

Deansgate Food Bar, 343 Deansgate, Manchester M3 4LG

All deliveries of alcohol will be carried out by couriers who are employed by the premises. Couriers will be trained in preventing under-age sales, refusals and proxy sales. Registers of training will be kept by the Premises Licence holder.

All deliveries of alcohol shall only be delivered to a premises address with a valid postcode, and will only be delivered directly to that property.

The website shall carry a clear message that alcohol will only be sold only to persons over the age of 18, and will require customers to confirm that they are 18 (or over) on the checkout page.

A message will be displayed on the website notifying customers that orders will not be left with any person under 18 years of age upon delivery, and that the courier may request the recipient to produce satisfactory identification evidence to prove that they are at least 18 years of age.

Acceptable ID is a passport, driving licence or PASS hologram card.

The Premises Licence Holder will accept orders through other platforms, but all deliveries will be carried out by their own couriers.

If a person taking delivery is not aged 18 or over or ID is not available from the person taking delivery to prove their age, the delivery will be returned to the business operated by the Premises Licence holder.

The Premises shall operate a Refusals Book. This should record the relevant details when a consignment is not delivered because the recipient appears to be under 18 and fails to produce ID.

No deliveries of alcohol shall be made to persons who appear to be intoxicated.
