Representations received

Greater Manchester Police	The operating schedule which accompanies the application offers very little in terms of enforceable conditions. It gives the impression that the applicant has a limited understanding of the Licensing Objectives, which raises concerns about how the premises will be operated.
Trading Standards	Considered a number of factors, including the conditions offered and times applied for and any potential risk that the granting of this application could lead to issues which do not uphold the licensing objectives specifically the prevention of

	children from harm.
