REPRESENTATION FROM MANCHESTER LIFE:

From: [REDACTED]
Date: Tue, 10 Nov 2020 at 23:17
Subject: Reference: 251064/HH1 : Premises License Application
To: premises.licensing@manchester.gov.uk <premises.licensing@manchester.gov.uk>

Dear Sir/Madam,

Re: Objection to premises license application reference 251064/HH1. Witch Kings Rum, Unit 2, 23 Radium Street, Manchester, M4 6AY.

Manchester Life are submitting this objection against the above premises license application for the production and retail of alcoholic drinks both on and off the premises.

By granting this application it will further increase the number of licensed retail premises in this area. The combination of permitting the sale of alcohol for takeaway and the limited seating capacity inside the premises, will result in an increase in the number of customers drinking outside. This would in turn, increase antisocial behaviour, resulting in public nuisance and possible crime and disorder.

These consequences have been experienced already in nearby Cutting Room Square, where there is in comparatively better visibility and surveillance than the subject area. The subject location on Radium Street is located in a more industrial area with poorer daytime and night-time passing traffic and visibility. This would therefore provide greater scope for antisocial behaviour and potential risk to public safety.

This location is currently isolated, given the industrial nature of the adjoining area and there is no public CCTV surveillance of the proposed building. Nor is there a sufficiently frequent police patrol in this area.

Regards,
