Information about the Committee

Scrutiny Committees represent the interests of local people about important issues that affect them. They look at how the decisions, policies and services of the Council and other key public agencies impact on the city and its residents. Scrutiny Committees do not take decisions but can make recommendations to decision-makers about how they are delivering the Our Manchester Strategy, an agreed vision for a better Manchester that is shared by public agencies across the city.

The Communities and Equalities Scrutiny Committee examines the work of the Council and its partners relating to reducing levels of crime, community cohesion, older people and equality and inclusion.

The Council wants to consult people as fully as possible before making decisions that affect them. Members of the public do not have a right to speak at meetings but may do so if invited by the Chair. To help facilitate this, the Council encourages anyone who wishes to speak at the meeting to contact the Committee Officer in advance of the meeting by telephone or email, who will then pass on your request to the Chair for consideration. Groups of people will usually be asked to nominate a spokesperson. The Council wants its meetings to be as open as possible but occasionally there will be some confidential business. Brief reasons for confidentiality will be shown on the agenda sheet.

The Council welcomes the filming, recording, public broadcast and use of social media to report on the Committee's meetings by members of the public.

Agenda, reports and minutes of all Council Committees can be found on the Council's website www.manchester.gov.uk.

Smoking is not allowed in Council buildings.
