Our Manchester Strategy 2016 – 2025

1.0 Introduction

- 1.1 This report provides an update on the Our Manchester Strategy reset. A draft of the reset Strategy - *Our Manchester Strategy – Forward to 2025* – is appended. The Committee are asked to comment on the draft reset Strategy and, subject to their comments, agree that the final version of *Our Manchester Strategy – Forward to 2025* be taken for consideration by the Executive in February 2021.
- 1.2 The Committee previously received a report for information on the background to the Our Manchester Strategy reset and its timescales on 6 October 2020. The Committee received a further report for information on the Our Manchester Strategy reset's engagement activity and findings on 3 November 2020. The draft reset Strategy has been created from analysis of this activity.
- 1.3 During January 2021, the draft reset Strategy is also being considered by Children and Young People Scrutiny Committee; Communities and Equalities Scrutiny Committee; Economy Scrutiny Committee; Health Scrutiny Committee; and Neighbourhoods and Environment Scrutiny Committee.

2.0 Our Manchester Strategy – Forward to 2025

- 2.1 The reset Strategy has been drafted based on the findings of the extensive engagement activity undertaken throughout the summer of 2020. As was reported to the Committee in November 2020, this activity captured the opinions of approximately 3,800 people on the city's progress to date, and the remaining challenges and opportunities facing Manchester.
- 2.2 Despite COVID-19 restrictions, the activity captured a range of voices across all of Manchester's communities and neighbourhoods by using different methods which were adapted to suit the engagement opportunity. As well as a universal offer, this included targeted engagement with our residents who haven't traditionally engaged with the Council online, as well as those who are likely to be particularly hit by COVID-19. Targeted engagement was designed with Voluntary and Community Sector organisations and community groups to ensure it would reach these communities via a method that best works for them and to help build a longer-term relationship. Further detail on the methods undertaken with each cohort and the findings can be found in the November 2020 report to the Committee.
- 2.3 Following the engagement activity, the priorities our residents, businesses, organisation and partners said they would like to see a renewed focus on for the next five years form the basis of Sections 3 and 4 of the draft reset Strategy. These priorities include: young people; economy; health; housing; environment; and infrastructure; with equality and inclusion as a cross-cutting theme. As such, the draft Strategy fully reflects the priorities of our communities.
- 2.4 The reset of the Strategy has been overseen by the Our Manchester Forum, a partnership board of stakeholders from across the city who oversaw the

creation of the original Strategy in 2015 and its subsequent implementation. The draft reset Strategy incorporates their feedback on the engagement analysis, emerging priorities and the document's structure. This includes retaining the original Strategy's five themes (Thriving and Sustainable; Highly Skilled; Progressive and Equitable; Liveable and Low Carbon; and Connected) and streamlining the new priorities under these themes. The Our Manchester Forum asked for the reset to be linked back to the original Strategy with the use of 'We Wills' to frame the priorities. The Forum also requested that, whilst the reset Strategy should continue to set the city's vision and priorities to 2025, the document reflects the need for an immediate response to COVID-19 as priorities arise; this can be seen in section 2 of the draft reset Strategy.

- 2.5 The reset Strategy has been drafted to be a concise document; this in response to feedback from partners that the original Strategy was too long and that too many priorities (64 We Wills) dilutes the overall vision. Although it is concise and does not reference specific cohorts or sectors, the reset Strategy's priorities are holistic and matter to everyone in the city. The reset Strategy can now be used as an accessible framework to apply to all areas of work; all work going forwards should address these priorities.
- 2.6 The title *Our Manchester Strategy - Forward to 2025* has been chosen to show the direct link to the original Strategy whilst reflecting the collective action needed to achieve its ambitions by 2025.
- 2.7 Considering the above, the Committee are asked to comment on the attached draft reset Strategy.

3.0 Final Design and Communications

- 3.1 Once the draft reset Strategy text is finalised, it will be designed into a visual and accessible digital document. This will use the Our Manchester branding, which was refreshed in 2020.
- 3.2 Alongside the final reset Strategy document, a complementary one page 'Executive Summary' will be developed. This will be a plain English 'plan on a page'-type document to be used to communicate the Strategy's key priorities to a range of audiences, including residents and Council staff.
- 3.3 To ensure that all those who participated in the engagement are informed of how it shaped the new priorities and refreshed document, a social media messaging and a campaign plan will be developed. A partners' communications toolkit will also be developed as part of this to support clear and consistent messaging across the city and to aid partnership working on the priorities.
- 3.4 A partnership launch event with the Our Manchester Forum is being planned for March 2021; the format of this will consider any ongoing public health and social distancing restrictions.

4.0 Next Steps

- 4.1 Following the consideration of the draft reset Strategy at this Committee and the five other Scrutiny Committees, it will be revised to take into account the Committees' comments.
- 4.2 It is recommended that the Committee agree that the final version of the reset Strategy is taken for consideration by the Executive in February 2021.
- 4.3 Subject to the Executive, the final reset Strategy will be presented to Full Council on 31 March 2021 for adoption of the Strategy.
- 4.4 A number of other strategies and plans are currently in development or due for refresh in the next 18 - 24 months. Officers will ensure alignment so the other strategies' aims flow from the Our Manchester Strategy reset's priorities, as the overarching vision for the city. This will include the forthcoming reset of the Council's Corporate Plan. The reset Strategy's priorities will also be fed into the corporate budget planning process for 2021/22 and the medium term financial plan.
