- 1.1. The purpose of this report is to present the draft Council Business Plan 2020-21 to Scrutiny Committees for comment. The Plan is attached to this report at Appendix 1.
- 1.2. Our Corporate Plan sets out the Council's priorities for the next 2-3 years which will deliver the three-way push and contribute to our vision for the city. Our Council Business Plan 2020-21 describes in more detail the action we are taking to deliver our corporate plan this year. It is supported by our wider strategic framework including our People Strategy and our ICT Strategy.
- 1.3. The document is currently in draft and will be updated following feedback from Scrutiny Committee. Any substantive changes made to the budget will also be reflected in the final version of this plan
- 1.4. In addition, further work on alignment with the refresh of the Our People Strategy and ICT Strategy will take place once those strategies are drafted and presented to Resources and Governance Overview and Scrutiny Committee in February.

## **2. Background**

- 2.1. Our Council Business Plan replaces individual directorate business plans produced previously. This plan is structured around the eight priority themes and has been produced following the development of 41 service plans which describe in more detail the achievements, priorities and activities of the 41 services which collectively make up Manchester City Council.
- 2.2. Each priority theme section describes:
  - The priority theme, including key strategies and plans which are helping to drive deliver
  - Our key achievements driving delivery of this priority theme in the last year
  - Our planned activities and initiatives across council services which will drive delivery of the priority theme in 2020-21
  - The key measures which will help us to understand if we have been successful
- 2.3. This plan does not refer in detail to the Council's budget position for 2020-21 which is described in individual budget plans for each of the Council's directorates.
- 2.4. The plan also describes the Council's key workforce and technology considerations for 2020-21 as key enablers to delivering our Corporate Plan. Equalities implications are also described as well as our approach to risk management.
