Background documents (available for public inspection):

- Manchester City Council Statement of Licensing Policy 2016 - 2021
- Guidance issued under section 182 of the Licensing Act 2003, April 2017
- Licensing Act 2003 (Hearings) Regulations 2005
- Any further documentary submissions by any party to the hearing

1. **Introduction**

- 1.1 On 8 April 2022, nine temporary event notices (TEN's) were given under s100A of the Licensing Act 2003 in respect of Shindigger Secret Garden, 44 Ellesmere Street, Manchester, M15 4JY in the Hulme ward of Manchester. Each event is for the same activity at the same location on nine consecutive weekends. A location map of the premises is attached at **Appendix 1**.
- 1.2 In accordance with Licensing Act 2003 regulations, Greater Manchester Police (GMP) and Licensing Out of Hours Compliance (LOOH) were notified of the TEN's.
- 1.3 Where either GMP or LOOH is satisfied that allowing the premises to be used in accordance with the TEN would undermine a licensing objective, they must give an objection notice to the relevant licensing authority, the premises user, and to every other relevant person.
- 1.4 The objection notice must be given no later than three working days after the day on which the objector is given the TEN.
- 1.5 An objection notice has been received in respect of all nine TEN's and so they must be determined by a Licensing Hearing Panel in accordance with the Council's Constitution.

2. **The Notice**

- 2.1 Copies of each TEN are attached at **Appendix 2**.
- 2.2 The premises user is George Frederick Robert Grant.
- 2.3 The description of the events are Food and beverages on sale.
- 2.3.1 In accordance with the Live Music Act 2012 and Deregulation Act 2015, performances of Live Music and Recorded Music between the hours of 0800 and 2300 hours have been deregulated and so should not be regarded as licensable activities for the purposes of these TEN's.
- 2.3.2 Any further details provided relating to any of the individual licensable activities are specified on the TEN's at **Appendix 2**.
- 2.4 **Activities unsuitable for children**
- 2.4.1 The premises user has not highlighted any adult entertainment or services, activities, other entertainment or matters ancillary to the use of the premises that may give rise to concern in respect of children.
- 2.5 **Further documentation accompanying the application**
- 2.5.1 The premises user has submitted the following document in support of the TEN's, which are included with the application forms at **Appendix 2**:
 - Plan of proposed events

3. **Objection Notice(s)**

3.1 An objection notice was received from LOOH in respect of all nine TEN's (**Appendix 3**). The personal details of all members of the public have been redacted. Original copies of these objections will be available to the Panel at the hearing.

3.2 Summary of the objections:

Party	Grounds of representation	Recommends
Licensing and Out of Hours Compliance	Public nuisance (Noise) and Public Safety. The location of the proposed events is an open courtyard surrounded by residential flats. The site is currently under construction and raises health and safety concerns.	Serve a Counter notice

4. **Key Policies and Considerations**

4.1 **Legal Considerations**

4.1.1 Hearings under the Licensing Act 2003 operate under the Licensing Act 2003 (Hearings) Regulations 2005.

4.2 **New Information**

4.2.1 In accordance with Regulation 18 of the Licensing Act 2003 (Hearings) Regulations 2005, the authority may take into account documentary or other information produced by a party in support of their application, representations or notice either before the hearing or, with the consent of all parties, at the hearing.

4.3 **Hearsay Evidence**

4.3.1 The Panel may accept hearsay evidence and it will be a matter for the Panel to attach what weight to it that they consider appropriate. Hearsay evidence is evidence of something that a witness neither saw nor heard, but has heard or read about.

4.4 **The Secretary of State's Guidance to the Licensing Act 2003**

4.4.1 The Secretary of State's Guidance to the Licensing Act 2003 is provided for all parties involved in licensing. It is a key medium for promoting best practice, ensuring consistent application of licensing powers across England and Wales and for promoting fairness, equal treatment and proportionality.

4.4.2 Section 4 of the 2003 Act provides that, in carrying out its functions, a licensing authority must 'have regard to' guidance issued by the Secretary of State under section 182. The Guidance is therefore binding on all licensing

authorities to that extent. However, the Guidance cannot anticipate every possible scenario or set of circumstances that may arise and, as long as licensing authorities have properly understood this Guidance, they may depart from it if they have good reason to do so and can provide full reasons.

- 4.4.3 Departure from the Guidance could give rise to an appeal or judicial review, and the reasons given will then be a key consideration for the courts when considering the lawfulness and merits of any decision taken.

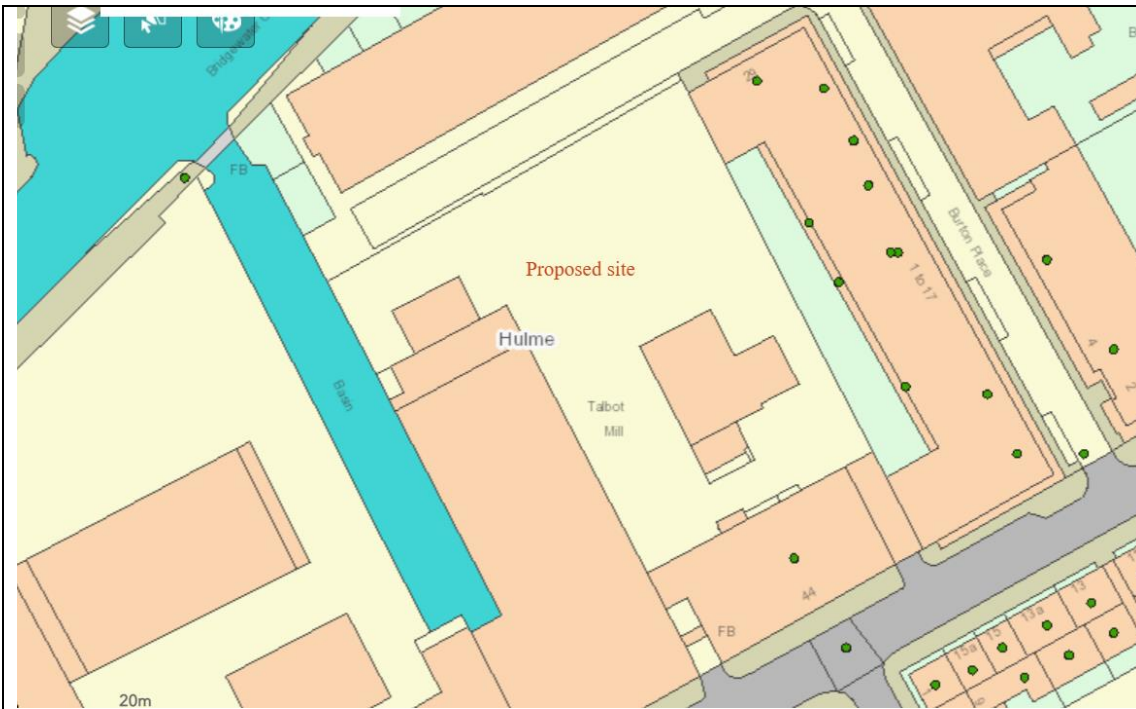

4.5 **Manchester Statement of Licensing Policy**

- 4.5.1 Section 4 of the 2003 Act provides that, in carrying out its functions, a licensing authority must 'have regard to' its statement of licensing policy.
- 4.5.2 The Licensing Policy sets out the vision the licensing authority has for the regulation of licensed premises throughout Manchester and outlines the standards expected in order to ensure the promotion of the licensing objectives in the city. The Panel may depart from the policies should it consider doing so would benefit the promotion of the licensing objectives. Reasons are to be given for any such departure from the Policy.
- 4.5.3 Section 4 of the Policy (Operation of the Policy) sets out how the Licensing Policy is intended to be used in practice for licence applications and licensed premises.
- 4.5.4 Where the authority considers that to impose on the TEN one or more of the conditions from a premises licence or club premises certificate in force at the premises (insofar as such conditions are not inconsistent with the event) is appropriate for the promotion of the licensing objectives, the policy is to give notice to the premises user that includes a statement of the conditions imposed. Copies of this notice will be provided for GMP and LOOH.
- 4.5.5 Where, following any representations at the hearing, the licensing authority is not satisfied the event will ensure the promotion of the licensing objectives, the policy is to issue a counter-notice against the Temporary Event Notice.

5. **Conclusion**

- 5.1 A licensing authority must carry out its functions under this Act ("licensing functions") with a view to promoting the licensing objectives:
- the prevention of crime and disorder
 - public safety;
 - the prevention of public nuisance; and
 - the protection of children from harm.
- 5.2 In considering the matter, the Panel should take into account any objections that have been received from GMP or LOOH, and representations made by the applicant or premises user as the case may be. In reaching the decision, regard must also be had to relevant provisions of the national guidance and the Council's licensing policy statement.

- 5.3 Having regard to the objection notice(s), the panel must give the premises user a counter notice if it considers it appropriate for the promotion of a licensing objective to do so.
- 5.4 If the panel decides not to give a counter notice the panel may impose one or more conditions on the TEN if –
- the authority considers it appropriate for the promotion of the licensing objectives to do so,
 - the conditions are also imposed on a premises licence or club premises certificate that has effect in respect of the same premises, or any part of the same premises, as the temporary event notice, and
 - the conditions would not be inconsistent with the carrying out of the licensable activities under the temporary event notice.
- 5.5 All licensing determinations should be considered on the individual merits of the notification.
- 5.6 The Panel's determination should be evidence-based, justified as being appropriate for the promotion of the licensing objectives and proportionate to what it is intended to achieve. Findings on any issues of fact should be on the balance of probability.
- 5.7 It is important that a licensing authority should give comprehensive reasons for its decisions in anticipation of any appeals. Failure to give adequate reasons could itself give rise to grounds for an appeal.
6. **The Panel is asked to determine the temporary event notices.**

NOTES

General

In these notes, a person who gives a temporary event notice is called a “premises user”.

The police and local authority exercising environmental health functions may intervene on the grounds of any of the four licensing objectives (the prevention of crime and disorder, public safety, the prevention of public nuisance, and the protection of children from harm) to prevent the occurrence of an event at which permitted temporary activities are to take place or to agree a modification of the arrangements for such an event. However, the licensing authority will intervene of its own volition in the cases described below.

First, it will issue a counter notice if there is an objection to a late temporary event notice (see note 7 below).

Secondly, it may issue a notice in relation to its decision to impose conditions on a temporary event notice (see note 2 below).

Thirdly, it will issue a counter notice if the first, second, third and fifth of the limits set out below would be exceeded. If any of the limits below are breached or if a counter notice has been issued, any licensable activities taking place would be unauthorised and the premises user would be liable to prosecution. The limitations apply to:

- the number of times a person may give a temporary event notice (50 times per year for a personal licence holder and 5 times per year for other people);
- the number of times a person may give a late temporary event notice (10 times per year for a personal licence holder and 2 times per year for other people);
- the number of times a temporary event notice may be given in respect of any particular premises (12 times in a calendar year);
- the length of time a temporary event may last for these purposes (168 hours or 7 days);
- the maximum aggregate duration of the periods covered by temporary event notices at any individual premises (21 days per calendar year); and
- the scale of the event in terms of the maximum number of people attending at any one time (a maximum of 499).

For the purposes of determining the overall limits of 50 temporary event notices per personal licence holder (in a calendar year) and of 5 for a non-personal licence holder (in a calendar year), temporary event notices given by an associate or a person who is in business with a premises user (and that business involves carrying on licensable activities) count towards those totals. The limits applying to late temporary event notices are included within the overall limits applying to the total number of temporary event notices. Note 15 below sets out the definition of an “associate”.

When permitted temporary activities take place, a premises user must ensure that either:

- a copy of the temporary event notice is prominently displayed at the premises; or

NOTES

General

In these notes, a person who gives a temporary event notice is called a “premises user”.

The police and local authority exercising environmental health functions may intervene on the grounds of any of the four licensing objectives (the prevention of crime and disorder, public safety, the prevention of public nuisance, and the protection of children from harm) to prevent the occurrence of an event at which permitted temporary activities are to take place or to agree a modification of the arrangements for such an event. However, the licensing authority will intervene of its own volition in the cases described below.

First, it will issue a counter notice if there is an objection to a late temporary event notice (see note 7 below).

Secondly, it may issue a notice in relation to its decision to impose conditions on a temporary event notice (see note 2 below).

Thirdly, it will issue a counter notice if the first, second, third and fifth of the limits set out below would be exceeded. If any of the limits below are breached or if a counter notice has been issued, any licensable activities taking place would be unauthorised and the premises user would be liable to prosecution. The limitations apply to:

- the number of times a person may give a temporary event notice (50 times per year for a personal licence holder and 5 times per year for other people);
- the number of times a person may give a late temporary event notice (10 times per year for a personal licence holder and 2 times per year for other people);
- the number of times a temporary event notice may be given in respect of any particular premises (12 times in a calendar year);
- the length of time a temporary event may last for these purposes (168 hours or 7 days);
- the maximum aggregate duration of the periods covered by temporary event notices at any individual premises (21 days per calendar year); and
- the scale of the event in terms of the maximum number of people attending at any one time (a maximum of 499).

For the purposes of determining the overall limits of 50 temporary event notices per personal licence holder (in a calendar year) and of 5 for a non-personal licence holder (in a calendar year), temporary event notices given by an associate or a person who is in business with a premises user (and that business involves carrying on licensable activities) count towards those totals. The limits applying to late temporary event notices are included within the overall limits applying to the total number of temporary event notices. Note 15 below sets out the definition of an “associate”.

When permitted temporary activities take place, a premises user must ensure that either:

- a copy of the temporary event notice is prominently displayed at the premises; or

NOTES

General

In these notes, a person who gives a temporary event notice is called a “premises user”.

The police and local authority exercising environmental health functions may intervene on the grounds of any of the four licensing objectives (the prevention of crime and disorder, public safety, the prevention of public nuisance, and the protection of children from harm) to prevent the occurrence of an event at which permitted temporary activities are to take place or to agree a modification of the arrangements for such an event. However, the licensing authority will intervene of its own volition in the cases described below.

First, it will issue a counter notice if there is an objection to a late temporary event notice (see note 7 below).

Secondly, it may issue a notice in relation to its decision to impose conditions on a temporary event notice (see note 2 below).

Thirdly, it will issue a counter notice if the first, second, third and fifth of the limits set out below would be exceeded. If any of the limits below are breached or if a counter notice has been issued, any licensable activities taking place would be unauthorised and the premises user would be liable to prosecution. The limitations apply to:

- the number of times a person may give a temporary event notice (50 times per year for a personal licence holder and 5 times per year for other people);
- the number of times a person may give a late temporary event notice (10 times per year for a personal licence holder and 2 times per year for other people);
- the number of times a temporary event notice may be given in respect of any particular premises (12 times in a calendar year);
- the length of time a temporary event may last for these purposes (168 hours or 7 days);
- the maximum aggregate duration of the periods covered by temporary event notices at any individual premises (21 days per calendar year); and
- the scale of the event in terms of the maximum number of people attending at any one time (a maximum of 499).

For the purposes of determining the overall limits of 50 temporary event notices per personal licence holder (in a calendar year) and of 5 for a non-personal licence holder (in a calendar year), temporary event notices given by an associate or a person who is in business with a premises user (and that business involves carrying on licensable activities) count towards those totals. The limits applying to late temporary event notices are included within the overall limits applying to the total number of temporary event notices. Note 15 below sets out the definition of an “associate”.

When permitted temporary activities take place, a premises user must ensure that either:

- a copy of the temporary event notice is prominently displayed at the premises; or

NOTES

General

In these notes, a person who gives a temporary event notice is called a “premises user”.

The police and local authority exercising environmental health functions may intervene on the grounds of any of the four licensing objectives (the prevention of crime and disorder, public safety, the prevention of public nuisance, and the protection of children from harm) to prevent the occurrence of an event at which permitted temporary activities are to take place or to agree a modification of the arrangements for such an event. However, the licensing authority will intervene of its own volition in the cases described below.

First, it will issue a counter notice if there is an objection to a late temporary event notice (see note 7 below).

Secondly, it may issue a notice in relation to its decision to impose conditions on a temporary event notice (see note 2 below).

Thirdly, it will issue a counter notice if the first, second, third and fifth of the limits set out below would be exceeded. If any of the limits below are breached or if a counter notice has been issued, any licensable activities taking place would be unauthorised and the premises user would be liable to prosecution. The limitations apply to:

- the maximum aggregate duration of the periods covered by temporary event notices at any individual premises (21 days per calendar year); and

NOTES

General

In these notes, a person who gives a temporary event notice is called a “premises user”.

The police and local authority exercising environmental health functions may intervene on the grounds of any of the four licensing objectives (the prevention of crime and disorder, public safety, the prevention of public nuisance, and the protection of children from harm) to prevent the occurrence of an event at which permitted temporary activities are to take place or to agree a modification of the arrangements for such an event. However, the licensing authority will intervene of its own volition in the cases described below.

First, it will issue a counter notice if there is an objection to a late temporary event notice (see note 7 below).

Secondly, it may issue a notice in relation to its decision to impose conditions on a temporary event notice (see note 2 below).

Thirdly, it will issue a counter notice if the first, second, third and fifth of the limits set out below would be exceeded. If any of the limits below are breached or if a counter notice has been issued, any licensable activities taking place would be unauthorised and the premises user would be liable to prosecution. The limitations apply to:

- the number of times a person may give a temporary event notice (50 times per year for a personal licence holder and 5 times per year for other people);
- the number of times a person may give a late temporary event notice (10 times per year for a personal licence holder and 2 times per year for other people);
- the number of times a temporary event notice may be given in respect of any particular premises (12 times in a calendar year);
- the length of time a temporary event may last for these purposes (168 hours or 7 days);
- the maximum aggregate duration of the periods covered by temporary event notices at any individual premises (21 days per calendar year); and
- the scale of the event in terms of the maximum number of people attending at any one time (a maximum of 499).

For the purposes of determining the overall limits of 50 temporary event notices per personal licence holder (in a calendar year) and of 5 for a non-personal licence holder (in a calendar year), temporary event notices given by an associate or a person who is in business with a premises user (and that business involves carrying on licensable activities) count towards those totals. The limits applying to late temporary event notices are included within the overall limits applying to the total number of temporary event notices. Note 15 below sets out the definition of an “associate”.

When permitted temporary activities take place, a premises user must ensure that either:

- a copy of the temporary event notice is prominently displayed at the premises; or

Representation

Outline your representation regarding the above application below. This representation should describe the likely effect of the grant of the licence/certificate on the licensing objectives and on the vicinity of the premises.

The Licensing and Out of Hours Team (LOOHT) in our capacity of an Environmental Health Responsible Authority have assessed the likely impact of the grant of this application taking into account a number of factors, including the nature of the area in which the premises is located, the hours applied for and any potential risk that the granting of the licence could have on the licensing objectives.

As a result of this assessment we have concerns that the grant of this application is likely to lead to issues of public nuisance. These concerns are specifically that the grant of this license is likely to lead to public nuisance in the way of noise issues to local residents.

The proposed location of the Temporary Event Notices (TEN's) is located at 44 Ellesmere Street, Hulme, M15 4JY. The location of the proposed TEN's is behind a disused mill where there is a large courtyard, surrounded by residential properties on Worsley Street, Burton Place and Ellesmere Street.

The applicant has submitted TEN's for 9 events equating to 27 days in total. These TEN's cover every weekend from 1st July 22 to 27 August 2022. This representation relates to all of the 9 TEN's submitted by the applicant and our recommendation is to refuse all 9 of the TEN's.

The courtyard is currently under significant construction and after conducting a site visit on 09/04/22 the LOOHT have serious concerns regarding the health and safety of the location.

Please see below pictures of the proposed location dated 09/04/22:

After conducting a site visit to the location, LOOHT are unable to make a fair assessment of the location and how the TEN's will be run / organised due to the current unfinished nature of the area. The applicant has submitted a basic plan of the event, however this cannot be applied to the current unfinished

state of the location and there are no guarantee's that this construction work will be finished at the time of the proposed TEN's.

LOOHT feel the current proposed location could pose a significant Health and Safety risk and undermine the Public Safety Licensing Objective.

LOOHT believe there is a high potential for public nuisance in the form of noise generated from patrons leaving and arriving at the event. The exit/entrance to the event is directly opposite an apartment block on Ellesmere Street, therefore the likelihood of transient noise from patrons entering and leaving the event will likely be high. This is also the only entrance and exit to the site.

The applicant has also stated that there will be space for 400 patrons, this will cause significant noise nuisance issues in the area. The area is densely populated with residential flats within the locality and there has been a history of noise complaints in the area from 2019 to present.

The LOOHT have received over 21 noise complaints from the construction of Talbot Mill since 2019 and have also received over 19 noise complaints from a nearby licensed premise (Binary Bar) in regard to noise nuisance and loud music. These examples help to highlight the sensitivity to noise nuisance from local residents in the area. Such a high number of noise complaints in this area could also point to increased sound travel and noise reverberation issues due to the structural makeup and the design layout in this area. The fact the applicant has stated there will be ambient music throughout the day and evening as well as up to 400 patrons talking/shouting, LOOHT feel this will pose significant noise nuisance issues to local residents in the direct area and

surrounding areas of the event.

The applicant has also made mention of a DJ being used at the first and last event: *"*We may consider having a DJ on the first and last days. I am aware of the risks you outlined on the phone around this, and if we do have a DJ we will still keep the music level under control. We definitely wouldn't be looking to create a 'club' atmosphere with a dance floor, it will still very much be the seated beer garden concept".*

This detail was omitted on the original application and details of this were only mentioned after speaking to the applicant directly.

From the LOOHT experience, organisers of such events sometimes have trouble managing the sound levels from DJ's and that from our teams' experience, DJ's have been known to completely ignore requests from event organisers once they have the audience on side. There are no details on the application how sound will be managed at the event and no details how they intend to control volume levels.

For the above reasons the LOOHT believes that if these TEN's were to be granted it would seriously undermine the prevention of public nuisance as a Licensing objective. We therefore recommend that the TEN's are refused.

Recommendation: Refuse Application
