**M** Describe the steps you intend to take to promote the four licensing objectives:

**a) General – all four licensing objectives (b,c,d,e)** (please read guidance note 10)

Stay on Target Limited is responding to their customers' request to provide an all-incorporating experience which will include axe throwing but also the provision of alcohol and the showing of videos and recorded music.

The activity is extremely popular in the UK and Worldwide. The sale of alcohol will not be the premises' primary use.

The area to be licensed is purely a bar and reception area, and the 5 lanes are not licensed nor used for the consumption of alcohol only axe throwing.

As far as the axe throwing lanes are concerned, this is not an area which requires licensing intervention

but it is accepted that the Health and Safety Team will require a full and formal risk assessment before that area can be operated.

The lanes can normally be booked for up to 1.5 hours and the tickets range between £20- £30. The provision of drinks is basically to retain customers at the venue who would otherwise go to other licensed premises in the area. The sale of alcohol will be ancillary to all the other activities taking place at the premises. The layout plans show the separation between the areas.

This application if granted will not create a nightclub, nor a vertical drinking establishment. A substantial portion of the site will be dedicated to a minimum of 5 lanes and the operation will not create the same sort of issues as the Authorities have at licensed bars, clubs or pubs. The most profitable part of the venture is in the booking of events and corporate events. The bar is mainly a feeder for customers but they require the option of other people attending to have a drink and to see/experience the operation.

Risk Assessments and other documents will be made available on request to ensure the documents are not made public. They contain sensitive material and are to remain confidential.

The Applicant and legal adviser had the benefit of a pre consultation meeting with Alan Isherwood of Greater Manchester Police licensing department in relation to this application.

Prior to making any adverse comments, the Applicants would welcome meeting any party to discuss the operation in more detail.

## 15. Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the following documents (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below)

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

### **Home Office online right to work checking service**

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work check service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and /or documentation applicants will need in order should submit copy documents as set out above.
