## Your Representation

Please outline your representation below and continue overleaf. This should describe the likely effect of the grant of the licence variation on the licensing objectives on and in the vicinity of the premises in question.

Please accept this as formal notification of the Greater Manchester Police objection to the application for a premises licence variation in relation to the above premises.

The grounds for the objection are the Prevention of Crime and Disorder, the Prevention of Public Nuisance, Public Safety and the Protection of Children from Harm.

The applicant has applied to extend the hours of operation at the premises whilst removing a large number of conditions from the Premises Licence and replacing others with less robust conditions.

Thomas Street is a very challenging area within the night time economy and GMP are concerned that by increasing the hours and making the licence less robust will see incidents of violence and anti-social behaviour occur at the premises, which to date has not been an issue.

GMP have no issues with the extension to the hours but we certainly wouldn't want to see an increase in the hours as well as the removal and replacement of what we believe are good conditions.

We therefore ask that the application is refused.
