

**Manchester Health and Wellbeing Board
Report for Resolution**

Report to: Manchester Health and Wellbeing Board – 9 June 2020

Subject: Review of the Health and Wellbeing Board

Report of: Director of Public Health

Summary

The membership of the Health and Wellbeing Board was last reviewed in Summer 2018. Given the scale of organisational and system change over the next year it is proposed to refresh the membership from July 2021 to support the work of the Board for the remainder of the municipal year. It is envisaged that once the Greater Manchester Integrated Care System and place based arrangements are clearer then a more formal review of the Board can take place before April 2022.

1. Introduction

- 1.1 The Manchester Health and Wellbeing Board was formally established in April 2013. The membership, roles and responsibilities of the Board were last refreshed in August 2018. In the past two and a half years, the health and social care system in Manchester has continued to evolve and also respond to the global COVID-19 pandemic from January 2020.
- 1.2 The review in Summer 2018 focused on the purpose of the Health and Wellbeing Board, strategic priorities, membership of the Board and governance meetings and supporting structures.
- 1.3 The Transformation Accountability Board (TAB) had delegated responsibility to agree the governance structures and arrangements for the Locality Plan. The TAB has now been succeeded by the Manchester Partnership Board (MPB) and this Board will oversee the formal review of the Manchester Health and Wellbeing Board during 2021/22. However, in the short term it is important that there is a refreshed membership and proposals are set out below.

 - Executive Member Health and Care (Deputy Chair)
 - Deputy Leader of the Council
 - Executive Member for Children's Services
 - Chair Manchester Health and Care Commissioning (MHCC)

- 2.2 The Local Care Organisation will be asked to nominate a representative to sit on the Board and the new Manchester GP Forum have been asked to identify three GP Board members. These nominations will go forward to Constitutional and Nominations Committee on 14th July 2021.
- 2.3 Further discussions will take place on representation from committees relating to Primary Care in Manchester (i.e. Local Medical Committee, Local Pharmaceutical Committee, Local Dental Committee, Local Optometry Committee).

3. Recommendation
