Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b, c, d and e) (please read guidance note 10)

We are aware that we will be operating in the Withington Stress Area so we will be taking extra precautions in order to maintain a friendly and safe environment for the community and want to be proactive dealing with any concerns. We will put up alcohol awareness and crime prevention signs / stickers on the property and there will be one personal licence holder working at the property. CCTV cameras installed and the general maintaining of the four objectives which will be monitored and recorded in incident log books. The thorough training of all staff to be aware of these objectives and to uphold the best practice standards at all times. The venue is a small capacity and we want to encourage a friendly and cultured atmosphere. Our staggered closing times combined with our small capacity will ensure that only a small number of customers will be leaving the premises at any one time. We will also have notices on the walls reminding customers to be mindful of neighbours. Anybody waiting to gain entry into our cafe later into the evening or going outside to smoke will have to do so from our front entrance back on the high street rather than down the side (residential) street. We will be proactive on social media and on the premises in handing out our phone number and email address if anybody has any concerns whatsoever in the way we operate and encourage communication throughout. We will also encourage local meetings where necessary for anybody with concerns who may not have access to the internet. We are keen to become members of community initiatives such as Withington By Night whilst also regularly communicating with the Civic Society and other local businesses.

b) The prevention of crime and disorder

CCTV Cameras fitted. Shutters and alarm fitted to the property. All incidents recorded in an on-site incident book. Make sure no customers take alcoholic drinks or glasses from the premises. Available stock of plastic cups for anybody drinking on tables and chairs outside the property. Regularly check for any litter outside the property and make sure that customers do not stand down the side street of the property later into the evening. We feel communication will be key here and as the DPS on the property my contact details will be given out to ensure that we are working alongside local residents and businesses to prevent any crime and disorder.

c) Public safety

Make sure property is never past capacity (a sign will be placed at the entrance to display the capacity). Customers will be seated at tables whilst in the premises and regular glass / plate collection will be in operation. Make sure that all staff are trained and aware in regards to health and safety and the selling of alcohol. A first aid kit will be on the premises at all times. Make sure all Fire Exits are clearly visible and staff are aware of what to do in an emergency. Keep bins and any waste at the rear / side of property away from the public and regularly check outside the cafe for any litter or hazards. The area is currently very messy and overflowing with bins so we aim to get this cleaned up and neatly stored. Follow the latest Covid-19 advise in terms of public safety.

d) The prevention of public nuisance

Make sure alcohol is sold responsibly, we want to create a friendly and cultured environment, we will be strict with the sale of alcohol and will not serve anybody who is clearly intoxicated we will also continue to serve tea, coffee and food into the evening as our main offering. Wherever possible, customers will pay at the counter and we will bring drinks to tables. Strictly no entry will be permitted for any persons appearing heavily intoxicated. Signage will be placed on the walls of the property encouraging responsible drinking. Constantly monitor the outside area of the cafe for noise levels and aim to minimise the amount of people outside or queuing to enter the property (although we feel this will be minimal anyway due to the small capacity). Position the small speakers away from walls of property and personally carry out a noise test from the street to examine any impact this may have on the local community. Stop the serving of alcohol at least 30 minutes before closing time and ensure visitors leave the premises quietly. (We will also have signs in place to remind visitors of this) Make sure all bins are maintained and tidy outside the property. On evenings in which we are open late, we will have a cooling down period between 23:00 and 23:30 in which we stop serving and customers can quietly leave the premises.

e) The protection of children from harm

Make sure all children are accompanied by an adult on the premises and no children allowed on the premises after 21:00. Make sure the premises is extremely safe without any hazards. Make sure tables are regularly cleaned. i.e. No alcoholic drinks left unattended. Proof of age checking in place with all staff. Refusal book on site detailing any time somebody has been refused alcohol.

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
