

**Manchester City Council
Report for Information**

Report to: Health Scrutiny Committee - 1 December 2020

Subject: Manchester's 12 Point COVID - 19 Action Plan

Report of: Director of Public Health

Summary

In July the Committee received the Manchester Local Prevention and Response (Outbreak) Plan and has received regular updates on the 10 Point Plan and more recently the 12 Point Plan which relate to the overarching document.

The attached Plan now incorporates two major additional programmes of work relating to Targeted Testing at Scale and the Mass Vaccination Programme.

The Director of Public Health will provide a presentation to the Committee on the latest data in relation to COVID-19 and the most up to date information on the testing and vaccination programmes. Following the recent announcement on the new tier arrangements, the presentation will also cover what the new arrangements mean for Manchester.

Recommendations

The Committee are asked to note the report.

Wards Affected: All

Environmental Impact Assessment - the impact of the issues addressed in this report on achieving the zero-carbon target for the city

Manchester Strategy outcomes	Summary of how this report aligns to the OMS
A thriving and sustainable city: supporting a diverse and distinctive economy that creates jobs and opportunities	This unprecedented national and international crisis impacts on all areas of our city. The 'Our Manchester' approach has underpinned the planning and delivery of our response, working in partnership and identifying innovative ways to continue to deliver services and to establish new services as quickly as possible to support the most vulnerable in our city
A highly skilled city: world class and home grown talent sustaining the city's economic success	
A progressive and equitable city: making a positive contribution by unlocking the potential of our communities	
A liveable and low carbon city: a destination of choice to live, visit, work	
A connected city: world class infrastructure and connectivity to drive growth
