention of public nuisance; and
 - the protection of children from harm.
- 6.2 In considering the matter, the Panel should take into account any representations or objections that have been received from responsible authorities or other persons, and representations made by the applicant or premises user as the case may be. In reaching the decision, regard must also be had to relevant provisions of the national guidance and the Council’s licensing policy statement.
- 6.3 The Panel must take such of the steps set out below that it considers appropriate for the promotion of the licensing objectives:
- a) To grant the licence subject to the conditions consistent with the operating schedule accompanying the application, which the Panel may modify to such extent as they consider appropriate;
 - b) To reject the whole or part of the application
- 6.4 The conditions consistent with the operating schedule may be modified to alter or omit any of them or to add any new condition, including restricting the times at which licensable activities authorised by the licence can take place.
- 6.5 However, conditions should not be imposed on a licence which are unrelated to the variation sought.
- 6.6 All licensing determinations should be considered on the individual merits of the application.
- 6.7 The Panel’s determination should be evidence-based, justified as being appropriate for the promotion of the licensing objectives and proportionate to what it is intended to achieve. Findings on any issues of fact should be on the balance of probability.
- 6.8 It is important that a licensing authority should give comprehensive reasons for its decisions in anticipation of any appeals. Failure to give adequate reasons could itself give rise to grounds for an appeal.
- 6.9 **The Panel is asked to determine the application.**

Representation

Outline your representation regarding the above application below. This representation should describe the likely effect of the grant of the licence/certificate on the licensing objectives and on the vicinity of the premises.

Licensing and Out of Hours have assessed the likely impact of the grant of this application taking into account a numbers of factors, including:

- the nature of the area in which the premises is located;
- the hours applied for, and;
- any potential risk that the granting of this license could have on the four licensing objectives.

The application for a variation to the licence is for:

- Changes to the authorised times for the Supply of alcohol for consumption off the premises only to Mon to Fri 9am to 6pm, Sat 9am to 5pm, Sun 10am to 4pm;
- Changes to the authorised opening hours to Mon to Fri 9am to 6pm, Sat 9am to 5pm, Sun 10am to 4pm;
- Changes to the steps to promote licensing objectives as given by the applicant.

The premises is operating as a convenience store, designed to serve both the local community along with passing trade. Located on Palatine Road (see attached map), which is within the Northenden ward, with a mix of licensed, commercial and residential premises.

The grounds for the representation are on:

- Changes to the steps to promote licensing objectives as given by the applicant.

We, as the Environmental Health Responsible Authority, believe that the grant of this licence based on the changes to the steps to promote the licensing objectives as given by the applicant would not promote the licensing objectives as they are equivocal and ambiguous which would therefore be unclear to the Premises Licence Holder, Designated Premises Supervisor, local residents, Enforcement Officers and the Courts. Licence conditions:

- must be appropriate for the promotion of the licensing objectives;
- must be precise and enforceable;
- must be unambiguous and clear in what they intend to achieve.

Conditions on a premises licence or club premises certificate are important in setting the parameters within which premises can lawfully operate. The use of wording such as "must", "shall" and "will" is encouraged (Revised Guidance issued under section 182 of the Licensing Act 2003).

Therefore we believe the grant of this licence will lead to an increase in public nuisance and crime related incidents in the area and ask that the variation is refused.

Background documents (available for public inspection):

- Manchester City Council Statement of Licensing Policy 2016 - 2021
- Guidance issued under section 182 of the Licensing Act 2003, April 2017
- Licensing Act 2003 (Hearings) Regulations 2005
- Any further documentary submissions by any party to the hearing

1. Introduction

- 1.1 On 11 July 2019, a temporary event notice (TEN) was given under s100A of the Licensing Act 2003 in respect of No 1 Canal Street, 1 Canal Street, Manchester, M1 3HE in the Piccadilly ward of Manchester. A location map of the premises is attached at **Appendix 1**.
- 1.2 In accordance with Licensing Act 2003 regulations, Greater Manchester Police (GMP) and Licensing Out of Hours Compliance (LOOH) were notified of the TEN.
- 1.3 Where either GMP or LOOH is satisfied that allowing the premises to be used in accordance with the TEN would undermine a licensing objective, they must give an objection notice to the relevant licensing authority, the premises user, and to every other relevant person.
- 1.4 The objection notice must be given no later than three working days after the day on which the objector is given the TEN.
- 1.5 An objection notice has been received in respect of this TEN and so it must be determined by a Licensing Hearing Panel in accordance with the Council's Constitution.

2. The Notice

- 2.1 A copy of the TEN is attached at **Appendix 2**.
- 2.2 The premises user is Danielle Condron.
- 2.3 The description of the event is Portable bar on cobbled area outside No1 Canal St for Pride.
 - 2.3.1 In accordance with the Live Music Act 2012 and Deregulation Act 2015, performances of Live Music and Recorded Music between the hours of 0800 and 2300 hours have been deregulated and so should not be regarded as licensable activities for the purposes of this TEN.
 - 2.3.2 Any further details provided relating to any of the individual licensable activities are specified on the TEN at **Appendix 2**.
 - 2.3.3 The premises are subject to a premises licence issued under the Licensing Act 2003. A copy of the licence is included at **Appendix 4**.
- 2.4 **Activities unsuitable for children**
 - 2.4.1 The premises user has not highlighted any adult entertainment or services, activities, other entertainment or matters ancillary to the use of the premises that may give rise to concern in respect of children.

3. Objection Notice(s)

- 3.1 An objection notice was received from GMP and from LOOH in respect of the TEN (**Appendix 3**). The personal details of all members of the public have been redacted. Original copies of these objections will be available to the Panel at the hearing.
- 3.2 Summary of the objections:

Party	Grounds of representation	Recommends
GMP	Concerns regarding public safety in that, during Pride, Canal Street becomes extremely congested - additional queueing for a bar will cause further congestion, especially with venues increasingly having outside entertainment such as dancers, singers, etc. causing further congestion in that area. This is contrary to an informal agreement with GMP to not have venues selling directly onto Canal Street. Allowing this TEN is likely to cause other bars to apply to serve alcohol on Canal Street.	Serve a counter notice
Licensing and Out of Hours Compliance	Concerns regarding issues of public nuisance, public safety and protection of children from harm. Queueing at an external bar will increase congestion. There will be increased risk of proxy sales and pressure on staff not to undertake ID checks.	Serve a counter notice

4. **Key Policies and Considerations**

4.1 **Legal Considerations**

- 4.1.1 Hearings under the Licensing Act 2003 operate under the Licensing Act 2003 (Hearings) Regulations 2005.

4.2 **New Information**

- 4.2.1 In accordance with Regulation 18 of the Licensing Act 2003 (Hearings) Regulations 2005, the authority may take into account documentary or other information produced by a party in support of their application, representations or notice either before the hearing or, with the consent of all parties, at the hearing.

4.3 **Hearsay Evidence**

- 4.3.1 The Panel may accept hearsay evidence and it will be a matter for the Panel to attach what weight to it that they consider appropriate. Hearsay evidence

is evidence of something that a witness neither saw nor heard, but has heard or read about.

4.4 **The Secretary of State's Guidance to the Licensing Act 2003**

4.4.1 The Secretary of State's Guidance to the Licensing Act 2003 is provided for all parties involved in licensing. It is a key medium for promoting best practice, ensuring consistent application of licensing powers across England and Wales and for promoting fairness, equal treatment and proportionality.

4.4.2 Section 4 of the 2003 Act provides that, in carrying out its functions, a licensing authority must 'have regard to' guidance issued by the Secretary of State under section 182. The Guidance is therefore binding on all licensing authorities to that extent. However, the Guidance cannot anticipate every possible scenario or set of circumstances that may arise and, as long as licensing authorities have properly understood this Guidance, they may depart from it if they have good reason to do so and can provide full reasons.

4.4.3 Departure from the Guidance could give rise to an appeal or judicial review, and the reasons given will then be a key consideration for the courts when considering the lawfulness and merits of any decision taken.

4.5 **Manchester Statement of Licensing Policy**

4.5.1 Section 4 of the 2003 Act provides that, in carrying out its functions, a licensing authority must 'have regard to' its statement of licensing policy.

4.5.2 The Licensing Policy sets out the vision the licensing authority has for the regulation of licensed premises throughout Manchester and outlines the standards expected in order to ensure the promotion of the licensing objectives in the city. The Panel may depart from the policies should it consider doing so would benefit the promotion of the licensing objectives. Reasons are to be given for any such departure from the Policy.

4.5.3 Section 4 of the Policy (Operation of the Policy) sets out how the Licensing Policy is intended to be used in practice for licence applications and licensed premises.

4.5.4 Where the authority considers that to impose on the TEN one or more of the conditions from a premises licence or club premises certificate in force at the premises (insofar as such conditions are not inconsistent with the event) is appropriate for the promotion of the licensing objectives, the policy is to give notice to the premises user that includes a statement of the conditions imposed. Copies of this notice will be provided for GMP and LOOH.

4.5.5 Where, following any representations at the hearing, the licensing authority is not satisfied the event will ensure the promotion of the licensing objectives, the policy is to issue a counter-notice against the Temporary Event Notice.

Conclusion

- 4.6 A licensing authority must carry out its functions under this Act (“licensing functions”) with a view to promoting the licensing objectives:
- the prevention of crime and disorder
 - public safety;
 - the prevention of public nuisance; and
 - the protection of children from harm.
- 4.7 In considering the matter, the Panel should take into account any objections that have been received from GMP or LOOH, and representations made by the applicant or premises user as the case may be. In reaching the decision, regard must also be had to relevant provisions of the national guidance and the Council’s licensing policy statement.
- 4.8 Having regard to the objection notice(s), the panel must give the premises user a counter notice if it considers it appropriate for the promotion of a licensing objective to do so.
- 4.9 If the panel decides not to give a counter notice the panel may impose one or more conditions on the TEN if –
- the authority considers it appropriate for the promotion of the licensing objectives to do so,
 - the conditions are also imposed on a premises licence or club premises certificate that has effect in respect of the same premises, or any part of the same premises, as the temporary event notice, and
 - the conditions would not be inconsistent with the carrying out of the licensable activities under the temporary event notice.
- 4.10 All licensing determinations should be considered on the individual merits of the notification.
- 4.11 The Panel’s determination should be evidence-based, justified as being appropriate for the promotion of the licensing objectives and proportionate to what it is intended to achieve. Findings on any issues of fact should be on the balance of probability.
- 4.12 It is important that a licensing authority should give comprehensive reasons for its decisions in anticipation of any appeals. Failure to give adequate reasons could itself give rise to grounds for an appeal.
- 4.13 **The Panel is asked to determine the temporary event notice.**

NOTES

General

In these notes, a person who gives a temporary event notice is called a “premises user”.

The police and local authority exercising environmental health functions may intervene on the grounds of any of the four licensing objectives (the prevention of crime and disorder, public safety, the prevention of public nuisance, and the protection of children from harm) to prevent the occurrence of an event at which permitted temporary activities are to take place or to agree a modification of the arrangements for such an event. However, the licensing authority will intervene of its own volition in the cases described below.

First, it will issue a counter notice if there is an objection to a late temporary event notice (see note 7 below).

Secondly, it may issue a notice in relation to its decision to impose conditions on a temporary event notice (see note 2 below).

Thirdly, it will issue a counter notice if the first, second, third and fifth of the limits set out below would be exceeded. If any of the limits below are breached or if a counter notice has been issued, any licensable activities taking place would be unauthorised and the premises user would be liable to prosecution. The limitations apply to:

- the number of times a person may give a temporary event notice (50 times per year for a personal licence holder and 5 times per year for other people);
- the number of times a person may give a late temporary event notice (10 times per year for a personal licence holder and 2 times per year for other people);
- the number of times a temporary event notice may be given in respect of any particular premises (12 times in a calendar year);
- the length of time a temporary event may last for these purposes (168 hours or 7 days);
- the maximum aggregate duration of the periods covered by temporary event notices at any individual premises (21 days per calendar year); and
- the scale of the event in terms of the maximum number of people attending at any one time (a maximum of 499).

For the purposes of determining the overall limits of 50 temporary event notices per personal licence holder (in a calendar year) and of 5 for a non-personal licence holder (in a calendar year), temporary event notices given by an associate or a person who is in business with a premises user (and that business involves carrying on licensable activities) count towards those totals. The limits applying to late temporary event notices are included within the overall limits applying to the total number of temporary event notices. Note 15 below sets out the definition of an “associate”.

When permitted temporary activities take place, a premises user must ensure that either:

- a copy of the temporary event notice is prominently displayed at the premises; or
- the temporary event notice is kept at the premises either in his own custody or in the custody of a person present and working at the premises and whom he has nominated for that purpose.

Where the temporary event notice is in the custody of a nominated person, a notice specifying that fact and the position held by that person must be displayed prominently at the premises.

Where the temporary event notice or a notice specifying the nominated person is not displayed, a constable or an authorised person (for example, a licensing officer, fire officer or environmental health officer) may require the premises user to produce the temporary event notice for examination. Similarly, where the nominated person has the temporary event notice in his custody, a constable or authorised person may require

that person to produce it for examination. Failure to produce the temporary event notice without reasonable excuse would be an offence.

It should also be noted that the following, among other things, are offences under the Licensing Act 2003:

- the sale or supply of alcohol to children under 18 years of age (maximum fine on conviction is a fine not exceeding level 5 on the standard scale, currently £5,000);
- allowing the sale of alcohol to children under 18 (maximum fine on conviction is a fine not exceeding level 5 on the standard scale, currently £5,000);
- knowingly allowing the consumption of alcohol on the premises by a person aged under 18 (maximum fine on conviction is a fine not exceeding level 5 on the standard scale, currently £5,000);
- allowing disorderly behaviour on the premises (maximum fine on conviction is a fine not exceeding level 3 on the standard scale, currently £1,000);
- the sale of alcohol to a person who is drunk (maximum fine on conviction is a fine not exceeding level 3 on the standard scale, currently £1,000);
- obtaining alcohol for a person who is drunk (maximum fine on conviction is a fine not exceeding level 3 on the standard scale, currently £1,000);
- knowingly allowing a person aged under 18 to make any sale or supply of alcohol unless the sale or supply has been specifically approved by the premises user or any individual aged 18 or over who has been authorised for this purpose by the premises user (maximum fine on conviction is a fine not exceeding level 1 on the standard scale, currently £200); and
- knowingly keeping or allowing to be kept on the premises any smuggled goods which have been imported without payment of duty or which have otherwise been unlawfully imported (maximum fine on conviction is a fine not exceeding level 3 on the standard scale, currently £1,000).

In addition, where the premises are to be used primarily or exclusively for the sale or supply of alcohol for consumption on the premises, it is an offence to allow children under 16 to be present when the premises are open for that purpose unless they are accompanied by an adult. In the case of any premises at which sales or supplies of alcohol are taking place at all, it is an offence for a child under 16 to be present there between the hours of midnight and 5am unless accompanied by an adult. In both instances, the penalty on conviction is a fine not exceeding level 3 on the standard scale, currently £1,000.

Note 1

A temporary event notice may only be given by an individual and not, for example, by an organisation or club or business. The individual giving the notice is the proposed “premises user”. Within businesses, clubs or organisations, one individual will therefore need to be identified as the proposed premises user.

If you include an e-mail address in section 1(7) or 1(9), the licensing authority may send to this the acknowledgement of receipt of your notice or any notice or counter notice it is required to give under sections 104A, 106A or 107 of the Licensing Act 2003.

Note 2

For the purposes of the Licensing Act 2003, “premises” means any place. Premises will therefore not always be a building with a formal address and postcode. Premises can include, for example, public parks, recreation grounds and private land.

If a premises licence or club premises certificate has effect in relation to the premises (or any part of the premises) which you want to use to carry on licensable activities, it is possible that any conditions which apply to the licence or certificate may be imposed on the temporary event notice if certain pre-conditions are met. These pre-conditions are that the police or the local authority exercising environmental health functions object to the notice and the licensing authority decides:

- not to give a counter notice under section 105 of the Licensing Act 2003;

- the conditions apply to the licence or certificate; and
- the imposition of the conditions on the notice would not be inconsistent with the carrying on of the licensable activities under the notice.

Note 3

A temporary event notice can be given for part of a building, such as a single room or a plot within a larger area of land. You should provide a clear description of the area in which you propose to carry on licensable activities. This is important as any licensable activities conducted outside the area of the premises protected by the authority of this temporary event notice would be unlawful and could lead to prosecution.

In addition, when holding the proposed event, the premises user would need to be able to restrict the number of people on the premises at any one time when licensable activities are taking place to less than 500. If more than 499 are on the premises when licensable activities are being carried on, the licensable activities would be unlawful and the premises user would be liable to prosecution. The maximum figure of 499 includes, for example, staff, organisers, stewards and performers.

Note 4

A description of the nature of the premises assists the chief officer of police and local authority exercising environmental health functions in deciding if any issues relating to the licensing objectives are likely to arise. You should state clearly that the premises to be used are, for example, a public house, a restaurant, an open field, a village hall or a beer tent.

Note 5

A description of the nature of the event similarly assists the chief officer of police and local authority exercising environmental health functions in making a decision as to whether or not to make an objection. You should state clearly that the event taking place at the premises would be, for example, a wedding with a pay bar, the supply of beer at a particular farmers' market, a discotheque, the performance of a string quartet, a folk group or a rock band.

Note 6

The licensable activities are:

- the sale by retail of alcohol;
- the supply of alcohol by or on behalf of a club to, or to the order of, a member of a club;
- the provision of regulated entertainment; and
- the provision of late night refreshment.

Please refer to Schedules 1 and 2 to the Licensing Act 2003 for fuller details of the definitions and exemptions relating to regulated entertainment and late night refreshment.

Regulated entertainment, subject to specified conditions and exemptions, includes:

- a performance of a play;
- an exhibition of a film;
- an indoor sporting event;
- a boxing or wrestling entertainment;
- a performance of live music;
- any playing of recorded music;
- a performance of dance; and
- entertainment of a similar description to that falling within (e), (f) or (g).

If you are uncertain whether or not the activities that you propose are licensable, you should contact your licensing authority for further advice.

Note 7

Late notices can be given no later than 5 working days but no earlier than 9 working days before the event in relation to which the notice is given. A late notice given later than 5 working days before the event to which it relates will be returned as void and the activities described in it will not be authorised.

The number of late notices that can be given in any one calendar year is limited to 10 for personal licence holders and 2 for non-personal licence holders. These count towards the total number of temporary event notices (i.e. 50 temporary event notices per year for personal licence holders and 5 temporary event notices for non-personal licence holders).

If there is an objection from either the police or local authority exercising environmental health functions, the event will not go ahead and a counter notice will be issued.

Note 8

The maximum period for using premises for licensable activities under the authority of a temporary event notice is 168 hours or seven days.

Note 9

You should state here the times during the event period, for example 48 hours, when you intend to carry on licensable activities. For example, you may not intend to carry on licensable activities throughout the entire 48 hour event period, and may intend to sell alcohol between 8.00 hrs and 23.00 hrs on each of the two days.

Note 10

No more than 499 may be on the premises for a temporary event at any one time when licensable activities are being carried on. If you intend to have more than 499 attending the event, you should obtain a premises licence for the event. Your licensing authority should be able to advise you. The maximum figure of 499 includes not only the audience, spectators or consumers but also, for example, staff, organisers, stewards and performers who will be present on the premises.

Note 11

If you indicate that alcohol will be supplied only for consumption on the premises, you would be required to ensure that no person leaves the premises with alcohol supplied there. If such a supply takes place, the premises user may be liable to prosecution for carrying on an unauthorised licensable activity. Similarly, if the premises user gives notice that only supplies of alcohol for consumption off the premises will take place, he/she must ensure that alcohol supplied is not consumed on the premises. The premises user is free to give notice that he/she intends to carry on both types of supplies. For this purpose, the supply of alcohol includes both of the first two licensable activities listed in note 6 above.

Note 12

Relevant entertainment is defined in the Local Government (Miscellaneous Provisions) Act 1982 (“the 1982 Act”) as *any live performance or any live display of nudity which is of such a nature that, ignoring financial gain, it must reasonably be assumed to be provided solely or principally for the purpose of sexually stimulating any member of the audience (whether by verbal or other means)*. Relevant entertainment therefore includes, but is not limited to, lap dancing and pole dancing.

The 1982 Act requires premises which provide relevant entertainment to be licensed under that Act for this purpose. Premises at which there have not been more than eleven occasions on which such entertainment has been provided within a period of 12 months, no such occasion has lasted for more than 24 hours and there has been a period of at least one month between each such occasion are exempt from the requirement

to obtain a licence under the 1982 Act. Such premises are likely instead to require an authorisation under the Licensing Act 2003 to be used for such activities as these are a licensable activity (the provision of regulated entertainment – see note 6 above). A temporary event notice may be given for this purpose.

Note 13

The holder of a valid personal licence issued under the Licensing Act 2003 may give up to 50 temporary event notices in any calendar year subject to the other limitations in the 2003 Act. A proposed premises user who holds such a licence should give the details requested.

Note 14

As stated under Note 13, a personal licence holder (issued under the Licensing Act 2003) may give up to 50 temporary event notices (including 10 late notices) in any calendar year. An individual who does not hold a personal licence may only give 5 temporary event notices (including 2 late notices) in England and Wales in any calendar year. A calendar year is the period between 1st January to 31st December inclusive in any year.

If an event straddles two calendar years, it will count against the limits on temporary event notices (12 for each premises, 21 days for each premises, 50 per personal licence holder and 5 for non-holders) for each year. However, only one notice needs to be given.

For the purposes of determining the overall limits of 50 temporary event notices per personal licence holder (in a calendar year) and of 5 for a non-personal licence holder (in a calendar year), temporary event notices given by an associate or a person who is in business with a premises user (and that business involves carrying on licensable activities) count towards those totals. Note 14 below sets out the definition of an “associate”.

If a temporary event notice has been given for the same premises, by the same premises user, and would have effect within 24 hours before the start of the event period under the current proposal or within 24 hours after the end of that period, the temporary event notice given would be void and any licensable activities carried on under it would therefore be unlicensed.

For the purposes of determining whether or not the required gap of 24 hours is upheld, temporary event notices given by an associate or a person who is in business with a premises user (and that business involves carrying on licensable activities) count as if they had been given by the premises user. Note 15 below sets out the definition of an “associate”.

Note 15

An “associate” of the proposed premises user is:

- (a) the spouse or civil partner of that person;
- (b) a child, parent, grandchild, grandparent, brother or sister of that person;
- (c) an agent or employee of that person; or
- (d) the spouse or civil partner of a person within (b) or (c).

For these purposes, a person living with another as that person’s husband or wife is to be treated as that person’s spouse.

Note 16

It is a requirement that you send at least one copy of this notice to the licensing authority at least ten working days (or five working days for a late notice) before the commencement of the proposed licensable activities. The authority will give you written acknowledgement of the receipt of the notice. This will be important proof that you gave the notice and when you gave it for the purposes of the Act. Some premises may be situated in two licensing authority areas, for example, where a building or field straddles the local authority boundary. Where this is the case, at least one copy of the notice must be sent to each of the licensing authorities identified, together with the appropriate fee in each case. In such circumstances, you will receive acknowledgements from all the relevant licensing authorities.

One copy must be sent to each of the chief officer of police and the local authority exercising environmental health functions for the area in which the premises is situated at least ten working days for a standard notice (or five working days for a late notice) before the commencement of the proposed licensable activities. Where the premises are situated in two police areas or environmental health areas, a further copy will need to be sent to the further police force and local authority exercising environmental health functions.

Note 17

Under the Licensing Act 2003, all temporary event notices are given subject to a mandatory condition requiring that where the licensable activities involve the supply of alcohol, all such supplies must be made by or under the authority of the named premises user. If there is a breach of this condition, the premises user and the individual making the supply in question would be liable to prosecution. For this purpose, the supply of alcohol includes both of the first two licensable activities listed in note 6 above.

Note 18

It is an offence knowingly or recklessly to make a false statement in, or in connection with, a temporary event notice. (A person is to be treated as making a false statement if he produces, furnishes, signs or otherwise makes use of a document that contains a false statement.) To do so could result in prosecution and a fine not exceeding level 5 on the standard scale.

Note 19

You should not complete section 10 of the notice, which is for use by the licensing authority. It may complete this section as one means of giving you written acknowledgement of its receipt of the notice.

EXPLANATORY NOTE

(This note is not part of these Regulations)

These Regulations amend the Licensing Act 2003 (Permitted Temporary Activities) (Notices) Regulations 2005 (“the 2005 Regulations”). Their purpose is to prescribe the form of a temporary event notice to replace the notice prescribed in the 2005 Regulations. The form of temporary event notice now requires the premises user to provide information about the intended use of premises for the provision of relevant entertainment (within the meaning of paragraph 2A of Schedule 3 to the Local Government (Miscellaneous Provisions) Act 1982).

An impact assessment has not been produced for this instrument as no impact on businesses, charities, voluntary bodies or the public sector is foreseen.

Name of Premises	No.1 Canal Street
Address	1 Canal Street, Manchester.

Representation

Outline your representation regarding the above application below. This representation should describe the likely effect of the grant of the licence/certificate on the licensing objectives and on the vicinity of the premises.

The Licensing and Out of Hours Team have assessed the likely impact of the grant of this temporary event. Taking into account a numbers of factors including the nature of the area, hours applied for and any risk that the granting of this temporary event could likely involve.

The premises is on Canal Street within the area of the Village that will be enclosed for Pride 2019, however, open to the general public.

The application is for the supply of alcohol only, directly opposite the premises during Manchester Pride. The premises propose to place a bar on the cobbled area, accessible to passing customers and persons taking advantage of the on-street entertainment. (See Image 1).

As a result of this assessment we have concerns that the grant of this application is likely to lead to issues of public nuisance, public safety and concerns around the prevention of harm to children.

The flow of people coming through the security entrance on Canal Street particularly following the Pride and particularly as a main arterial route through to Bloom/Sackville/Richmond Street the area will likely become very congested, similar to previous years.

This congestion will be further exasperated by the addition of an external bar directly next to the security entrance and exit and the likely queues that are associated with an external bar.

The application also does not satisfy steps that will be taken to prevent proxy sales, which will be difficult to consistently manage in an open, busy, space. We would also expect to see a personal licence holder responsible for the external space at all times as well as an explanation on how security

personnel will manage the area.

The Temporary Event application is unclear on how people will be moved on if the area becomes overcrowded or where the premises will include as their proposed responsibility or how the queuing system will work at peak times.

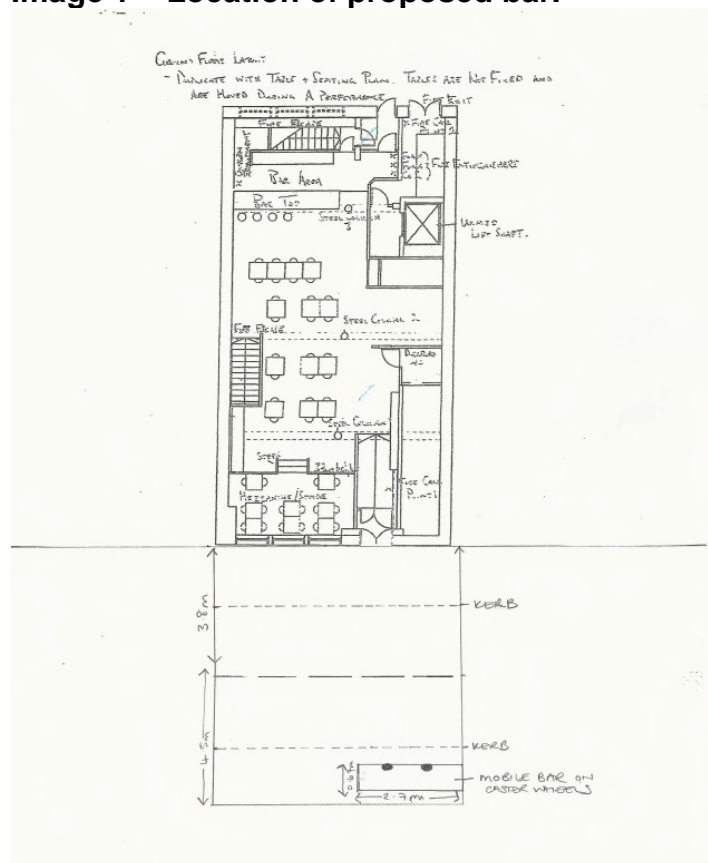

A significant queue may also put additional pressure on the bar staff to consider speed a priority, rather than consistent and satisfactory I.D checks, undermining the protection of children from harm objective.

This temporary event will likely undermine the objective of Prevention of Public Nuisance, Public Safety and Protection of Children from Harm.

I believe that the granting of this temporary event notice would be counterproductive to the Manchester Standards to promote licensing objectives-

MS1, MS7, MS9 and MS12.

Dear Madam

Please accept this letter as formal notification that Greater Manchester Police wish to object, under Section 104(2) of the Licensing Act 2003, to the **TEMPORARY EVENT NOTICE** detailed below, as we are satisfied that granting the application under these circumstances would undermine the Licensing Objectives.

PREMISES NAME:	No 1 Canal Street
ADDRESS:	1 Canal Street Manchester M1 3HE
DATE OF EVENT:	23/08/19 – 26/08/19
TIME OF EVENT:	1200 - 2100 hrs and 1200 – 2000 hrs

GMP objects to the grant of this Temporary Event Notice on the grounds of the Prevention of Crime and Disorder, Public Safety and the Prevention of Public Nuisance.

The premises have applied for an outside bar on Canal Street during Pride. Most other premises within the Pride footprint respect our informal agreement to not have venues selling directly onto Canal Street – this has been an ongoing agreement for many years and is fully supported by the Pride organisers and all other venues.

The main reason for this is the Public Safety objective – approximately 40,000 people attend the Pride event on Saturday and Sunday and Canal Street especially becomes extremely congested - additional queueing for a bar will cause further congestion, especially with venues increasingly having outside entertainment such as dancers, singers etc on Canal Street causing further congestion in that area.

GREATER MANCHESTER POLICE

Allowing this TEN is likely to cause a ripple effect of other venues applying to serve alcohol onto Canal Street which could harm Public Safety and Crime & Disorder objectives.

As such we ask that this TEN application is refused.
