1. Introduction

- 1.1 On 03/11/2022, an application for the grant of a Premises Licence under s17 of the Licensing Act 2003 was made in respect of Forty-Seven, 47 Peter Street, Manchester, M2 3NG in the Deansgate ward of Manchester. A location map and photograph of the premises is attached at **Appendix 1**.
- 1.2 A 28-day public consultation exercise was undertaken in accordance with Licensing Act 2003 regulations; requiring the application to be advertised by the displaying of a blue notice at or on the premises, a notice published in a newspaper or similar circulating in the local area, and details of the application published on the Council's website.
- 1.3 Representations may be made for or against an application during the consultation period. To be 'relevant' and, therefore, able to be taken into account in determining the application, they must be about the likely effect of the grant of the premises licence on the promotion of the licensing objectives. Where representations are made by persons who are not a responsible authority, they must not be frivolous or vexatious.
- 1.4 Relevant representations have been received in respect of this application and so it must be determined by a Licensing Hearing Panel in accordance with the Council's Constitution.

2. The Application

- 2.1 A copy of the application is attached at **Appendix 2**.
- 2.2 The applicant is Kro Hotels Manchester M2 Ltd.
- 2.3 The description of the premises given by the applicant is:

- 2.5.1 In accordance with the Live Music Act 2012 and Deregulation Act 2015, performances of Live Music and Recorded Music between the hours of 0800 and 2300 hours have been deregulated and so should not be regarded as licensable activities for the purposes of this application.
- 2.5.2 Any further details provided relating to any of the individual licensable activities are specified on the application form at **Appendix 2**.

2.6 Activities unsuitable for children

- 2.6.1 The applicant has not highlighted any adult entertainment or services, activities, other entertainment or matters ancillary to the use of the premises that may give rise to concern in respect of children.

2.7 Steps to promote the licensing objectives

- 2.7.1 The applicant proposes to promote the licensing objectives by taking the steps identified in the operating schedule.
- 2.7.2 These steps must be translated into conditions by the licensing authority to be included in any granted premises licence, unless the conditions are modified by the Panel following consideration of relevant representations. These conditions are set out in the Schedule of Conditions at **Appendix 4**.

3. Relevant Representations

- 3.1 A total of 2 relevant representations were received in respect of the application (**Appendix 3**). The personal details of all members of the public have been redacted. Original copies of these representations will be available to the Panel at the hearing.

Responsible Authorities:

- Greater Manchester Police;
- MCC Licensing and Out of Hours Compliance Team;

- 3.2 Summary of the representations:

Party	Grounds of representation	Recommends
GMP	<p>GMP have submitted a representation against the application on the likelihood of all the Four Licensing Objectives being adversely impacted upon and/or breached should the application be granted in its current form.</p> <p>GMP believe this to be so due to the lack of</p>	Refuse

	<p>enforceable conditions being proffered via the applications Operating Schedule (those few that are being put forward are regarded by GMP as being 'vague' and 'generic' and also that they provide little if no, assurance that the premises will be operated to the standards expected and that the Licensing Objectives would be undermined as a direct consequence).</p> <p>GMP are, therefore, requesting that the application be refused.</p>	
Licensing and Out of Hours Compliance	LOOH Compliance Team are objecting to the application on the same grounds as GMP and are also requesting that the application, as it currently stands, be refused.	Refuse

3.3 Any conditions proposed by objectors are set out in the Schedule of Conditions at **Appendix 4** (N.B.- Not applicable as no conditions are being proposed by those objecting to the application).

4. Key Policies and Considerations

4.1 Legal Considerations

4.1.1 Hearings under the Licensing Act 2003 operate under the Licensing Act 2003 (Hearings) Regulations 2005.

4.2 New Information

4.2.1 In accordance with Regulation 18 of the Licensing Act 2003 (Hearings) Regulations 2005, the authority may take into account documentary or other information produced by a party in support of their application, representations or notice either before the hearing or, with the consent of all parties, at the hearing.

4.3 Hearsay Evidence

4.3.1 The Panel may accept hearsay evidence and it will be a matter for the Panel to attach what weight to it that they consider appropriate. Hearsay evidence is evidence of something that a witness neither saw nor heard, but has heard or read about.

4.4 The Secretary of State's Guidance to the Licensing Act 2003

4.4.1 The Secretary of State's Guidance to the Licensing Act 2003 is provided for all parties involved in licensing. It is a key medium for promoting best practice, ensuring consistent application of licensing powers across England and Wales and for promoting fairness, equal treatment and proportionality.

- 4.4.2 Section 4 of the 2003 Act provides that, in carrying out its functions, a licensing authority must ‘have regard to’ guidance issued by the Secretary of State under section 182. The Guidance is therefore binding on all licensing authorities to that extent. However, the Guidance cannot anticipate every possible scenario or set of circumstances that may arise and, as long as licensing authorities have properly understood this Guidance, they may depart from it if they have good reason to do so and can provide full reasons.
- 4.4.3 Departure from the Guidance could give rise to an appeal or judicial review, and the reasons given will then be a key consideration for the courts when considering the lawfulness and merits of any decision taken.

4.5 **Manchester Statement of Licensing Policy**

- 4.5.1 Section 4 of the 2003 Act provides that, in carrying out its functions, a licensing authority must ‘have regard to’ its statement of licensing policy.
- 4.5.2 The Licensing Policy sets out the vision the licensing authority has for the regulation of licensed premises throughout Manchester and outlines the standards expected in order to ensure the promotion of the licensing objectives in the city. The Panel may depart from the policies should it consider doing so would benefit the promotion of the licensing objectives. Reasons are to be given for any such departure from the Policy.
- 4.5.3 Section 4 of the Policy (Operation of the Policy) sets out how the Licensing Policy is intended to be used in practice for licence applications and licensed premises.
- 4.5.4 Relevant to this application and the grounds of the representations made, the Panel are recommended to have regard to the following sections of the Policy:

Section 6: What we aim to encourage

This section identifies certain types of venues and initiatives the licensing authority aims to encourage in order to promote an inclusive evening and night-time economy not simply focused on the consumption of alcohol. We aim to encourage:

- Premises that will extend the diversity of entertainment and attract a wider range of participants
- Live music, especially original material, which will provide a range of live performances and styles of music, provided that such entertainment does not undermine the licensing objectives
- National cultural institutions, global sports events and cultural festivals
- Non-drink-led premises, including restaurants, cafes, theatres and cinemas
- Communication and integration with local residents and businesses through licensees consulting with those in the local area prior to an application
- Participation in Pubwatches, off licence forums and other crime-reduction partnerships

- Engagement with the NITENET radio scheme and DISC secure information sharing platform by city centre venues through the Cityco Manchester Business Crime Reduction Partnership
- Designing out crime in the layout of the premises

Section 7: Local factors

This section sets out key issues that applicants are expected to take into account relevant to the individual characteristics of the premises when preparing their operating schedule and address any local factors relevant to their premises.

Having regard to the grounds of the representations made, the Panel are recommended to have regard to the following Factors:

- Evidence of pre-existing problems in the area
- Consistency with relevant Council strategies
- The proximity of the premises to local residents and other local businesses, particularly in relation to the potential for nuisance
- Ability to clean and maintain the street scene

Section 8: Manchester's standards to promote the licensing objectives

This section identifies the standards that the licensing authority expects of licensed premises in Manchester. It is recognised that not all standards will be appropriate to apply in every situation to every premises, and applicants are not obliged to include all standards in their operating schedule. The degree to which standards would be appropriate is expected to be proportionate to the risk posed against the promotion of the licensing objectives having regard to the individual circumstances of the premises. The standards are not exhaustive and the licensing authority will have regard to any relevant issues raised in any representation that may fall outside them.

- MS2 Effective general management of the premises
- MS3 Responsible promotion and sale of alcohol
- MS5 Prevent on-street consumption of alcohol
- MS6 Provide a Duty of Care for intoxicated or vulnerable customers and medical emergencies
- MS8 Prevent noise nuisance from the premises
- MS10 Operate effective cleansing arrangements, including ensuring the premises and surrounding area are kept clean and free of litter, and adequate arrangements for the secure and responsible storage of refuse
- MS11 Ensure the wellbeing of children on the premises
- MS12 Prevent underage sales of alcohol, including proxy sales.

5. Conclusion

5.1 A licensing authority must carry out its functions under this Act ("licensing functions") with a view to promoting the licensing objectives:

- the prevention of crime and disorder
- public safety;
- the prevention of public nuisance; and

- the protection of children from harm.

- 5.2 In considering the matter, the Panel should take into account any representations or objections that have been received from responsible authorities or other persons, and representations made by the applicant or premises user as the case may be. In reaching the decision, regard must also be had to relevant provisions of the national guidance and the Council's licensing policy statement.
- 5.3 Having regard to the representations, the Panel must take such of the steps set out below that it considers appropriate for the promotion of the licensing objectives:
- a) To grant the licence subject to:
 - i. the conditions consistent with the operating schedule accompanying the application, which the Panel may modify to such extent as they consider appropriate, and
 - ii. any mandatory conditions that must be included in the licence;
 - b) To exclude from the scope of the licence any of the licensable activities to which the application relates;
 - c) To refuse to specify the person proposed in the application as the designated premises supervisor;
 - d) To reject the application.
- 5.4 The conditions consistent with the operating schedule may be modified to alter or omit any of them or to add any new condition, including restricting the times at which licensable activities authorised by the licence can take place.
- 5.5 All licensing determinations should be considered on the individual merits of the application.
- 5.6 The Panel's determination should be evidence-based, justified as being appropriate for the promotion of the licensing objectives and proportionate to what it is intended to achieve. Findings on any issues of fact should be on the balance of probability.
- 5.7 It is important that a licensing authority should give comprehensive reasons for its decisions in anticipation of any appeals. Failure to give adequate reasons could itself give rise to grounds for an appeal.
- 5.8 **The Panel is asked to determine the application.**

14. This is the address which we shall use to correspond with you about this application.
15. Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be issued to an individual or an individual in a partnership which is not a limited liability partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have the right to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

They do this in one of two ways:

- 1) by providing with this application, copies or scanned copies of the documents which an applicant has provided, to demonstrate their entitlement to work in the UK (which do not need to be certified) as per information published on gov.uk and in guidance.
- 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Home Office online right to work checking service.

As an alternative to providing a copy of original documents, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth, will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be shared digitally. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copies of documents as set out above.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

About the Premises

Application Reference No.	LPA 281231
Name of the Premises	Forty-Seven
Address of the premises including postcode	47 Peter Street, Manchester M2 3NG

Your Representation

Please outline your representation below and continue overleaf. This should describe the likely effect of the grant of the licence on the licensing objectives on and in the vicinity of the premises in question.

Please accept this as formal notification of the Greater Manchester Police objection to the premises licence in relation to the above premises on the grounds of Prevention of Crime and Disorder and the Prevention of Public Nuisance, Public Safety and the Protection of Children from Harm.

The operating schedule which accompanies the application offers very little in terms of enforceable conditions. The conditions that have been offered are very vague and generic which gives the impression that the applicant has a limited understanding of the Licensing Objectives, which raises concerns about how the premises will be operated.

The likely effect of the grant of the Premises Licence with such a scant operating schedule is that all 4 of the Licensing Objectives will be undermined.

We therefore ask that this application is refused.

Representation

Outline your representation regarding the above application below. This representation should describe the likely effect of the grant of the licence/certificate on the licensing objectives and on the vicinity of the premises.

The Licensing and Out of Hours team (LOOH) have assessed the likely impact of the granting of a premises licence of this application taking into account a number of factors, including the nature of the area in which the premises is located and any potential risk the granting of this licence could lead to undermining the four licensing objectives.

The LOOH team have also considered Manchester City Council's Statement of Licensing Policy 2021-2026, with particular reference to 7 - Local Factors and 8 - Manchester's standards to promote the licensing objectives.

The premises is located on Peter Street, the basement and mezzanine/first floor is Asha's restaurant which has a premises licence, the floors above are a new hotel. This application is for a licence to cover the whole of the premises.

The application requests recorded music and supply of alcohol 24 hours per day, Late Night Refreshment from 23.00-05.00 and that the premises are open to the public 24 hours each day. The premises is on one of the busiest streets in Manchester's night time economy. The applicant offers very few conditions in their application, and those offered would not enable them to uphold the licensing objectives.

LOOH are not satisfied that the conditions offered are sufficient to uphold the four licensing objectives and have little, if any, regard to the Statement of Licensing Policy or any serious consideration to the impact that the grant of this licence would have on the local area.

Recommendation: Refuse Application

To be 'relevant' and, therefore, able to be taken into account in determining the application, they must be about the likely effect of the grant of the premises licence on the promotion of the licensing objectives. Where representations are made by persons who are not a responsible authority, they must not be frivolous or vexatious.
- 1.4 Relevant representations have been received in respect of this application and so it must be determined by a Licensing Hearing Panel in accordance with the Council's Constitution.

3. **Relevant Representations**

- 3.1 A total of 3 relevant representations were received in respect of the application (**Appendix 3**). The personal details of all members of the public have been redacted. Original copies of these representations will be available to the Panel at the hearing.

- MCC Licensing and Out of Hours Compliance Team;
- MCC Trading Standards

- 3.2 Summary of the representations:

Party	Grounds of representation	Recommends
GMP	The proposed DPS in this application is a male called who has been the operator of the premises since 2019 and the premise was the subject of review application instigated by Manchester City Council Licensing and Out of Hours team in February 2022, when the applicant for this application, Ms. Regeat Negasi, was also involved in the running of the business. This was due to numerous offences which have been committed on the premises including the period whilst and Regeat Negasi	Refuse

	were in charge. As since that time LOOH officers have found evidence of unlicensed activity and breaches of smoking legislation, GMP believe the operators are unsuitable to hold a premises licence.	
Licensing and Out of Hours Compliance	LOOH have found that the proposed DPS (and partner of the proposed PLH) has owned the business since December 2019 but has not transferred the licence, the business has been operating without one. Whilst visiting the premises on different occasions LOOH officers have found evidence that would suggest shisha is being smoked and alcohol is being sold inside the premises. LOOH officers were also able to purchase alcohol from the premises website. The proposed DPS, has continuously misled officers & demonstrated a very poor understanding of the licensing objectives, with a wilful disregard of his responsibilities under the Licensing Act 2003 & Health Act 2006. The LOOH team have no faith that the premises can operate without the licensing objectives being seriously undermined.	Refuse
Trading Standards	The conditions that have been offered are very vague and generic which gives the impression that the applicant has a limited understanding of the Licensing Objectives, which raises concerns about how the premises will be operated. This is further supported by fact that the Manchester City Council Licensing and Out of Hours team visited the premises on 6th January 2023 and found evidence of unlicensed activity and breaches of smoking legislation.	Refuse

3.3 Any conditions proposed by objectors are set out in the Schedule of Conditions at **Appendix 4**.

4. **Key Policies and Considerations**

4.1 **Legal Considerations**

4.1.1 Hearings under the Licensing Act 2003 operate under the Licensing Act 2003 (Hearings) Regulations 2005.

4.2 **New Information**

4.2.1 In accordance with Regulation 18 of the Licensing Act 2003 (Hearings) Regulations 2005, the authority may take into account documentary or other information produced by a party in support of their application, representations

or notice either before the hearing or, with the consent of all parties, at the hearing.

4.3 **Hearsay Evidence**

4.3.1 The Panel may accept hearsay evidence and it will be a matter for the Panel to attach what weight to it that they consider appropriate. Hearsay evidence is evidence of something that a witness neither saw nor heard, but has heard or read about.

4.4 **The Secretary of State's Guidance to the Licensing Act 2003**

4.4.1 The Secretary of State's Guidance to the Licensing Act 2003 is provided for all parties involved in licensing. It is a key medium for promoting best practice, ensuring consistent application of licensing powers across England and Wales and for promoting fairness, equal treatment and proportionality.

4.4.2 Section 4 of the 2003 Act provides that, in carrying out its functions, a licensing authority must 'have regard to' guidance issued by the Secretary of State under section 182. The Guidance is therefore binding on all licensing authorities to that extent. However, the Guidance cannot anticipate every possible scenario or set of circumstances that may arise and, as long as licensing authorities have properly understood this Guidance, they may depart from it if they have good reason to do so and can provide full reasons.

4.4.3 Departure from the Guidance could give rise to an appeal or judicial review, and the reasons given will then be a key consideration for the courts when considering the lawfulness and merits of any decision taken.

4.5 **Manchester Statement of Licensing Policy**

4.5.1 Section 4 of the 2003 Act provides that, in carrying out its functions, a licensing authority must 'have regard to' its statement of licensing policy.

4.5.2 The Licensing Policy sets out the vision the licensing authority has for the regulation of licensed premises throughout Manchester and outlines the standards expected in order to ensure the promotion of the licensing objectives in the city. The Panel may depart from the policies should it consider doing so would benefit the promotion of the licensing objectives. Reasons are to be given for any such departure from the Policy.

4.5.3 Section 4 of the Policy (Operation of the Policy) sets out how the Licensing Policy is intended to be used in practice for licence applications and licensed premises.

4.5.4 Relevant to this application and the grounds of the representations made, the Panel are recommended to have regard to the following sections of the Policy:

Section 6: What we aim to encourage

This section identifies certain types of venues and initiatives the licensing authority aims to encourage in order to promote an inclusive evening and

night-time economy not simply focused on the consumption of alcohol. We aim to encourage:

- Premises that will extend the diversity of entertainment and attract a wider range of participants
- Live music, especially original material, which will provide a range of live performances and styles of music, provided that such entertainment does not undermine the licensing objectives
- National cultural institutions, global sports events and cultural festivals
- Non-drink-led premises, including restaurants, cafes, theatres and cinemas
- Communication and integration with local residents and businesses through licensees consulting with those in the local area prior to an application
- Participation in Pubwatches, off licence forums and other crime-reduction partnerships
- Engagement with the NITENET radio scheme and DISC secure information sharing platform by city centre venues through the Cityco Manchester Business Crime Reduction Partnership
- Designing out crime in the layout of the premises

Section 7: Local factors

This section sets out key issues that applicants are expected to take into account relevant to the individual characteristics of the premises when preparing their operating schedule and address any local factors relevant to their premises.

Having regard to the grounds of the representations made, the Panel are recommended to have regard to the following Factors:

- Identified risk factors specific to the licensed premises
- Consistency with relevant Council strategies

Section 8: Manchester's standards to promote the licensing objectives

This section identifies the standards that the licensing authority expects of licensed premises in Manchester. It is recognised that not all standards will be appropriate to apply in every situation to every premises, and applicants are not obliged to include all standards in their operating schedule. The degree to which standards would be appropriate is expected to be proportionate to the risk posed against the promotion of the licensing objectives having regard to the individual circumstances of the premises. The standards are not exhaustive and the licensing authority will have regard to any relevant issues raised in any representation that may fall outside them.

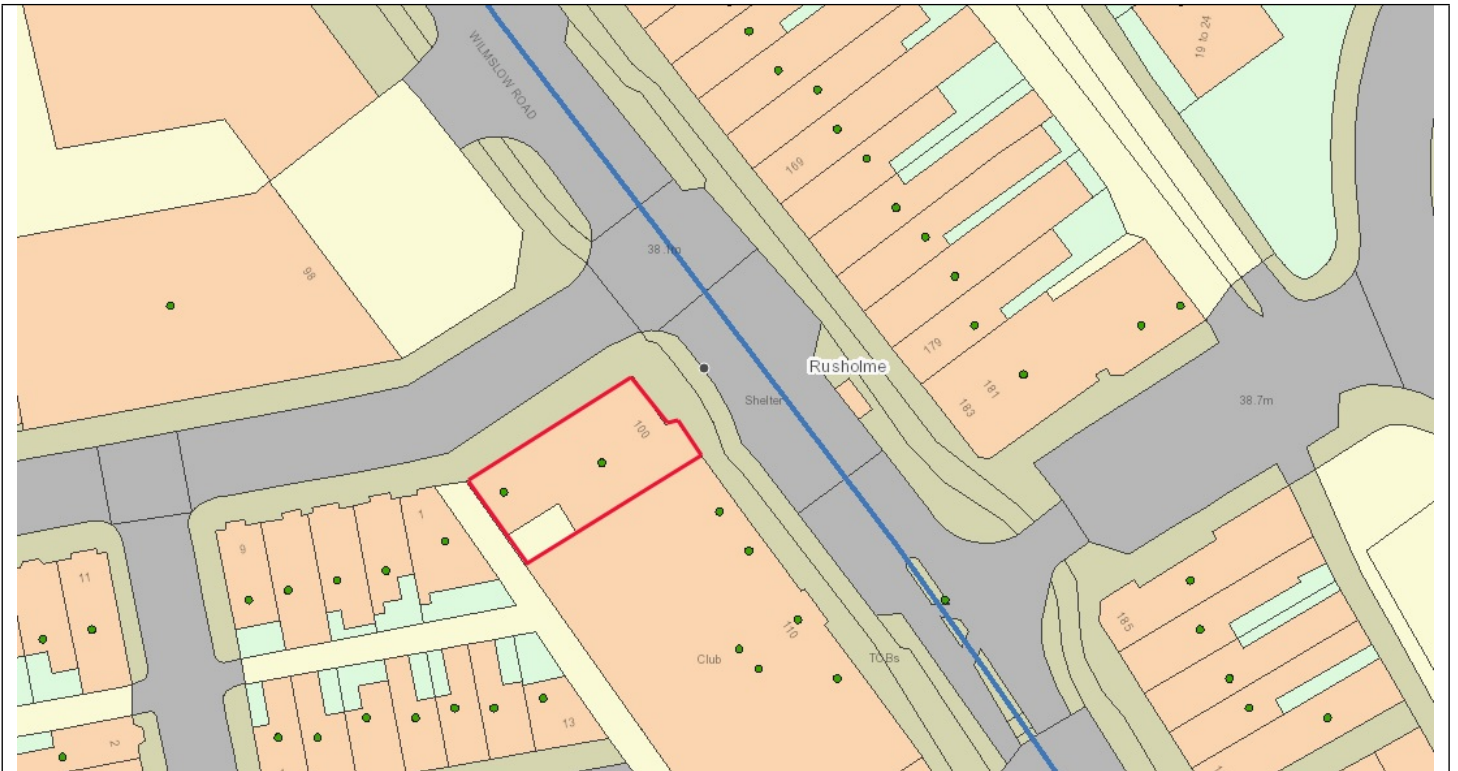

- MS1 Implement effective security measures at the premises
- MS2 Effective general management of the premises
- MS8 Prevent noise nuisance from the premises
- MS11 Ensure the wellbeing of children on the premises
- MS12 Prevent underage sales of alcohol, including proxy sales

Conclusion

- 4.6 A licensing authority must carry out its functions under this Act (“licensing functions”) with a view to promoting the licensing objectives:
- the prevention of crime and disorder
 - public safety;
 - the prevention of public nuisance; and
 - the protection of children from harm.
- 4.7 In considering the matter, the Panel should take into account any representations or objections that have been received from responsible authorities or other persons, and representations made by the applicant or premises user as the case may be. In reaching the decision, regard must also be had to relevant provisions of the national guidance and the Council’s licensing policy statement.
- 4.8 Having regard to the representations, the Panel must take such of the steps set out below that it considers appropriate for the promotion of the licensing objectives:
- a) To grant the licence subject to:
 - i. the conditions consistent with the operating schedule accompanying the application, which the Panel may modify to such extent as they consider appropriate, and
 - ii. any mandatory conditions that must be included in the licence;
 - b) To exclude from the scope of the licence any of the licensable activities to which the application relates;
 - c) To refuse to specify the person proposed in the application as the designated premises supervisor;
 - d) To reject the application.
- 4.9 The conditions consistent with the operating schedule may be modified to alter or omit any of them or to add any new condition, including restricting the times at which licensable activities authorised by the licence can take place.
- 4.10 All licensing determinations should be considered on the individual merits of the application.
- 4.11 The Panel’s determination should be evidence-based, justified as being appropriate for the promotion of the licensing objectives and proportionate to what it is intended to achieve. Findings on any issues of fact should be on the balance of probability.
- 4.12 It is important that a licensing authority should give comprehensive reasons for its decisions in anticipation of any appeals. Failure to give adequate reasons could itself give rise to grounds for an appeal.
- 4.13 **The Panel is asked to determine the application.**

Representation
<p>Outline your representation regarding the above application below. This representation should describe the likely effect of the grant of the licence/certificate on the licensing objectives and on the vicinity of the premises.</p> <p>The Licensing & Out of Hours (LOOH) Team have assessed the application for a new Premises Licence taking into consideration the four Licensing Objectives, trading history at the premises, including ongoing investigations for offences under the Licensing Act 2003 & Health Act 2006.</p> <p>The premises was previously granted a licence on the 13th July 2018 in the name of [REDACTED]. The information we have received is that [REDACTED], the named Designated Premises Supervisor (DPS) for this application & partner of the proposed Premises Licence Holder (PLH), has owned the business since December 2019 but failed to transfer the licence. A check on business rates identifies 'Beilul Lounge East African Restaurant' as liable for the payments from 21st January 2020. Companies house identifies this company as being incorporated on the 23rd October 2019 & [REDACTED] is named as the sole director.</p> <p>A review application was submitted by the LOOH team in February 2022 due to [REDACTED] continuously operating well outside of permitted hours, continuously breaching conditions of the licence and in addition to the S136 licensing offences the applicants continuously sold & allowed shisha to be smoked on the premises, an offence under the Health Act 2006.</p> <p>Before the review application could be heard the licence was surrendered by [REDACTED]. A transfer was then submitted to resurrect the licence & to appoint [REDACTED]. This subsequently received a Police objection. At the transfer hearing the applicant [REDACTED] withdrew the application & the licence lapsed again on the 22nd April 2022.</p> <p>On the 23rd December 2022 LOOH officers visited the premises to assess the new premises licence application and requested to see the 2nd floor room</p>

which is proposed to be licensed. Officers spoke to a female who was working behind the counter who advised officers she was 'just helping out'. The female called [REDACTED] & then advised officers [REDACTED] strongly told her that officers could not view the 2nd floor or any other areas of the premises.

On the 6th January 2023 LOOH officers viewed the website for the premises. Officers viewed the takeaway section & noted several alcoholic drinks for sale. Officers were able to create an account, add alcohol to the basket & proceed to checkout for the goods. LOOH officers returned to the premises the same date to view the areas which were proposed to be licensed & to investigate the offence of S136, S137 & S138 of the Licensing Act 2003 due to the advertisement of alcohol sales via the website. After entering the premises officers noted a pot at the top of the stairs to the first floor with 2 x lit coals.

The door to the 2nd floor was propped open & the female chef on duty allowed officers to enter the top floor. On entry officers could see there was a large set up of shisha pipes behind the bar/ counter.

Evidence of recent use in the premises were found as follows:

- 2 x smoke detectors covered with foil.
- 2 x empty fruit/ tobacco mixed tubs under the counter next to 2 x bags of shisha tobacco.
- By the sink were several clay pots that had been washed & left to dry.
- Two metal trays were present with partly used charcoal.
- Boxes of charcoal & foil.

As officers believe offences had been committed under the Health Act 2006, 1 x shisha pipe & 1 x box of charcoal were seized as evidence into the investigation for the offence.

Halfway down the last (back) flight of stairs were two bags of refuse, inside one of these bags were multiple empty bottles of Budweiser.

Officers returned to the first floor and asked to look behind the bar. Officers found the following:

- A menu offering several alcoholic drinks.
- 3 x Heineken 50 litre barrels. 1 x empty, 1 x full & 1 x connected to a tap which had been covered over with a black bag. The tap was cold to touch. Officers poured a small amount & noted it was fresh smelling and pouring clearly.
- 6 x empty bottles of Zibib.
- Bottles of partly used Tequila, Gordons Gin & Zibib.
- A can of San Miguel in the fridge.

The proposed PLH & DPS are currently under investigation for the offences and PACE interviews will be taking place in due course.

The food hygiene rating for the premises is currently a 0/5.

[REDACTED] the proposed DPS, has continuously misled officers & demonstrated a very poor understanding of the licensing objectives, with a wilful disregard of his responsibilities under the Licensing Act 2003 & Health Act 2006. The LOOH team have no faith that the premises can operate without the licensing objectives being seriously undermined.

YOUR REPRESENTATION
Please outline your representation below and continue overleaf. This should be the likely effect of the grant of the licence / certificate on the licensing objectives on and in the vicinity of the premises in question. (Please continue on a separate sheet of paper if necessary)
<p>The Trading Standards Team have assessed the likely impact of the granting of this application taking into account a number of factors, including the conditions offered and times applied for and any potential risk that the granting of this application could lead to issues which do not uphold the licensing objectives specifically the protection of children from harm.</p> <p>The application is for a restaurant and lounge.</p> <p>When considering the application, the Trading Standards Team have given consideration to Manchester City Councils Statement of Licensing Policy 2021 – 2026.</p> <p>The original application addresses little in relation to the Licensing Objectives especially in protecting children from harm. Reference is made to the Challenge 25 policy, staff training and acceptable I.D used in the application but there are no details of how staff training is conducted, documented, or refreshed. There is no reference to maintaining a refusal log, having appropriate signage placed in areas where alcohol will be served as well as referencing proxy sales.</p> <p>The conditions that have been offered are very vague and generic which gives the impression that the applicant has a limited understanding of the Licensing Objectives, which raises concerns about how the premises will be operated. This is further supported by fact that the Manchester City Council Licensing and Out of Hours team visited the premises on 6th January 2023 and found evidence of unlicensed activity and</p>

breaches of smoking legislation.

Giving consideration to the above application, the Trading Standards Team therefore recommend that the licence is **refused** as the Trading Standards team have little faith that the licensing objectives will be met.

Your Representation

Please outline your representation below and continue overleaf. This should describe the likely effect of the grant of the licence on the licensing objectives on and in the vicinity of the premises in question.

The proposed DPS in this application is a male called [REDACTED] who has been the operator of the premises since 2019 and the premise was the subject of review application instigated by Manchester City Council Licensing and Out of Hours team in February 2022, when the applicant for this application, Ms. Regeat Negasi, was also involved in the running of the business. This was due to numerous offences which have been committed on the premises including the period whilst [REDACTED] and Regeat Negasi were in charge.

The offences which triggered the review include;

- Unauthorised licensable activities
- Breaches of conditions
- Selling shisha & allowing it to be smoked on the premises, including by staff whilst behind the bar
- premises continuously operating well outside of permitted hours

GMP are also aware that officers from the Manchester City Council Licensing and Out of Hours team visited the premises on 6th January 2023 and found evidence of unlicensed activity and breaches of smoking legislation.

Therefore, it is abundantly clear that the operators have learned no lessons since the licence was surrendered prior to the review hearing last year and as such GMP believe that they are wholly unsuitable to hold a premise licence and ask this application to be refused.
