The Committee took the item as urgent business and considered the application for the submission of a Temporary Event Notice where an objection notice had been received.

The Applicant attended the Hearing with his Solicitor, Mr Horne, who addressed the Committee, answering questions when required. The Committee listened to representations from GMP and the Licensing Out of Hours Officer.

The Committee was satisfied, after hearing from the Applicant's Solicitor, Mr Horne, that steps would be put in place to ensure that the premises are capable of upholding the licensing objectives for the entirety of the event period.

The Committee heard that entry to the premises would only be allowed to patrons wearing a registered pride wristband and this would be via Bloom Street with no entrance from Hart Street.

It was also explained that a total of nine SIA Registered doormen would be on duty for the duration of the TEN.

The Committee further recognised that the Premises had held a number of TENs over the last three years which had passed off without complaint.
