The Trading Standards Service

The Trading Standards Service are not satisfied that, at the point of ordering/delivery/collection of alcoholic beverages, the Premises Licence Holder will be able to ensure that the operation of the Challenge 25 age verification policy will be properly communicated to customers and delivery staff (thereby ensuring that the Licensing Objective relating to the protection of children from harm is fully upheld). To satisfy The Trading Standards Services concerns in regard to this matter they are requesting that a range of

	conditions be adopted on to any subsequently granted premises licence that relate to the advertising and application of the Challenge 25 policy at point of sale/ordering and delivery.
Licensing & Out of Hours Compliance	The LOOH Compliance Team are not satisfied that the applications Operating Schedule provides sufficient assurance that the licensing Objective relating to the prevention of crime and disorder would be correctly upheld and enforced, should the application be granted in its current form. LOOH Compliance are requesting that a range of conditions be adopted on to any subsequently granted premises licence that will allay their concerns in regard to this matter and ensure full compliance in regard to the Licensing Objectives.
