YOUR REPRESENTATION
Please outline your representation below and continue overleaf. This should be the likely effect of the grant of the licence / certificate on the licensing objectives on and in the vicinity of the premises in question. (Please continue on a separate sheet of paper if necessary)
Trading Standards are of the opinion that the application is short on detail on what procedures the premises will implement to prevent underage sales of alcohol and thereby promoting the licensing objective of the protection of children from harm. Therefore we would like the following conditions attached to the licence should it be granted:

1. That in operating the Challenge 25 policy, that any person who appears to look under 25 years old will be asked for one of the following documents before being supplied alcohol:
 - A valid passport
 - Photocard driving licence
 - HM Forces warrant card
 - A card bearing the P.A.S.S. (Proof of Age Standards Scheme) hologram
2. The premises shall display prominent signage indicating in all areas where alcohol is located that a Challenge 25 scheme is in operation and that it is an offence to buy or to attempt to buy alcohol for a person who is under 18 and for a person under 18 to buy or attempt to buy alcohol.
3. A log shall be kept at the premises in either electronic or paper format, to record all refusals to sell alcohol. The log shall record the date and time of the refusal; the reason for the refusal and the name of the member of staff who refused the sale. The log will be available on request by the police or an authorised officer of Manchester City Council. The log will be checked regularly by the designated premise supervisor to ensure it is being used by staff and each check shall be recorded in the log.
4. The Premise Licence Holder will ensure that before being permitted to sell and serve alcohol, all staff are trained to prevent underage sales and proxy purchases; in the operation of the Challenge 25 policy and how to record refusals in the refusals log. The training will be a documented training programme and will be refreshed at 6 monthly intervals. Training records will be made available for inspection upon request by a police officer or an authorised officer of Manchester City Council.

Supporting Evidence: In addition to your own written / oral testimony to the Licensing Sub-Committee, you may wish to provide evidence to support your representation. You will need to show how this evidence relates to the premises in question. Examples of supporting evidence include oral testimony, written testimony, noise records, video or photographic material, crime and disorder data, other statistical data, reports etc.)

Hello Danny

The attached objection has been received from Helene Corlett in Trading Standards. As an objection has been received, the application will not automatically be granted after the

end of consultation but must go to a hearing with the Council's Licensing Sub-Committee who will decide the outcome of the application. An email will be sent to you following the end of the consultation period inviting you to the hearing.

What you can do next:

- Any time prior to the hearing you have the opportunity to contact the objector to see whether an **agreement** can be reached - contact details are on the attachment and also copied in on this email.
- If an **agreement** is reached it must be confirmed in writing - email is fine and the full email chain will be logged as the agreement.
- Where an objection is **agreed** the objector no longer needs to attend the hearing.

If any other objections are received I will forward them on to you.

Regards

Patrick Ware

Representation

Outline your representation regarding the above application below. This representation should describe the likely effect of the grant of the licence/certificate on the licensing objectives and on the vicinity of the premises.

The Licensing and Out of Hours Team have assessed the likely impact of the grant of this application taking into account a number of factors, including the the hours and activities applied for, the nature of the area in which the premises is located and the potential risk to the licensing objectives as a result of granting this licence. As a result of this assessment the Licensing and Out of Hours Team (LOOH) have concerns that the grant of the application, in its current form, is likely to lead to The Prevention of Public Nuisance being undermined.

The LOOH team have also given consideration to Manchester City Council's Statement of Licensing policy, in particular S7.25 in relation to the proximity of the premises to local residents and other local businesses particularly in relation to the potential for nuisance.

'Where premises are in the direct vicinity of local residents properties, and where discretion is engaged, the authority will give particular consideration to measures proposed in the application in relation to prevent nuisance.

The premises is located at 60 Oldham Street and is surrounded by residential premises above and adjacent to the proposed Licensed Premises. The neighbouring property at 60A Oldham Street is a residential block, and there are residential properties opposite the proposed restaurant and bar. The applicant has proposed the following condition under the Licensing Objective Prevention of Public Nuisance:

Officers are not satisfied that the conditions offered are sufficient to mitigate noise nuisance from patrons visiting the proposed establishment. LOOH therefore recommend the following conditions should be attached to the Premises licence (this includes rewritten offered conditions to make them clear and enforceable) :

1. No noise shall emanate from the premises nor vibration be transmitted through the structure of the premises that gives rise to a nuisance.
2. There shall be no noise or odours caused by the kitchen extraction equipment that gives rise to a nuisance.
3. Noise from amplified music or voices shall not be such as to cause a noise nuisance to occupants of nearby premises
4. Staff shall be provided with comprehensive training in preventing drunkenness; drug policy; managing and resolving conflict; emergency procedures; complying with the licence conditions; and obligations and offences under the Licensing Act that apply to the sale of alcohol.
5. Staff training will include the Challenge 25 policy and its operation. In particular staff will be trained to take such action as is necessary to prevent the sale of alcohol to persons over the age of 18 where those customers are engaged in the distribution of alcohol to persons under the age of 18.
6. The training will be given to a new member of staff before they commence paid employment.
7. Documented records of training completed shall be kept for each member of staff. Training shall be regularly refreshed and at no greater than 6 monthly intervals. Training records shall be made available for inspection upon request by a police officer or an authorised officer of Manchester City Council
8. An incident log (which may be electronically recorded) shall be kept at the premises for at least six months, and made available on request to the police or an authorised officer of the licensing authority, which will record the following incidents including pertinent details:
 - (a) all crimes reported to the venue, or by the venue to the police
 - (b) all ejections of patrons
 - (c) any complaints received
 - (d) any incidents of disorder
 - (e) seizures of drugs, offensive weapons, fraudulent ID or other items
 - (f) any faults in the CCTV system, searching equipment or scanning equipment
 - (g) any refusal of the sale of alcohol
 - (h) any visit by a relevant authority or emergency service
 - (j) the times on/off duty, names and the licence numbers of all licensed door supervisors employed by the premises
9. The Designated Premises Supervisor shall ensure that a written notice of authority is kept at the premises for all staff who sell alcohol.
10. The premises shall display prominent signage indicating at any point of sale that the Challenge 25 scheme is in operation

11. A first aid box will be available at the premises at all time.
12. Staff shall monitor customers smoking outside the premises on a regular basis and ensure patrons do not cause a public nuisance.
13. There shall be no admittance or remittance to the premises after 01.30hrs
14. No customers under the age of 18 shall be admitted onto the premises from 22.00hrs unless part of a pre-organised private event and accompanied by a responsible adult over the age of 18.
15. A direct telephone number for the manager of the premises shall be publicly available at all times the premises are open. This telephone number is to be made available to residents in the vicinity.
16. Patrons permitted to temporarily leave and then re-enter the premises, e.g. To smoke, shall not be permitted to take drinks or glass containers with them.
17. All sales of alcohol for consumption off the premises shall not be removed from premises unless in sealed containers only.
18. No bottles, glasses or similar items may be disposed of in outside receptacles between the hours of 2300 and 0700.
19. The premises and immediate surrounding area shall be kept clean and free from litter at all times the premises are open to the public.
20. No deliveries must be made to the premises between 2200 and 0700 hours.
21. Notices shall be prominently displayed at all exits requesting patrons to respect the needs of local residents and leave the area quietly.
22. There shall be a documented dispersal policy, as agreed with the relevant responsible authorities, implemented at the premises and a copy lodged with the Council's Licensing Unit.
23. The premises shall install and maintain a digital colour CCTV system. All public areas of the licensed premises, including all public entry and exit points. CCTV shall continually record whilst the premises are open to the public and the recording shall be kept available and unedited for a minimum of 28 days with the date and time stamping.
24. A staff member who is conversant with the operation of the CCTV system shall be present on the premises at all times when they are open to the public and must be able to produce / download / burn CCTV images upon request by a police officer or an authorised officer of the licensing authority. Any footage must be in a format so it can be

played back on a standard personal computer or standard DVD player. Where the recording is on a removable medium (i.e. compact disc, flash card etc.), a secure storage system to store those recording mediums shall be provided.

LOOH believe these conditions are proportionate and necessary to uphold the four licensing objectives.

Hi Danny,

Great to meet you this afternoon, thank you for your time.

As discussed, here are the licence conditions we agreed earlier. Can you please confirm in writing you accept these conditions. If you have any questions please don't hesitate to get in touch.

Licence Conditions

No noise shall emanate from the premises nor vibration be transmitted through the structure of the premises that gives rise to a nuisance. There shall be no noise or odours caused by the kitchen extraction equipment that gives rise to a nuisance.

Noise from amplified music or voices shall not be such as to cause a noise nuisance to occupants of nearby premises

Staff shall be provided with comprehensive training in preventing drunkenness; drug policy; managing and resolving conflict; emergency procedures; complying with the licence conditions; and obligations and offences under the Licensing Act that apply to the sale of alcohol.

Staff training will include the Challenge 25 policy and its operation. In particular staff will be trained to take such action as is necessary to prevent the sale of alcohol to persons over the age of 18 where those customers are engaged in the distribution of alcohol to persons under the age of 18.

About the Premises

Application Reference No.	LPA 242393
Name of the Premises	District,
Address of the premises including postcode	Basement and Ground Floor, 60 Oldham Street, Manchester M4 1LE

Your Representation

Please outline your representation below and continue overleaf. This should describe the likely effect of the grant of the licence on the licensing objectives on and in the vicinity of the premises in question.

Please accept this as formal notification of the Greater Manchester Police objection to the premises licence application in relation to the above premises on the grounds of the Prevention of Crime and Disorder, the Prevention of Public Nuisance and Public Safety.

The applicant has offered some conditions within the application but GMP would expect more robust conditions to have been offered.

Therefore if this application was granted GMP would ask that the following conditions are attached to the premises licence to decrease the likelihood of the Licensing Objectives being undermined.

The premises shall install and maintain a comprehensive digital colour CCTV system. All public areas of the licensed premises, including all public entry and exit points. The CCTV cameras shall continually record whilst the premises are open to the public and recording shall be kept available and unedited for a minimum of 28 days with the date and time stamping. A staff member who is conversant with the operation of the CCTV system shall be present on the premises at all times when they are open to the public and must be able to produce / download / burn CCTV images upon request by a police officer or an authorised officer of the licensing authority. Any footage must be in a format so it can be played back on a standard personal computer or standard DVD player. Where the recording is on a removable medium (i.e. compact disc, flash card etc.), a secure storage system to store those recording mediums shall be provided.

An incident log (which may be electronically recorded) shall be kept at the premises for at least six months, and made available on request to the Police or an authorised officer of the licensing authority, which will record the following incidents including pertinent details:

- (a) all crimes reported to the venue, or by the venue to the Police
- (b) all ejections of patrons
- (c) any incidents of disorder
- (d) any faults in the CCTV system
- (e) any visit by a relevant authority or emergency service
- (f) All refusals of sales of alcohol

The Designated Premises Supervisor shall ensure that a written notice of authority is kept at the premises for all staff who sell alcohol. The notice shall be made available for inspection upon request of the police or an authorised officer of the licensing authority and all staff selling alcohol must be in possession of identification to enable to verify their identity against the notice.

The premises shall display prominent signage indicating at any point of sale, the entrance to the premises and in all areas where alcohol is located that it is an offence to buy, or attempt to buy, alcohol for a person under the age of 18.

In addition to any other training, the premises licence holder shall ensure all staff are trained to prevent underage sales, to be aware of and prevent proxy sales, to maintain the refusals log and monitor staff to ensure their training is put into practice. Documented records of training completed shall be kept for each member of staff. Training shall be regularly refreshed and at no greater than 6 monthly intervals.

On Friday and Saturday minimum of 2 SIA registered doorstaff shall be employed at the premises from 2100 hours until 30 minutes after closing to assist with the orderly dispersal of customers . At all other times the requirement for doorstaff shall be determined in accordance with a risk assessment carried out by the DPS. When employed doorstaff shall wear hi-vis armbands.

On Friday and Saturday each day the NiteNet radio system shall be operated at the premises from 2100 hours until 0200 hours.

At least one member of door staff situated at the entrance to the premises shall wear and use a body cam to capture incidents of violence and/or anti- social behavior.

Subject: License Application for 60 Oldham Street M4 1LE
To: premises.licensing@manchester.gov.uk <premises.licensing@manchester.gov.uk>

To whom it may concern

I am writing to object against the License Application for 60 Oldham Street. As a resident of [REDACTED] at [REDACTED]. However, as a building we have not actually received any written notification of this application. Instead I have had to photograph the information from the door of No.60 This is not usual practice. Why was no formal letter supplied to residents?

The application asks for email responses on or before 28/1/20, thus I am on time as this will arrive on 28/1/20.

As a resident my objections are not based upon simply the non granting of the licence, although I would ask the question; at what point is Oldham Street seen as being officially saturated with establishments selling alcohol?

My objections are based on the immediate impact to the street, particularly at throwing out time. I'll be honest and say that I do not have much faith in the objections system being remotely fair, particularly with regards to residents as, through first hand experience having attended a licence application meeting at the town hall for a new restaurant directly next door to number [REDACTED], it was very much "fait au complies" despite serious and well informed arguments being put by the residents of the street. Indeed, when one of the councillors had to be reminded where Oldham Street was it did make you think who is actually making the decisions that affect other peoples lives.

With reference, therefore, to No.60 I am objecting on the basis that the impromptu taxi rank (see attached photo) that appears both Friday and Saturday night is illegal and yet there is no one around at 2.30am to police it. Horns blaring etc. If it was on your own street you would no doubt be complaining about it. The new venue will not ease this problem, but add to it.

In addition the bars of the area that already have licenses are not either caring or sympathetic to the plight of the residents. Behind Closed Doors regularly put their waste, including lemons and plastic straws, down the grid outside their premises. Please see attached photo.

If there were two very good reasons not to grant another bar or restaurant a license then they must be it. Granting licenses is simply adding to the noise, litter and crime of the area, particularly late at night. I would be delighted to meet anyone on the licensing committee so explain "on site" the knock on effect of their decision making, but such a meeting would need to happen at 2.30am on a Sunday morning and as yet no one has taken me up on the matter....the offer still stands.

Illegal taxi rank on double yellow lines on Oldham Street, extending from the traffic lights at "Light Bites" to [REDACTED] 99 Oldham Street. There is no policing of this rank, but is is contrary to each black cabs license agreement. No.60 would add to this problem.

The waste that Behind Closed Doors regularly puts down the grid outside their premises on Oldham Street./ The limes. lemons and straws are from their bar. Surely this is not part of their licence agreement, but as a resident it happens regularly. If more licenses are to be approved then Manchester City Council should be policing the relevant areas. On the council website it states that taxi ranks have stewards. This is simply not the case...and the Oldham Street "rank" is illegal.

Kind regards

PS. Please let me know who is available to meet one Sunday morning in order to demonstrate first hand the problems that arise from issuing licenses to properties without fully considering the impact on the residents of the area.
