1. **Introduction**

- 1.1 On 5 March 2021, an application for the variation of an existing Premises Licence under s34 of the Licensing Act 2003 was made in respect of El Diablo Tequila and Taco Bar, Arch 11 & 12, Deansgate Locks, Whitworth Street West, Manchester, M1 5LH in the Deansgate ward of Manchester. A location map of the premises is attached at **Appendix 1**.
- 1.2 A 28-day public consultation exercise was undertaken in accordance with Licensing Act 2003 regulations; requiring the application to be advertised by the displaying of a blue notice at or on the premises, a notice published in a newspaper or similar circulating in the local area, and details of the application published on the Council's website.
- 1.3 Representations may be made for or against an application during the consultation period. To be 'relevant' and, therefore, able to be taken into account in determining the application, they must be about the likely effect of the grant of the premises licence on the promotion of the licensing objectives. Where representations are made by persons who are not a responsible authority, they must not be frivolous or vexatious.
- 1.4 Relevant representations have been received in respect of this application and so it must be determined by a Licensing Hearing Panel in accordance with the Council's Constitution.

2. **Current Licence**

- 2.1 The premises licence holder is Mr John Rennie and a copy of the current licence is attached at **Appendix 2**.

3. **The Application**

- 3.1 A copy of the application is attached at **Appendix 3**.

5. **Key Policies and Considerations**

5.1 **Legal Considerations**

5.1.1 Hearings under the Licensing Act 2003 operate under the Licensing Act 2003 (Hearings) Regulations 2005.

5.2 **New Information**

5.2.1 In accordance with Regulation 18 of the Licensing Act 2003 (Hearings) Regulations 2005, the authority may take into account documentary or other information produced by a party in support of their application, representations or notice either before the hearing or, with the consent of all parties, at the hearing.

5.3 **Hearsay Evidence**

5.3.1 The Panel may accept hearsay evidence and it will be a matter for the Panel to attach what weight to it that they consider appropriate. Hearsay evidence is evidence of something that a witness neither saw nor heard, but has heard or read about.

5.4 **The Secretary of State's Guidance to the Licensing Act 2003**

5.4.1 The Secretary of State's Guidance to the Licensing Act 2003 is provided for all parties involved in licensing. It is a key medium for promoting best practice, ensuring consistent application of licensing powers across England and Wales and for promoting fairness, equal treatment and proportionality.

5.4.2 Section 4 of the 2003 Act provides that, in carrying out its functions, a licensing authority must 'have regard to' guidance issued by the Secretary of State under section 182. The Guidance is therefore binding on all licensing authorities to that extent. However, the Guidance cannot anticipate every possible scenario or set of circumstances that may arise and, as long as licensing authorities have properly understood this Guidance, they may depart from it if they have good reason to do so and can provide full reasons.

5.4.3 Departure from the Guidance could give rise to an appeal or judicial review, and the reasons given will then be a key consideration for the courts when considering the lawfulness and merits of any decision taken.

5.5 **Manchester Statement of Licensing Policy**

5.5.1 Section 4 of the 2003 Act provides that, in carrying out its functions, a licensing authority must 'have regard to' its statement of licensing policy.

5.5.2 The Licensing Policy sets out the vision the licensing authority has for the regulation of licensed premises throughout Manchester and outlines the standards expected in order to ensure the promotion of the licensing objectives in the city. The Panel may depart from the policies should it consider doing so would benefit the promotion of the licensing objectives. Reasons are to be given for any such departure from the Policy.

5.5.3 Section 4 of the Policy (Operation of the Policy) sets out how the Licensing Policy is intended to be used in practice for licence applications and licensed premises.

5.5.4 Relevant to this application and the grounds of the representations made, the Panel are recommended to have regard to the following sections of the Policy:

Section 6: What we aim to encourage

This section identifies certain types of venues and initiatives the licensing authority aims to encourage in order to promote an inclusive evening and night-time economy not simply focused on the consumption of alcohol. We aim to encourage:

- Premises that will extend the diversity of entertainment and attract a wider range of participants
- Live music, especially original material, which will provide a range of live performances and styles of music, provided that such entertainment does not undermine the licensing objectives
- National cultural institutions, global sports events and cultural festivals
- Non-drink-led premises, including restaurants, cafes, theatres and cinemas
- Communication and integration with local residents and businesses through licensees consulting with those in the local area prior to an application
- Participation in Pubwatches, off licence forums and other crime-reduction partnerships
- Engagement with the NITENET radio scheme and DISC secure information sharing platform by city centre venues through the Cityco Manchester Business Crime Reduction Partnership
- Designing out crime in the layout of the premises

Section 7: Local factors

This section sets out key issues that applicants are expected to take into account relevant to the individual characteristics of the premises when preparing their operating schedule and address any local factors relevant to their premises.

Having regard to the grounds of the representations made, the Panel are recommended to have regard to the following Factors:

- Evidence of pre-existing problems in the area
- Proximity of takeaways and off-licences to nightlife entertainment areas
- Consistency with relevant Council strategies
- The proximity of the premises to local residents and other local businesses, particularly in relation to the potential for nuisance
- The availability of transport to and from the premises

Section 8: Manchester's standards to promote the licensing objectives

This section identifies the standards that the licensing authority expects of licensed premises in Manchester. It is recognised that not all standards will be appropriate to apply in every situation to every premises, and applicants are not obliged to include all standards in their operating schedule. The degree to

which standards would be appropriate is expected to be proportionate to the risk posed against the promotion of the licensing objectives having regard to the individual circumstances of the premises. The standards are not exhaustive and the licensing authority will have regard to any relevant issues raised in any representation that may fall outside them.

- MS1 Implement effective security measures at the premises
- MS3 Responsible promotion and sale of alcohol
- MS4 Prevent the use of illegal drugs, new psychoactive substances (NPS) and the spiking of drinks at the premises
- MS5 Prevent on-street consumption of alcohol
- MS6 Provide a Duty of Care for intoxicated or vulnerable customers and medical emergencies
- MS7 Maintain a safe capacity
- MS8 Prevent noise nuisance from the premises
- MS9 Effectively manage exterior spaces (e.g. beer gardens, smoking areas, table and chair areas on the highway)
- MS12 Prevent underage sales of alcohol, including proxy sales

Section 9: Alcohol delivery services

This section sets out specific provisions for alcohol delivery services to be considered in conjunction with relevant standards from Section 8 of the Policy

Section 10: Adult entertainment (including striptease, nudity and other entertainment of a sexual nature)

This section sets out specific considerations in respect of applications to provide adult entertainment, including entertainment of a sexual nature e.g. nudity, striptease and lap dancing.

Section 11: The use of tables and chairs on the public highway

This section provides that the operation of any areas on the public highway licensed for tables and chairs should be considered with regard to all relevant Standards set out in Section 8 of the Policy.

Section 12: Premises Licences for large-scale public events

This section sets out particular expectations regarding large scale public events, given the specific associated risks.

6. Conclusion

- 6.1 A licensing authority must carry out its functions under this Act (“licensing functions”) with a view to promoting the licensing objectives:
- the prevention of crime and disorder
 - public safety;
 - the prevention of public nuisance; and
 - the protection of children from harm.
- 6.2 In considering the matter, the Panel should take into account any representations or objections that have been received from responsible authorities or other persons, and representations made by the applicant or premises user as the case may be. In reaching the decision, regard must also

be had to relevant provisions of the national guidance and the Council's licensing policy statement.

- 6.3 The Panel must take such of the steps set out below that it considers appropriate for the promotion of the licensing objectives:
- a) To grant the licence subject to the conditions consistent with the operating schedule accompanying the application, which the Panel may modify to such extent as they consider appropriate;
 - b) To reject the whole or part of the application
- 6.4 The conditions consistent with the operating schedule may be modified to alter or omit any of them or to add any new condition, including restricting the times at which licensable activities authorised by the licence can take place.
- 6.5 However, conditions should not be imposed on a licence which are unrelated to the variation sought.
- 6.6 All licensing determinations should be considered on the individual merits of the application.
- 6.7 The Panel's determination should be evidence-based, justified as being appropriate for the promotion of the licensing objectives and proportionate to what it is intended to achieve. Findings on any issues of fact should be on the balance of probability.
- 6.8 It is important that a licensing authority should give comprehensive reasons for its decisions in anticipation of any appeals. Failure to give adequate reasons could itself give rise to grounds for an appeal.
- 6.9 **The Panel is asked to determine the application.**

Notes for Guidance

This application cannot be used to vary the licence so as to extend the period for which the licence has effect or to vary substantially the premises to which it relates. If you wish to make that type of change to the premises licence, you should make a new premises licence application under section 17 of the Licensing Act 2003.

1. You do not have to pay a fee if the only purpose of the variation for which you are applying is to avoid becoming liable for the late night levy
2. Describe the premises. For example, the type of premises, its general situation and layout and any other information which could be relevant to the licensing objectives. Where your application includes off-supplies of alcohol and you intend to provide a place of consumption of these off-supplies of alcohol, you must include a description of where the place will be and its proximity to the premises.
3. In terms of specific regulated entertainments please note that:

 - Boxing or Wrestling Entertainment: no licence is required for a contest, exhibition or display of Greco-Roman wrestling, or freestyle wrestling between 08.00 and 23.00 on any day, provided that the audience does not exceed 1000.  - a performance of unamplified live music between 08.00 and 23.00 on any day, on any premises.

Representation

Licensing and out of hours (LOOH), have assessed the likely impact of granting the variation to the licence taking into account a number of factors, including, the nature of the area in which the premises is located, the hours applied for and any potential risk that the granting of this application could undermine the licensing objectives Prevention of crime and disorder, Public Safety, The Prevention of public Nuisance and the Protection of Children from harm.

The applicant have applied to allow alcohol to be served from an outside bar till 3 am and for customers to remain outside to consume the alcohol until 4.30am when the premises closes.

They aim to achieve this by:

1. Removing condition 27 of Annex 2 to allow customers to consume alcohol in the external area until the premises closes at 4.30am every night of the week, Monday to Sunday.
2. Amending condition 5 of Annex 3 so that the external bar can be used until 3am.

LOOH have taken into account the changing make up of the area to now include a number of residential properties. One being directly next door to the premises housing approximately 172 residential properties, which have become occupied during the National Lockdown period, when the majority of the licenced premises on Deansgate Locks have remained closed as they operate similar to night clubs which have been not permitted to open for over 12 months.

The applicant, El diablo have a condition on their premises licence that allows the outside seated area to be used till 01:00 hours and last year made an application to vary their licence to include an outdoor portable bar, serving until 0:45, to which LOOH did not have an objection to due to the time requested. LOOH however now feel the hours applied for pertaining to the outside seating area and portable bar are excessive, requesting that the outside seating area now be in use every day of the week, Monday to Sunday till 4:30am. Residents would generally expect to get a good night's sleep without the threat of being disturbed from people noise or noise breakout during the early hours every day of the week, so they are fully rested for the working day ahead and would expect conditions attached to a licence to ensure this, and prevent public nuisance.

Removing these conditions would have a detrimental impact for those living next to the premises (picture above)

Local Factors

The statement of licensing policy looks at local factors **7.29** States that the Authority considers that later hours will typically be more sensitive and higher risk of causing problems. **7.31** Recognises that in spite of the quality the operation of the licensee, the lateness of the operation of the outside area for the premises will have the potential for disturbance. **7.32** States that the authority will be mindful of the density of residential use in proximity to the premises and the level of risk of nuisance arising. The authority expects that terminal hours will normally be earlier to promote the licensing objectives for licensed premises located in areas with a higher density of residential properties.

The area is rapidly expanding and incorporating more mix use business and residential buildings,

LOOH therefore ask that the application be refused.

Hello

I am writing to object to elements of this license applications changes:

3am bar use and sale of alcohol outdoors - this is unacceptable. Noise transfer is very prevalent in the area and there in an increased residential community immediately adjacent to the Deansgate Locks this needs factoring in to any permanent request for changes.

I therefore object to changes to Condition 5 / Annex 3 and Condition 27 / Annes 2.

and Taco Bar, Arch 11 & 12, Deansgate Locks, Whitworth Street West, Manchester, M1 5LH, (Deansgate ward)

I wish to support the objection from Councillor Jeavons. Outside alcohol and service to 3am is not acceptable in the city centre, and certainly not at this location where there are a number of residential properties, and more under construction.

Noise transfer in the area is already a problem, and there is a level of anti-social behaviour that can be difficult to control.

Ideally I would like to see outside use closed by 23.00 hours, as is common in much of the city centre, but it appears that 1.00am has already been granted.

- 1.1 On 10 March 2021, an application for the variation of an existing Premises Licence under s34 of the Licensing Act 2003 was made in respect of Boujee, Car Park next to Manchester Hall, 44-48 Bridge Street, Manchester, M3 3BZ in the Deansgate ward of Manchester. A location map of the premises is attached at **Appendix 1**.
- 1.2 A 28-day public consultation exercise was undertaken in accordance with Licensing Act 2003 regulations; requiring the application to be advertised by the displaying of a blue notice at or on the premises, a notice published in a newspaper or similar circulating in the local area, and details of the application published on the Council's website.
- 1.3 Representations may be made for or against an application during the consultation period. To be 'relevant' and, therefore, able to be taken into account in determining the application, they must be about the likely effect of the grant of the premises licence on the promotion of the licensing objectives. Where representations are made by persons who are not a responsible authority, they must not be frivolous or vexatious.
- 1.4 Relevant representations have been received in respect of this application and so it must be determined by a Licensing Hearing Panel in accordance with the Council's Constitution.

2. **Current Licence**

- 2.1 The premises licence holder is Boujee Restaurant and Bar Limited and a copy of the current licence is attached at **Appendix 2**.

3. **The Application**

- 3.1 A copy of the application is attached at **Appendix 3**.
- 3.2 The variation is to:
- Extend the hours for licensable activities to 02:00 daily, plus 30 minutes dispersal.
 - To add the following condition in light of the above: 'On any day the premises will trade beyond 01:00, SIA registered door supervisors shall be employed at the premises at a ratio of 1:100 customers'. Condition 5 of Annex 2 is to be correspondingly amended to commence with 'At all other times..'
 - To add non-standard timings for BST.
 - To add late night refreshment and recorded music as licensable activities.
- 3.2.1 In accordance with the Live Music Act 2012 and Deregulation Act 2015, performances of Live Music and Recorded Music between the hours of 0800 and 2300 hours have been deregulated and so should not be regarded as licensable activities for the purposes of this application.
- 3.2.2 Any further details provided relating to any of the individual licensable activities are specified on the application form at **Appendix 3**.

3.3 **Activities unsuitable for children**

3.3.1 The applicant has not highlighted any adult entertainment or services, activities, other entertainment or matters ancillary to the use of the premises that may give rise to concern in respect of children.

3.4 **Steps to promote the licensing objectives**

3.4.1 The applicant proposes to promote the licensing objectives by taking the steps identified in the operating schedule.

3.4.2 These steps must be translated into conditions by the licensing authority to be included in any granted premises licence, unless the conditions are modified by the Panel following consideration of relevant representations. These conditions are set out in the Schedule of Conditions at **Appendix 6**.

4. **Relevant Representations**

4.1 A total of 2 relevant representations were received in respect of the application (**Appendix 5**). The personal details of all members of the public have been redacted. Original copies of these representation will be available to the Committee at the hearing.

Other Persons:

- Deansgate Ward Councillors;
- Residents (x1).

4.2 Summary of the representations:

Party	Grounds of representation	Recommends
Deansgate Ward Councillors	The Local Ward Councillors have objected to the application on the grounds of public nuisance and public safety. It is felt that the applied for extended opening hours are excessive and that the location of the premises to a nearby public thoroughfare and pedestrian crossing point will present potential issues of public safety once the night-time economy returns.	Requesting feedback/assurances from the applicant as to how the premises intends to address and manage the issues highlighted in their representation.
Residents (x1)	The representation submitted by the local resident (who resides in a residential premises located in the Salford Local Authority area across the River Irwell, which is in close proximity to the	No precise outcome specified but complainant has clearly stated that the application to extend the premises'

	<p>premises) is objecting to the application on the grounds of public nuisance. The private resident already experiences noise disturbance at antisocial times of the day from both the applicants premises (and other licensed premises' in the locality) and is concerned that the applied for extended operating hours will only serve to add further to the existing noise disturbance incidents and is therefore objecting to the application on the grounds of public nuisance.</p>	<p>operating timings/licensable activities to 0200hours (with 30 minutes dispersal) each day of the week is unacceptable to them.</p>
--	---	---

4.3 Any conditions proposed by objectors are set out in the Schedule of Conditions at **Appendix 6**.

5. **Key Policies and Considerations**

5.1 **Legal Considerations**

5.1.1 Hearings under the Licensing Act 2003 operate under the Licensing Act 2003 (Hearings) Regulations 2005.

5.2 **New Information**

5.2.1 In accordance with Regulation 18 of the Licensing Act 2003 (Hearings) Regulations 2005, the authority may take into account documentary or other information produced by a party in support of their application, representations or notice either before the hearing or, with the consent of all parties, at the hearing.

5.3 **Hearsay Evidence**

5.3.1 The Panel may accept hearsay evidence and it will be a matter for the Panel to attach what weight to it that they consider appropriate. Hearsay evidence is evidence of something that a witness neither saw nor heard, but has heard or read about.

5.4 **The Secretary of State's Guidance to the Licensing Act 2003**

5.4.1 The Secretary of State's Guidance to the Licensing Act 2003 is provided for all parties involved in licensing. It is a key medium for promoting best practice, ensuring consistent application of licensing powers across England and Wales and for promoting fairness, equal treatment and proportionality.

5.4.2 Section 4 of the 2003 Act provides that, in carrying out its functions, a licensing authority must 'have regard to' guidance issued by the Secretary of State under

section 182. The Guidance is therefore binding on all licensing authorities to that extent. However, the Guidance cannot anticipate every possible scenario or set of circumstances that may arise and, as long as licensing authorities have properly understood this Guidance, they may depart from it if they have good reason to do so and can provide full reasons.

- 5.4.3 Departure from the Guidance could give rise to an appeal or judicial review, and the reasons given will then be a key consideration for the courts when considering the lawfulness and merits of any decision taken.

5.5 **Manchester Statement of Licensing Policy**

- 5.5.1 Section 4 of the 2003 Act provides that, in carrying out its functions, a licensing authority must 'have regard to' its statement of licensing policy.

- 5.5.2 The Licensing Policy sets out the vision the licensing authority has for the regulation of licensed premises throughout Manchester and outlines the standards expected in order to ensure the promotion of the licensing objectives in the city. The Panel may depart from the policies should it consider doing so would benefit the promotion of the licensing objectives. Reasons are to be given for any such departure from the Policy.

- 5.5.3 Section 4 of the Policy (Operation of the Policy) sets out how the Licensing Policy is intended to be used in practice for licence applications and licensed premises.

- 5.5.4 Relevant to this application and the grounds of the representations made, the Panel are recommended to have regard to the following sections of the Policy:

Section 6: What we aim to encourage

This section identifies certain types of venues and initiatives the licensing authority aims to encourage in order to promote an inclusive evening and night-time economy not simply focused on the consumption of alcohol. We aim to encourage:

- Premises that will extend the diversity of entertainment and attract a wider range of participants
- Live music, especially original material, which will provide a range of live performances and styles of music, provided that such entertainment does not undermine the licensing objectives
- National cultural institutions, global sports events and cultural festivals
- Non-drink-led premises, including restaurants, cafes, theatres and cinemas
- Communication and integration with local residents and businesses through licensees consulting with those in the local area prior to an application
- Participation in Pubwatches, off licence forums and other crime-reduction partnerships
- Engagement with the NITENET radio scheme and DISC secure information sharing platform by city centre venues through the Cityco Manchester Business Crime Reduction Partnership
- Designing out crime in the layout of the premises

Section 7: Local factors

This section sets out key issues that applicants are expected to take into account relevant to the individual characteristics of the premises when preparing their operating schedule and address any local factors relevant to their premises.

Having regard to the grounds of the representations made, the Panel are recommended to have regard to the following factors:

- Identified risk factors specific to the licensed premises
- Evidence of pre-existing problems in the area
- Consistency with relevant Council strategies
- The proximity of the premises to local residents and other local businesses, particularly in relation to the potential for nuisance

Section 8: Manchester's standards to promote the licensing objectives

This section identifies the standards that the licensing authority expects of licensed premises in Manchester. It is recognised that not all standards will be appropriate to apply in every situation to every premises, and applicants are not obliged to include all standards in their operating schedule. The degree to which standards would be appropriate is expected to be proportionate to the risk posed against the promotion of the licensing objectives having regard to the individual circumstances of the premises. The standards are not exhaustive and the licensing authority will have regard to any relevant issues raised in any representation that may fall outside them.

- | | |
|------|--|
| MS2 | Effective general management of the premises |
| MS3 | Responsible promotion and sale of alcohol |
| MS5 | Prevent on-street consumption of alcohol |
| MS8 | Prevent noise nuisance from the premises |
| MS9 | Effectively manage exterior spaces (e.g. beer gardens, smoking areas, table and chair areas on the highway) |
| MS10 | Operate effective cleansing arrangements, including ensuring the premises and surrounding area are kept clean and free of litter, and adequate arrangements for the secure and responsible storage of refuse |

6. Conclusion

6.1 A licensing authority must carry out its functions under this Act ("licensing functions") with a view to promoting the licensing objectives:

- the prevention of crime and disorder
- public safety;
- the prevention of public nuisance; and
- the protection of children from harm.

6.2 In considering the matter, the Panel should take into account any representations or objections that have been received from responsible authorities or other persons, and representations made by the applicant or premises user as the case may be. In reaching the decision, regard must also

be had to relevant provisions of the national guidance and the Council's licensing policy statement.

- 6.3 The Panel must take such of the steps set out below that it considers appropriate for the promotion of the licensing objectives:
 - a) To grant the licence subject to the conditions consistent with the operating schedule accompanying the application, which the Panel may modify to such extent as they consider appropriate;
 - b) To reject the whole or part of the application
- 6.4 The conditions consistent with the operating schedule may be modified to alter or omit any of them or to add any new condition, including restricting the times at which licensable activities authorised by the licence can take place.
- 6.5 However, conditions should not be imposed on a licence which are unrelated to the variation sought.
- 6.6 All licensing determinations should be considered on the individual merits of the application.
- 6.7 The Panel's determination should be evidence-based, justified as being appropriate for the promotion of the licensing objectives and proportionate to what it is intended to achieve. Findings on any issues of fact should be on the balance of probability.
- 6.8 It is important that a licensing authority should give comprehensive reasons for its decisions in anticipation of any appeals. Failure to give adequate reasons could itself give rise to grounds for an appeal.
- 6.9 **The Panel is asked to determine the application.**

Notes for Guidance

This application cannot be used to vary the licence so as to extend the period for which the licence has effect or to vary substantially the premises to which it relates. If you wish to make that type of change to the premises licence, you should make a new premises licence application under section 17 of the Licensing Act 2003.

1. You do not have to pay a fee if the only purpose of the variation for which you are applying is to avoid becoming liable for the late night levy
2. Describe the premises. For example, the type of premises, its general situation and layout and any other information which could be relevant to the licensing objectives. Where your application includes off-supplies of alcohol and you intend to provide a place of consumption of these off-supplies of alcohol, you must include a description of where the place will be and its proximity to the premises.
3. In terms of specific regulated entertainments please note that:
 - Plays: no licence is required for performances between 08.00 and 23.00 on any day, provided that the audience does not exceed 500.
 - Films: no licence is required for 'not-for-profit' film exhibition held in community premises between 08.00 and 23.00 on any day provided that the audience does not exceed 500 and the organiser (a) gets consent to the screening from a person who is responsible for the premises; and (b) ensures that each such screening abides by age classification ratings.
 - Indoor sporting events: no licence is required for performances between 08.00 and 23.00 on any day, provided that the audience does not exceed 1000.
 - Boxing or Wrestling Entertainment: no licence is required for a contest, exhibition or display of Greco-Roman wrestling, or freestyle wrestling between 08.00 and 23.00 on any day, provided that the audience does not exceed 1000. Combined fighting sports – defined as a contest, exhibition or display which combines boxing or wrestling with one or more martial arts – are licensable as a boxing or wrestling entertainment rather than an indoor sporting event.
 - Live music: no licence permission is required for:
 - a performance of unamplified live music between 08.00 and 23.00 on any day, on any premises.
 - a performance of amplified live music between 08.00 and 23.00 on any day on premises authorised to sell alcohol for consumption on those premises, provided that the audience does not exceed 500.
 - a performance of amplified live music between 08.00 and 23.00 on any day, in a workplace that is not licensed to sell alcohol on those premises, provided that the audience does not exceed 500.
 - a performance of amplified live music between 08.00 and 23.00 on any day, in a church hall, village hall, community hall, or other similar community premises, that is not licensed by a premises licence to sell alcohol, provided that (a) the audience does not exceed 500, and (b) the organiser gets consent for the performance from a person who is responsible for the premises.
 - a performance of amplified live music between 08.00 and 23.00 on any day, at the non-residential premises of (i) a local authority, or (ii) a school, or (iii) a hospital, provided that (a) the audience does not exceed 500, and (b) the organiser gets consent for the performance on the relevant premises from: (i) the local authority concerned, or (ii) the school or (iii) the health care provider for the hospital.

- Recorded Music: no licence permission is required for:
 - any playing of recorded music between 08.00 and 23.00 on any day on premises authorised to sell alcohol for consumption on those premises, provided that the audience does not exceed 500.
 - any playing of recorded music between 08.00 and 23.00 on any day, in a church hall, village hall, community hall, or other similar community premises, that is not licensed by a premises licence to sell alcohol, provided that (a) the audience does not exceed 500, and (b) the organiser gets consent for the performance from a person who is responsible for the premises.
 - any playing of recorded music between 08.00 and 23.00 on any day, at the non-residential premises of (i) a local authority, or (ii) a school, or (iii) a hospital, provided that (a) the audience does not exceed 500, and (b) the organiser gets consent for the performance on the relevant premises from: (i) the local authority concerned, or (ii) the school proprietor or (iii) the health care provider for the hospital.

 - any entertainment taking place on the premises of the local authority where the entertainment is provided by or on behalf of the local authority;
 - any entertainment taking place on the hospital premises of the health care provider where the entertainment is provided by or on behalf of the health care provider;
 - any entertainment taking place on the premises of the school where the entertainment is provided by or on behalf of the school proprietor; and
 - any entertainment (excluding films and a boxing or wrestling entertainment) taking place at a travelling circus, provided that (a) it takes place within a moveable structure that accommodates the audience, and (b) that the travelling circus has not been located on the same site for more than 28 consecutive days.
4. Where taking place in a building or other structure please tick as appropriate (indoors may include a tent).
 5. For example state type of activity to be authorised, if not already stated, and give relevant further details, for example (but not exclusively) whether or not music will be amplified or unamplified.
 6. For example (but not exclusively), where the activity will occur on additional days during the summer months.
 7. For example (but not exclusively), where you wish the activity to go on longer on a particular day e.g. Christmas Eve.
 8. Please give timings in 24 hour clock (e.g. 16.00) and only give details for the days of the week when you intend the premises to be used for the activity.
 9. If you wish people to be able to consume alcohol on the premises, please tick 'on the premises'. If you wish people to be able to purchase alcohol to consume away from the premises, please tick 'off the premises'. If you wish people to be able to do both, please tick 'both'.
 10. Please give information about anything intended to occur at the premises or ancillary to the use of the premises which may give rise to concern in respect of children regardless of whether you intend children to have access to the premises, for example (but not exclusively) nudity or semi-nudity, films for restricted age groups or the presence of gaming machines.
 11. Please list here steps you will take to promote all four licensing objectives together.

12. The application form must be signed.
13. An applicant's agent (for example solicitor) may sign the form on their behalf provided that they have actual authority to do so.

Subject: Premises Licence variation 256300/BJ1: Boujee, Car Park next to Manchester Hall, 44-48 Bridge Street, Manchester, M3 3BZ, (Deansgate ward)

In regard to this application I have two points to make:

1. The premises is requesting an additional 3 hours of trade. This is a considerable increase
2. The premises is located close to a pedestrian crossing which will be extremely busy once the night time economy returns.

I would therefore like some reassurance about the quality of operations management which will be employed to address these issues.

Premises licence variation 256300/BJ1

Subject: Premises licence variation 256300/BJ1

Dear Sir/Madam,

I am writing in reference to the premises licence variation application for the premises: Boujee, Car Park next to Manchester Hall, 44-48 Bridge Street, Manchester, M3 3BZ.

I live in the apartment block [REDACTED] and we are already disturbed by noise and music from the bars and restaurants in this area during the day and night. This is because the music is playing outside in the open and is not confined to an indoor space. We are just across the river and the sound travels very easily to our flats. The noise can be heard even with our windows closed.

I would therefore like to strongly object to the extension of licensable activities to 02.00 in the morning which includes music in the open. This is unacceptable in a residential area.

Best wishes,

Carole Maldonado

Background documents (available for public inspection):

- Manchester City Council Statement of Licensing Policy 2016 - 2021
- Guidance issued under section 182 of the Licensing Act 2003, April 2018
- Licensing Act 2003 (Hearings) Regulations 2005
- Any further documentary submissions by any party to the hearing

1. Introduction

- 1.1 On 2 February 2021 an application was made by Greater Manchester Police under s51 of the Licensing Act 2003 for a Review of the Premises Licence for Britannia Hotel, Britannia Hotel, 35 Portland Street, Manchester, M1 3LA in the Piccadilly ward of Manchester. A location map and photograph of the premises is attached at **Appendix 1**.
- 1.2 A 28 day public consultation exercise has been undertaken in accordance with Licensing Act 2003 regulations; requiring the application to be advertised by the displaying of a blue notice at or on the premises and details of the application to be published on the Council's website.
- 1.3 The licensing authority must hold a hearing to consider an application to review a premises licence and any relevant representations.

2. The Application

- 2.1 A copy of the application is attached at **Appendix 2**.
- 2.2 The applicant is PC Alan Isherwood on behalf of Greater Manchester Police.
- 2.3 The application for a review was submitted on the grounds that the licence holder has failed to uphold the licensing objective(s) of the prevention of crime and disorder, public safety, the prevention of public nuisance, the protection of children from harm.
- 2.4 Further details of the grounds for the review are as follows: The premises are the location of numerous incidents or crime, disorder and antisocial behaviour and GMP believe that, as such, they are undermining the Four Licensing Objectives.

3. Current Premises Licence

- 3.1 A copy of the current licence is attached at **Appendix 3**.
- 3.2 The premises licence holder is Britannia Hotels Ltd who has held the licence since 12/08/2005.
- 3.3 The designated premises supervisor is Mr Mahendran Mayan Al S Maniam who has held this position since 27 February 2017.
- 3.4 The licensable activities permitted by the licence are:
- The sale by retail of alcohol
 - The provision of regulated entertainment, limited to:
 - Live music;
 - Recorded music;
 - Performances of dance;
 - Anything similar to live music, recorded music or the performance of dance.
 - The provision of late-night refreshment.

4. **Relevant Representations**

- 4.1 Representations may be made for or against a review application during the consultation period. To be 'relevant' and, therefore, able to be taken into account in determining the application, they must relate to one or more of the licensing objectives. Representations may be made by the holder of the premises licence, a responsible authority or any other person. Where representations are made by persons who are not a responsible authority, they must not be frivolous or vexatious.
- 4.2 No relevant representations have been received in respect of this application

5. **Additional information**

- 5.1 Additional information has been received from Britannia Hotels Ltd, attached as **Appendix 6**.

6. **Key Policies and Considerations**

6.1 **Legal Considerations**

- 6.1.1 Hearings under the Licensing Act 2003 operate under the Licensing Act 2003 (Hearings) Regulations 2005.

6.2 **New Information**

- 6.2.1 In accordance with Regulation 18 of the Licensing Act 2003 (Hearings) Regulations 2005, the authority may take into account documentary or other information produced by a party in support of their application, representations or notice either before the hearing or, with the consent of all parties, at the hearing.

6.3 **Hearsay Evidence**

- 6.3.1 The Panel may accept hearsay evidence and it will be a matter for the Panel to attach what weight to it that they consider appropriate. Hearsay evidence is evidence of something that a witness neither saw nor heard, but has heard or read about.

6.4 **The Secretary of State's Guidance to the Licensing Act 2003**

- 6.4.1 The Secretary of State's Guidance to the Licensing Act 2003 is provided to licensing authorities in relation to the carrying out of their functions under the 2003 Act. It also provides information to magistrates' courts hearing appeals against licensing decisions and has been made widely available for the benefit of those who run licensed premises, their legal advisers and the general public. It is a key medium for promoting best practice, ensuring consistent application of licensing powers across England and Wales and for promoting fairness, equal treatment and proportionality.

- 6.4.2 Section 4 of the 2003 Act provides that, in carrying out its functions, a licensing authority must ‘have regard to’ guidance issued by the Secretary of State under section 182. The Guidance is therefore binding on all licensing authorities to that extent. However, the Guidance cannot anticipate every possible scenario or set of circumstances that may arise and, as long as licensing authorities have properly understood this Guidance, they may depart from it if they have good reason to do so and can provide full reasons.
- 6.4.3 Departure from the Guidance could give rise to an appeal or judicial review, and the reasons given will then be a key consideration for the courts when considering the lawfulness and merits of any decision taken.

6.5 **Manchester Statement of Licensing Policy**

- 6.5.1 Section 4 of the 2003 Act provides that, in carrying out its functions, a licensing authority must ‘have regard to’ its statement of licensing policy.
- 6.5.2 The Licensing Policy sets out the vision the licensing authority has for the regulation of licensed premises throughout Manchester and outlines the standards expected in order to ensure the promotion of the licensing objectives in the city. The Panel may depart from the policies should it consider doing so would benefit the promotion of the licensing objectives. Reasons are to be given for any such departure from the Policy.
- 6.5.3 There are a number of references in the Policy to the licensing authority’s expectations of applicants. The licensing authority will not apply the Policy rigidly, but will always have regard to the merits of the case with a view to promoting the licensing objectives.
- 6.5.4 Relevant to this application, the Panel are recommended to have regard to the following sections of the Policy:

Section 6: What we aim to encourage

This section identifies certain types of venues and initiatives the licensing authority aims to encourage in order to promote an inclusive evening and night-time economy not simply focused on the consumption of alcohol. We aim to encourage:

- Premises that will extend the diversity of entertainment and attract a wider range of participants
- Live music, especially original material, which will provide a range of live performances and styles of music, provided that such entertainment does not undermine the licensing objectives
- National cultural institutions, global sports events and cultural festivals
- Non-drink-led premises, including restaurants, cafes, theatres and cinemas
- Communication and integration with local residents and businesses through licensees consulting with those in the local area prior to an application
- Participation in Pubwatches, off licence forums and other crime-reduction partnerships

- Engagement with the NITENET radio scheme and DISC secure information sharing platform by city centre venues through the Cityco Manchester Business Crime Reduction Partnership
- Designing out crime in the layout of the premises

Section 8: Manchester's standards to promote the licensing objectives

This section identifies the standards that the licensing authority expects of licensed premises in Manchester. It is recognised that not all standards will be appropriate to apply in every situation to every premises. The degree to which standards would be appropriate is expected to be proportionate to the risk posed against the promotion of the licensing objectives having regard to the individual circumstances of the premises. The standards are not exhaustive and the licensing authority will have regard to any relevant issues raised in any representation that may fall outside them.

- MS1 Implement effective security measures at the premises
- MS2 Effective general management of the premises
- MS3 Responsible promotion and sale of alcohol
- MS4 Prevent the use of illegal drugs, new psychoactive substances (NPS) and the spiking of drinks at the premises
- MS5 Prevent on-street consumption of alcohol
- MS6 Provide a Duty of Care for intoxicated or vulnerable customers and medical emergencies
- MS8 Prevent noise nuisance from the premises
- MS11 Ensure the wellbeing of children on the premises
- MS12 Prevent underage sales of alcohol, including proxy sales

7. Conclusion

- 7.1 A licensing authority must carry out its functions under this Act ("licensing functions") with a view to promoting the licensing objectives:
- a) the prevention of crime and disorder
 - b) public safety;
 - c) the prevention of public nuisance; and
 - d) the protection of children from harm.
- 7.2 In considering the matter, the Panel should take into account any representations or objections that have been received from responsible authorities or other persons, and representations made by the licence holder. In reaching the decision, regard must also be had to relevant provisions of the national guidance and the Council's licensing policy statement.
- 7.3 The authority must take such of the steps below as it considers appropriate for the promotion of the licensing objectives. The steps are –
- a) to modify the conditions of the licence;
 - b) to exclude a licensable activity from the scope of the licence;
 - c) to remove the designated premises supervisor;
 - d) to suspend the licence for a period not exceeding three months;
 - e) to revoke the licence.

- 7.4 The conditions of the licence are modified if any of them is altered or omitted or any new condition is added.
- 7.5 All licensing determinations should be considered on the individual merits of the application.
- 7.6 The Panel's determination should be evidence-based, justified as being appropriate for the promotion of the licensing objectives and proportionate to what it is intended to achieve. Findings on any issues of fact should be on the balance of probability.
- 7.7 It is important that a licensing authority should give comprehensive reasons for its decisions in anticipation of any appeals. Failure to give adequate reasons could itself give rise to grounds for an appeal.
- 7.8 **The Panel is asked to take such steps, as set out in 7.3 above, as it considers appropriate for the promotion of the licensing objectives.**

Please provide as much information as possible to support the application
(please read guidance note 2)

The Britannia Hotel is situated at 35 Portland Street in the City Centre of Manchester and the premises licence was issued on 12th August 2005.

The Premises Licence Holder is Britannia Hotels Ltd and the Designated Premises Supervisor is Mr Mahendran Mayan Al S Maniam.

Since the government lifted the first lockdown restriction on 4th July 2020 the premises has seen a significant increase in crime, disorder and anti-social behaviour related issues and as such, PC Braithwaite the GMP licensing officer who covers the Piccadilly area, contacted the management of the premises and arranged a meeting with them to discuss these problems.

On 13th July 2020 PC Joanne Shaw contacted the premises to discuss an issue that the premises were having and to raise concerns about the number of incidents that were occurring at the premises. She recommended that the premises employed security for the coming weekend. She went on to say that she was readily available to do some prevention training with the staff at the premises to focus on dealing with aggressive customers and to go through the booking in procedures to reduce vulnerability. PC Isherwood contacted PC Shaw on 2nd December 2020 to enquire to whether the premises took her up on her offer of free training. PC Shaw replied that they had not. A copy of the original email and follow up emails can be found at pages 15-16 of the bundle and is now submitted as exhibit JS/1

On Friday 31st July 2020 the meeting which PC Braithwaite had arranged took place at the Britannia Hotel and in attendance were PC Braithwaite, the DPS Mr Maniam, David Fleming (the DPS from Bar Rogue and Wave) and the Britannia Hotels area manager Matt Wass.

The meeting was centred around the recent issues at the Britannia Hotel which have occurred since 10th July 2020 and which have resulted in police being called to numerous violent incidents and disturbances. During the meeting PC Braithwaite gave a brief description of 21 incidents, the outcome of each incident, and the time and date they occurred. All the incidents were between 10th July and 30th July, and PC Braithwaite explained how concerned he was with number of calls to police and the violent nature of many of the incidents. The parties discussed why these incidents were occurring and what could be done to reduce the occurrence of them.

The main concerns and improvements discussed in the meeting were:

Increase in door staff – At the time of the meeting the premises had door staff employed from 9pm to 7am every Friday and Saturday night. The incidents and calls to police which had been occurring since 10th July had been at different times of the day and different days of the week and there was clearly a need to increase the door staff numbers. The DPS Mr Maniam confirmed that moving forward there will be a door supervisor employed from 11am through to 7am, 7 days a week, with two door supervisors from 9pm to 5am on Friday and Saturday nights, and at any other peak / high risk times, to be risk assessed by the operators.

Walks in – due to the lower demand since Covid restrictions were introduced, the operators said there had been an increase in the number of customers staying at the hotel who turn up without a booking and pay cash, with prices as low as £31 per night. PC Braithwaite strongly encouraged the operators to closely monitor and if necessary refuse these potential customers, if they gave any cause for potential concern. PC Braithwaite assured the operators that they were within their rights to refuse them.

Challenging people entering the hotel – All parties agreed that as the hotel is so big, people can enter the hotel, and within seconds be out of sight of staff, and able to cause issues such as ASB, theft from rooms, multiple occupancy of rooms etc. PC Braithwaite advised that one of his colleagues had entered the hotel and stayed in reception for several minutes with no staff in sight. He stressed that it is essential that everyone who enters the hotel is spoken to and if necessary challenged by staff. He further pointed out that with the increase in door staff that the operators had committed to moving forward, it should be much more difficult for people to enter unchallenged. Furthermore PC Braithwaite asked the operators to make sure reception staff are aware of the need to be visible to people entering the hotel.

PC Braithwaite went on to explain the enforcement powers available to the Police under The Anti-Social Behaviour and Policing Act 2014 and The Licensing Act 2003 – but also explained that this is not GMP's preferred solution and that we would much rather work with the operators to prevent further issues occurring moving forward.

PC Braithwaite followed up this meeting with an email to the attendees and this can be found at pages 11-12 of the bundle and is now submitted as Exhibit SB/1.

In early November 2020 Greater Manchester was placed into Tier 3 of the Coronavirus restrictions and as such all hospitality venues had to close, with a few legitimate exceptions. Hotels fell under these restrictions and were not allowed to have guests stay overnight at their premises unless they hit certain criteria, such as key workers needing accommodation or people attending medical appointments. Therefore after 3rd November 2020 there is only one recorded incident at the premises but between 10th July 2020 and 3rd November 2020 there were well over 50 incidents recorded at the premises that cause GMP concern, with a further incident on 3rd December 2020, and these are summarised in the document found at pages 17-21 of the bundle. There is also a breakdown of the days and times that the incidents are occurring. This document is now submitted as Exhibit SB/3.

The logs of these incidents and a photograph of injuries sustained by a member of security during one of the incidents can be found between pages 23-136 of the bundle and are now submitted as Exhibits AEI/1 - AEI/57

On 17th November 2020 PC Braithwaite emailed Paul Balderson from Britannia to inform him that despite the meeting which had taken place there was still an unacceptably high number of incidents at the premises and set out a list of conditions that he wanted the premises operators to have attached to their premises licence by way of a minor variation. He went on to say that if we hadn't received the minor variation by 24th November 2020 then we would have to apply for a Review of the licence. A copy of this email is found at pages 13-14 of the bundle and this is now submitted as exhibit SB/2

PC Braithwaite was contacted by Kuits solicitors on 27th November and as a result of this email he arranged a virtual meeting with the operators via ZOOM and this took place on Wednesday 9th December 2020.

Dialled into the meeting were PC Braithwaite, PC Isherwood, Niall Johnson from Manchester City Council Licensing and Out of Hours Team (MCC LOOH), Paul Balderson from Britannia Hotels and Felicity Tulloch from Kuits solicitors.

During this meeting PC Braithwaite referred to the email communications he had sent to the operators regarding the high number of incidents at Britannia Hotel and GMP's suggestion for them to submit a Minor Variation to their Premises Licence to add extra conditions as a way of reducing and preventing the incidents from occurring. The conditions proposed by GMP were as follows:

- 1 x SIA registered door supervisor will be employed at the hotel from midday until 06:00 hours, 7 days a week.
- From Thursday to Sunday, from 20:00 to 06:00 hours, 2 x SIA registered door supervisors will be employed.
- Door supervisors employed at the venue will wear a high visibility jacket and will be in radio communication with other staff at the hotel.
- A minimum of one door supervisor will wear a body worn video at all times they are on duty. The footage will be retained for 28 days and will be available to the police on request.
- Photograph identification will be obtained for anyone who stays at the hotel.
- All staff who have customer contact will engage in training around CSE (Child Sexual Exploitation) which will be documented and refreshed every 6 months.

The meeting resulted in an understanding that GMP would not take any further action for a week (until 16th December), so Britannia Hotel could consider their position, but that if no contact was made by Britannia Hotel with GMP/MCC, a standard Review would be submitted by GMP/MCC.

On 16th December 2020 an email was received from Kuits solicitors stating that they had discussed the matter and were happy to lodge a minor variation to firm up and enhance the existing door staff condition, but due to a bereavement in Paul's family, he would understandably be unavailable for a few days. The email went on to say that the proposed condition would be sent over to us as soon as possible with a view to lodging the minor variation before the Christmas break.

PC Braithwaite replied to the email on 17th December 2020 stating that under the circumstances there was no issue with taking extra time to lodge the minor variation.

Kuits solicitors replied on the 18th December 2020 stating that, as the premises was under Tier 3 of the restrictions, no licensable activity would be taking place and that they would get the draft application over to us as soon as they could.

On 7th January 2021 Kuits sent an email asking that, as the UK was now in a national lockdown, whether now was the right time to lodge the variation. It went on to state that as the premises may be closed for several months the terms of the condition may age pretty quickly. It asked whether it would be better to finalise the wording of the condition once there was a clearer route out of lockdown in sight. The question was also asked as to whether there had been any further incidents at the premises during the previous 4 week period.

On 11th January 2021 PC Braithwaite replied to Kuits via email and stated that he wasn't aware of any incidents over the last 4 weeks but, with the hotel being effectively closed, that's what we'd expect.

He went on to say that despite not knowing when the lock down is ending, it no doubt will in the relatively near future and that we'd like to be in a position to ensure the hotel's Premises Licence is fit for purpose at that point. He stated that GMP's stance on the need to modify the conditions won't change between now and the end of lockdown, and any new conditions would, of course, not be enforced or enforceable until licensable activity recommenced.

He also stated that GMP still hadn't had sight of the proposed conditions and that our intention was to avoid any more delays and that unless we receive proposed conditions by the end of that week, which are agreeable to us and which have been submitted by way of Minor Variation, we would be submitting a Standard Review.

On the 14th January 2021 Kuits emailed some proposed conditions which were as follows:

On Thursdays, Fridays and Saturdays and when the premises is open for licensable activities beyond midnight on those days, a minimum of 1 SIA-licensed door supervisor shall be on duty at the entrance of the premises between 9pm and 3.30am. At all other times, the need for door supervisors shall be risk assessed by the DPS.

A minimum of 1 SIA-licensed door supervisor shall be on duty at the exit from the premises to ensure the orderly dispersal of customers following the cessation of licensable activities, until the area immediately outside the premises is clear of customers.

When doormen are employed at the premises, at least one shall wear, and use, a bodycam.

All staff engaged in a security capacity outside the entrance to the premises, or supervising or controlling queues, shall wear high-visibility armbands.

All persons entering or re-entering the premises may be subjected to a random search by an SIA-trained member of staff. The search area shall be in an area monitored by the premises' CCTV system. Any customer refusing to be searched shall not be permitted entry to the premises. Notices indicating that random searches are in force at the premises shall be prominently located.

The Nitenet radio link shall be operated between 7pm and 7am daily. The radio shall be kept in good working order, operated by a responsible member of staff and used to report incidents of crime and disorder to the CCTV control room and other radio users.

GMP considered these proposed conditions but our opinion is that they fall short of what we believe is required and PC Braithwaite emailed Kuits on 15th January 2021 to inform them of this.

These conditions proposed by the Premises Licence Holder have since been submitted as a minor variation.

Therefore GMP believe that a Standard Review of their Premises Licence is proportionate and necessary, as we do not see any other way of addressing our serious concerns regarding the number of incidents occurring at the premises. The Premises Licence Holder has submitted a minor variation for their proposed conditions but in our opinion these do not satisfactorily address the issues and fall short of the more robust conditions which we were asking them to put on their licence. The breakdown of days and times found on page 21 of the bundle clearly shows that the incidents are happening 7 days a week and at times which are outside of the times of the door staff condition offered by the operator in the recent minor variation. It is clear a more robust door staff condition is required.

Therefore we would ask that committee attach the following conditions to the Premises Licence to make it far less likely that incidents of this nature will continue to take place at the premises:

1 x SIA registered door supervisor will be employed at the hotel from midday until 06:00 hours, 7 days a week.

- From Thursday to Sunday, from 20:00 to 06:00 hours, 2 x SIA registered door supervisors will be employed.

- Door supervisors employed at the venue will wear a high visibility jacket and will be in radio communication with other staff at the hotel.
- A minimum of one door supervisor will wear a body worn video at all times they are on duty. The footage will be retained for 28 days and will be available to the police on request.
- Photograph identification will be obtained for anyone who stays at the hotel.
- All staff who have customer contact will engage in training around CSE (Child Sexual Exploitation) which will be documented and refreshed every 6 months.

Paul,

Further to previous emails regarding issues at The Britannia Hotel, Portland Street in Manchester City Centre, we are unfortunately still receiving an unacceptable number of reports relating to violence, disorder, drugs and other issues at the hotel. Following the meeting I had with Michael Mayan and Matthew Wass on 31st July this, there is still a high number of incidents at the hotel and we're now forced to look at the next appropriate course of action.

I've discussed the number and nature of incidents at the hotel with Niall Johnson (Manchester City Council) and we're now at a stage where we consider that the Premises Licence needs amending to reflect the risk posed and to uphold the Licensing Objectives. Ideally that will be done by way of a Minor Variation, submitted by yourselves. Obviously that would have to be your decision to do that. If you do not agree to what's proposed we will be submitting a Standard Review of the Premises Licence. The additional conditions that Niall as ourselves agree need to be added to the Premises Licence are as follows:

- 1 x SIA registered door supervisor will be employed at the hotel from midday until 06:00 hours, 7 days a week.
- From Thursday to Sunday, from 20:00 to 06:00 hours, 2 x SIA registered door supervisors will be employed.
- Door supervisors employed at the venue will wear a high visibility jacket and will be in radio communication with other staff at the hotel.
- A minimum of one door supervisor will wear a body worn video at all times they are on duty. The footage will be retained for 28 days and will be available to the police on request.
- Photograph identification will be obtained for anyone who stays at the hotel.
- All staff who have customer contact will engage in training around CSE (Child Sexual Exploitation) which will be documented and refreshed every 6 months.

I have attached a breakdown of incidents recorded at the hotel since 10th July 2020 for you to review. There may be further incidents in that time period, I'm currently carrying on work to ensure all incidents are recorded and made available to you, and for our use at a Licensing Hearing.

Please confirm by Friday 20th November if you are willing to submit the Minor Variation. Should you not be, or we haven't had confirmation either way by Tuesday 24th November 2020, a Standard Review of your Premises Licence will be submitted.

If you wish to discuss the matter in person or by phone, don't hesitate to contact me.

Thanks

Simon

Michael,

Following our discussion today about the issue you are having with the male we spoke about, please can you report through BCRP and in the meantime I will contact our ASBAT team about arranging statements etc. for evidential purposes. It would also be beneficial if you can provide a still from the CCTV for the report. If it helps ASBAT I can call tomorrow and take statements to speed things up.

In relation to last weekend, there were a number of calls about disturbances and other police demand calls from the Britannia and also directly outside, From a police perspective, It is highly recommended that there are security guards in place for next weekend and after this time as we are expecting another busy weekend ahead. This will reduce further incidents / disturbances at the hotel and surrounding area and also give reassurance to staff and also customers in the hotel, which will also be a deterrent for anyone wishing to cause issues for you.

As previously discussed, I am readily available to do some prevention training with your staff on dealing with aggressive customers and also ensuring that reporting is consistent through to BCRP. We could also make this an opportunity to ensure thorough checks on booking in procedures to reduce any vulnerability etc.

Kindest regards
Jo

23 February 2021

Dear Sirs,

We write further to an application of Greater Manchester Police to formally review our Premises Licence at The Britannia Hotel, Manchester. The Review has been sought by the police on the basis of an alleged increase in police attendances at the hotel during the COVID-19 pandemic.

As you know we have provided temporary refuge to the most vulnerable members of society on behalf of the Council, particularly during the current pandemic. Unfortunately, it has become apparent that there has been a clear correlation between the rise in police attendances at our hotel and the accommodation of these individuals at the Council's request.

Since the review of our Premises Licence may well have a seriously detrimental impact on the hotel business and our employees at the hotel it is with considerable regret that we will no longer be able to accommodate these vulnerable individuals in the future given the pressures and actions of Greater Manchester Police.

We trust you will share this announcement across your departments.

Kind regards

Paul Balderson
Group Risk and Compliance Solicitor
