Manchester
M8 8RG

Premises licence number (if known): 167732

Name of premises supervisor (if known): Ky Nguyen

I am a Superintendent ³ in the Greater Manchester police force.

I am giving this certificate because I am of the opinion that other procedures under the Licensing Act are inappropriate in this case, because⁴:

The standard review of the premises licence under section 51 Licensing Act 2003 is inappropriate due to length of time a standard review would take, there are serious concerns as to the serious nature of the incident which require immediate resolution. Greater Manchester Police believe that serious crime has occurred at the premises.

Greater Manchester Police (GMP) will say that the premises are associated with

¹ Delete as applicable.

² Include business name and address and any other relevant identifying details.

³ Insert rank of officer giving the certificate, which must be superintendent or above.

⁴ Give a brief description of why other procedures such as a standard review process are thought to be inappropriate, e.g. the degree of seriousness of the crime and/or disorder, the past history of compliance in relation to the premises concerned.

serious crime. Serious crime is defined within the statutory guidance as per section 81(3)(a) and (b) of the Regulation of Investigatory Powers Act 2000, which states that the conduct constitutes an offence for which a person 21 years of age or over with no previous convictions could reasonably be expected to be sentenced to imprisonment for 3 years or more. Therefore due to the serious crime which has taken place at the premises GMP feel that it is necessary for an expedited review to take place.

The premises are situated on Honey Street in the Cheetham Hill area of Manchester and the premises licence was issued on 10/02/2015. The Premises Licence Holder (PLH) and Designated Premises Supervisor (DPS) is Ky Nguyen who has held these positions since the date the licence was issued.

At 0115 hours on Sunday 6th September 2020 Greater Manchester Police (GMP) were contacted by staff at North Manchester Hospital and informed us that a male had been dropped off at the hospital and had wounds on his body which appeared to consistent with him being stabbed.

Subsequent enquiries revealed that the male had been stabbed at the Queens Arms on Honey Street and that had suffered wounds to his torso and armpit and that the wounds are potentially life threatening.

Enquiries at the Queens Arms revealed blood both inside and outside the premises and that the named PLH and DPS Ky Nguyen is allowing a friend to run the premises.

No contact was made from the premises in relation to this serious incident and a Crime for Attempted Murder has been submitted. Enquireis to trace the offenders are continuing.

The powers under sections 53A to 53C of the 2003 Act, are aimed at tackling serious crime and serious disorder, in particular (but not exclusively) the use of guns and knives.

The powers contained under section 53A of the Licensing Act 2003 are necessary and proportionate in light of the association that the premises has to serious crime.

In the interim Greater Manchester Police would request that the Licensing Authority consider suspension of the Premises Licence until the full review is heard before the committee. Serious Crime has occurred at the premises and until the Licensing Committee hear the full review and all the evidence that will be disclosed, to allow the premises to continue to operate as a licensed premises gives concerns that further crime will occur. Greater Manchester Police will say that the licensing objectives of the prevention of crime and disorder can only be promoted if the premises licence was suspended until the final determination of the summary review application.

The standard review of the premises licence under section 51 Licensing Act 2003 is inappropriate due to length of time a standard review would take, there are serious concerns in relation to the lack of action taken by the premises.
