1. Introduction

- 1.1 On 21/08/2020, an application for the variation of an existing Premises Licence under s34 of the Licensing Act 2003 was made in respect of Aftab's, 1 Bonsall Street, Manchester, M15 6DR in the Hulme ward of Manchester. A location map of the premises is attached at **Appendix 1**.
- 1.2 A 28-day public consultation exercise was undertaken in accordance with Licensing Act 2003 regulations; requiring the application to be advertised by the displaying of a blue notice at or on the premises, a notice published in a newspaper or similar circulating in the local area, and details of the application published on the Council's website.
- 1.3 Representations may be made for or against an application during the consultation period. To be 'relevant' and, therefore, able to be taken into account in determining the application, they must be about the likely effect of the grant of the premises licence on the promotion of the licensing objectives. Where representations are made by persons who are not a responsible authority, they must not be frivolous or vexatious.
- 1.4 Relevant representations have been received in respect of this application and so it must be determined by a Licensing Hearing Panel in accordance with the Council's Constitution.

2. Current Licence

- 2.1 The premises licence holder is Mr Naveed Anjum Younas and a copy of the current licence is attached at **Appendix 2**.

3. The Application

- 3.1 A copy of the application is attached at **Appendix 3**.
- 3.2 The variation request to extend the opening hours and hours for sale of alcohol (a later terminal hour each day and earlier start on Sundays). For information, the current and proposed hours are as below.

Supply of alcohol for consumption off the premises only:

Current hours: Mon to Sat 9am to 11pm, Sun 10am to 10.30pm

Proposed hours: Mon to Sat 9am to half past midnight, Sun 10am to half past midnight

Opening hours:

Current hours: Mon to Sat 9am to 11pm, Sun 9am to 10.30pm

Proposed hours: Mon to Sat 9am to half past midnight, Sun 10am to half past midnight

Removal of seasonal variations currently on the licence that restrict opening hours on Christmas Day, Good Friday and Bank Holidays

3.2.1 In accordance with the Live Music Act 2012 and Deregulation Act 2015, performances of Live Music and Recorded Music between the hours of 0800 and 2300 hours have been deregulated and so should not be regarded as licensable activities for the purposes of this application.

3.2.2 Any further details provided relating to any of the individual licensable activities are specified on the application form at **Appendix 3**.

3.3 Activities unsuitable for children

3.3.1 The applicant has not highlighted any adult entertainment or services, activities, other entertainment or matters ancillary to the use of the premises that may give rise to concern in respect of children.

3.4 Steps to promote the licensing objectives

3.4.1 Information given at Part M of the application would normally be translated into conditions by the licensing authority to be included in any granted premises licence. However, the information given at Part M proposes no further steps than the existing conditions on the licence, and would not lead to any new conditions being added.

4. Relevant Representations

4.1 A total of 6 relevant representations were received in respect of the application (**Appendix 4**). The personal details of all members of the public have been redacted. Original copies of these representation will be available to the Committee at the hearing.

Responsible Authorities:

- Greater Manchester Police x 2 (Central Licensing and local policing team);
- MCC Licensing and Out of Hours Compliance Team;

Other Persons:

- Ward Councillor
- Residents x 2

4.2 Summary of the representations:

Party	Grounds of representation	Recommends
GMP (Local Policing Team)	This objection raises concerns that the variation, if granted, will lead to “an increase in Anti-social behaviour within a residential area. Local tensions are already in a heightened state and can see this variation causing members of our community extra stress and cause an increase in demand from GMP services at a time where we are already stretched.” In addition: “Students will start to return to the city	Not stated

	of Manchester soon which in itself will bring an increase in demand for our services. The variation of hours will also move into a time period which has reduced staffing from GMP and can see demand causing issues with staff attending incidents depending on their severity.”	
GMP (Central Licensing)	The Central Licensing Team reiterates the concerns raised by the Local Policing Team above, and recommends that the application is refused.	Refuse
Licensing and Out of Hours Compliance	<p>This representation describes the area as “highly residential”, which the premises itself being in a block of apartments, in close proximity to numerous student accommodation buildings, and near to the University of Manchester campus. Given this, “consideration must be given to the impact of nearby residents when customers arrive and leave the premises late at night”</p> <p>The LOOHT have concerns that the prevention of public nuisance licensing objective will be undermined should the application be granted. Specific concerns are that:</p> <ul style="list-style-type: none"> • The majority of customers are likely to walk through surrounding streets. Noise disturbance and anti-social behaviour may arise, especially from intoxicated customers during the later hours. • The premises could become a destination for people to purchase alcohol when leaving the city centre during the later hours, leading to an increase in traffic and noise disturbance from stopping taxis and vehicles • Proposals in part M of the application are not sufficient to promote or uphold the licensing objectives 	Refuse
Ward Member	Councillor Igbon makes representation also on behalf of Councillor Wright. The concern raised is that “this is a residential area with families, elderly and students. It is an area of asb through noise, theft from person, drunken students causing distress to other residents. Extending the hours would have a negative impact on the community and add to additional pressure to services.”	Not stated
Resident 1	This resident states that the variation, if granted, will lead to “significant disruption to our lives and	Refuse

	<p>the lives of our neighbours” and will lead to an increase in the already “significant levels of noise and disruption from visitors to the shop late at night and especially during university term time”</p> <p>The comment is made that the “application takes zero account of the disruption it will cause to us as residents.”</p> <p>Further concerns are that:</p> <ul style="list-style-type: none"> • The disturbance leads to sleep disruption; and • The proposed hours (and the current hours) are later than those permitted at a comparable local store 	
Resident2	<p>This resident again comments that they “already put up with significant levels of noise and anti-social behaviour from visitors to the shop late at night, particularly students during university term time” and adds that “this often involves large groups drinking in the street outside the shop even though this area is a no-alcohol zone, shouting, playing music and disrupting traffic.”</p> <p>Existing nuisance from the premises causes sleep disruption, later hours will add to the existing problems.</p>	Not stated

4.3 No conditions have been proposed by objectors.

5. Key Policies and Considerations

5.1 Legal Considerations

5.1.1 Hearings under the Licensing Act 2003 operate under the Licensing Act 2003 (Hearings) Regulations 2005.

5.2 New Information

5.2.1 In accordance with Regulation 18 of the Licensing Act 2003 (Hearings) Regulations 2005, the authority may take into account documentary or other information produced by a party in support of their application, representations or notice either before the hearing or, with the consent of all parties, at the hearing.

5.3 Hearsay Evidence

5.3.1 The Panel may accept hearsay evidence and it will be a matter for the Panel to attach what weight to it that they consider appropriate. Hearsay evidence is evidence of something that a witness neither saw nor heard, but has heard or read about.

5.4 **The Secretary of State's Guidance to the Licensing Act 2003**

- 5.4.1 The Secretary of State's Guidance to the Licensing Act 2003 is provided for all parties involved in licensing. It is a key medium for promoting best practice, ensuring consistent application of licensing powers across England and Wales and for promoting fairness, equal treatment and proportionality.
- 5.4.2 Section 4 of the 2003 Act provides that, in carrying out its functions, a licensing authority must 'have regard to' guidance issued by the Secretary of State under section 182. The Guidance is therefore binding on all licensing authorities to that extent. However, the Guidance cannot anticipate every possible scenario or set of circumstances that may arise and, as long as licensing authorities have properly understood this Guidance, they may depart from it if they have good reason to do so and can provide full reasons.
- 5.4.3 Departure from the Guidance could give rise to an appeal or judicial review, and the reasons given will then be a key consideration for the courts when considering the lawfulness and merits of any decision taken.

5.5 **Manchester Statement of Licensing Policy**

- 5.5.1 Section 4 of the 2003 Act provides that, in carrying out its functions, a licensing authority must 'have regard to' its statement of licensing policy.
- 5.5.2 The Licensing Policy sets out the vision the licensing authority has for the regulation of licensed premises throughout Manchester and outlines the standards expected in order to ensure the promotion of the licensing objectives in the city. The Panel may depart from the policies should it consider doing so would benefit the promotion of the licensing objectives. Reasons are to be given for any such departure from the Policy.
- 5.5.3 Section 4 of the Policy (Operation of the Policy) sets out how the Licensing Policy is intended to be used in practice for licence applications and licensed premises.
- 5.5.4 Relevant to this application and the grounds of the representations made, the Panel are recommended to have regard to the following sections of the Policy:

Section 6: What we aim to encourage

This section identifies certain types of venues and initiatives the licensing authority aims to encourage in order to promote an inclusive evening and night-time economy not simply focused on the consumption of alcohol. We aim to encourage:

- Premises that will extend the diversity of entertainment and attract a wider range of participants
- Live music, especially original material, which will provide a range of live performances and styles of music, provided that such entertainment does not undermine the licensing objectives

- National cultural institutions, global sports events and cultural festivals
- Non-drink-led premises, including restaurants, cafes, theatres and cinemas
- Communication and integration with local residents and businesses through licensees consulting with those in the local area prior to an application
- Participation in Pubwatches, off licence forums and other crime-reduction partnerships
- Engagement with the NITENET radio scheme and DISC secure information sharing platform by city centre venues through the Cityco Manchester Business Crime Reduction Partnership
- Designing out crime in the layout of the premises

Section 7: Local factors

This section sets out key issues that applicants are expected to take into account relevant to the individual characteristics of the premises when preparing their operating schedule and address any local factors relevant to their premises.

Having regard to the grounds of the representations made, the Panel are recommended to have regard to the following Factors:

- Evidence of pre-existing problems in the area
- Proximity of takeaways and off-licences to nightlife entertainment areas
- The proximity of the premises to local residents and other local businesses, particularly in relation to the potential for nuisance

Section 8: Manchester's standards to promote the licensing objectives

This section identifies the standards that the licensing authority expects of licensed premises in Manchester. It is recognised that not all standards will be appropriate to apply in every situation to every premises, and applicants are not obliged to include all standards in their operating schedule. The degree to which standards would be appropriate is expected to be proportionate to the risk posed against the promotion of the licensing objectives having regard to the individual circumstances of the premises. The standards are not exhaustive and the licensing authority will have regard to any relevant issues raised in any representation that may fall outside them.

MS2 Effective general management of the premises

MS8 Prevent noise nuisance from the premises

Section 9: Alcohol delivery services

This section sets out specific provisions for alcohol delivery services to be considered in conjunction with relevant standards from Section 8 of the Policy

6. Conclusion

6.1 A licensing authority must carry out its functions under this Act (“licensing functions”) with a view to promoting the licensing objectives:

- the prevention of crime and disorder
- public safety;
- the prevention of public nuisance; and
- the protection of children from harm.

6.2 In considering the matter, the Panel should take into account any representations or objections that have been received from responsible authorities or other persons, and representations made by the applicant or premises user as the case may be. In reaching the decision, regard must also be had to relevant provisions of the national guidance and the Council’s licensing policy statement.

6.3 The Panel must take such of the steps set out below that it considers appropriate for the promotion of the licensing objectives:

- a) To grant the licence subject to the conditions consistent with the operating schedule accompanying the application, which the Panel may modify to such extent as they consider appropriate;
- b) To reject the whole or part of the application

6.4 The conditions consistent with the operating schedule may be modified to alter or omit any of them or to add any new condition, including restricting the times at which licensable activities authorised by the licence can take place.

6.5 However, conditions should not be imposed on a licence which are unrelated to the variation sought.

6.6 All licensing determinations should be considered on the individual merits of the application.

6.7 The Panel’s determination should be evidence-based, justified as being appropriate for the promotion of the licensing objectives and proportionate to what it is intended to achieve. Findings on any issues of fact should be on the balance of probability.

6.8 It is important that a licensing authority should give comprehensive reasons for its decisions in anticipation of any appeals. Failure to give adequate reasons could itself give rise to grounds for an appeal.

6.9 **The Panel is asked to determine the application.**
