Information about the Committee

Scrutiny Committees represent the interests of local people about important issues that affect them. They look at how the decisions, policies and services of the Council and other key public agencies impact on the city and its residents. Scrutiny Committees do not take decisions but can make recommendations to decision-makers about how they are delivering the Manchester Strategy, an agreed vision for a better Manchester that is shared by public agencies across the city.

The Communities and Equalities Scrutiny Committee examines the work of the Council and its partners relating to reducing levels of crime, community cohesion, older people and equality and inclusion.

The Council wants to consult people as fully as possible before making decisions that affect them. Members of the public do not have a right to speak at meetings but may do so if invited by the Chair. Speaking at a meeting will require a video link to the virtual meeting.

Members of the public are requested to bear in mind the current guidance regarding Coronavirus (COVID19) and to consider submitting comments via email to the Committee Officer. The contact details of the Committee Officer for this meeting are listed below.

The Council is concerned to ensure that its meetings are as open as possible and confidential business is kept to a strict minimum. When confidential items are involved these are considered at the end of the meeting and the means of external access to the virtual meeting are suspended.
