In regard to this application I have two points to make:

1. The premises is requesting an additional 3 hours of trade. This is a considerable increase
2. The premises is located close to a pedestrian crossing which will be extremely busy once the night time economy returns.

I would therefore like some reassurance about the quality of operations management which will be employed to address these issues.

Regards

Joan Davies

Subject: Premises licence variation 256300/BJ1

Dear Sir/Madam,

I am writing in reference to the premises licence variation application for the premises: Boujee, Car Park next to Manchester Hall, 44-48 Bridge Street, Manchester, M3 3BZ.

I live in the apartment block [REDACTED] and we are already disturbed by noise and music from the bars and restaurants in this area during the day and night. This is because the music is playing outside in the open and is not confined to an indoor space. We are just across the river and the sound travels very easily to our flats. The noise can be heard even with our windows closed.

I would therefore like to strongly object to the extension of licensable activities to 02.00 in the morning which includes music in the open. This is unacceptable in a residential area.

Best wishes,

Carole Maldonado
