Representation

Outline your representation regarding the above application below. This representation should describe the likely effect of the grant of the licence/certificate on the licensing objectives and on the vicinity of the premises.

Licensing and Out of Hours have assessed the likely impact of the grant of this application taking into account a numbers of factors, including:

- the nature of the area in which the premises is located;
- the hours applied for, and;
- any potential risk that the granting of this license could have on the four licensing objectives.

Provision of late night refreshment:

- Fri to Sat 11pm to 12.30am

Opening hours:

- Sun to Thu 4pm to 11pm
- Fri to Sat 4pm to 12.30am

The premises is operating as a takeaway, designed to serve both the local community along with passing trade. Located on Palatine Road, which is within the Northenden ward, with a mix of licensed, commercial and residential premises.

The grounds for the representation are on:

- Absence of steps to promote licensing objectives as given by the applicant

We, as the Environmental Health Responsible Authority, believe that the grant of this licence based on the absence of steps to promote the licensing

objectives as given by the applicant would not promote the licensing objectives.

Conditions on a premises licence or club premises certificate are important in setting the parameters within which premises can lawfully operate. The use of wording such as "must", "shall" and "will" is encouraged (Revised Guidance issued under section 182 of the Licensing Act 2003).

Therefore we believe the grant of this licence will lead to an increase in public nuisance and crime related incidents in the area and ask that the application is approved with the conditions set out below:

- An incident log (which may be electronically recorded) shall be kept at the premises for at least six months, and made available on request to the police or an authorised officer of the licensing authority, which will record the following incidents including pertinent details:
 - all crimes reported to the venue, or by the venue to the police
 - all ejections of patrons
 - any complaints received
 - any incidents of disorder
 - any faults in the CCTV system, searching equipment or scanning equipment
 - any visit by a relevant authority or emergency service
- The premises shall install and maintain a comprehensive digital colour CCTV system. All public areas of the licensed premises, including all public entry and exit points, and the street environment will be covered, enabling facial identification of every person entering in any light condition. The CCTV cameras shall continually record while the premises are open to the public and recording shall be kept available and unedited for a minimum of 28 days with the date and time stamping. A staff member who is conversant with the operation of the CCTV system shall be present on the premises at all times when they are open to the public and must be able to produce/download/ burn CCTV images upon request by a Police Officer or Authorised Officer of the Licensing Authority.
- Staff training shall include procedures to deal effectively with emergency incidents, including:
