Information about the Committee

Scrutiny Committees represent the interests of local people about important issues that affect them. They look at how the decisions, policies and services of the Council and other key public agencies impact on the city and its residents. Scrutiny Committees do not take decisions but can make recommendations to decision-makers about how they are delivering the Our Manchester Strategy, an agreed vision for a better Manchester that is shared by public agencies across the city.

The Children and Young People Scrutiny Committee reviews the services provided by the Council and its partners for young people across the city including education, early years, school standards and valuing young people.

In addition to the elected members the Committee has seven co-opted member positions. These are:

- Representative of the Diocese of Manchester – Vacant
- Representative of the Diocese of Salford – Mrs Julie Miles
- Parent governor representative – Mr Ade Arogundade
- Parent governor representative – Dr Walid Omara
- Parent governor representative – Ms Zaneta Stepan
- Secondary sector teacher representative – Mr Liam Duffy
- Primary sector teacher representative – Mr Russell Lammas

The co-opted members representing faith schools and parent governors are able to vote when the Committee deals with matters relating to education functions.

The Council wants to consult people as fully as possible before making decisions that affect them. Members of the public do not have a right to speak at meetings but may do so if invited by the Chair. If you have a special interest in an item on the agenda and want to speak, tell the Committee Officer, who will pass on your request to the Chair. Groups of people will usually be asked to nominate a spokesperson. The Council wants its meetings to be as open as possible but occasionally there will be some confidential business. Brief reasons for confidentiality will be shown on the agenda sheet.

The Council welcomes the filming, recording, public broadcast and use of social media to report on the Committee's meetings by members of the public.
