Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b, c, d and e) (please read guidance note10)

Managing rubbish in the area
Managing groups of people loitering around the shop
Managing the noise of customers leaving the shop
Complete Risk Assessments for the safety for customers.
Staff will receive training on the Licensing Act
Installation of internal and external cctv
Limit noise coming from inside the shop

b) The prevention of crime and disorder

We will install internal and external CCTV and all recordings will be retained for a minimum of 30 days.**

c) Public safety

**We shall work in partnership with the local Fire Service and Environmental Health Officer to ensure public safety.
There will be at least one member of the management team scheduled at all times who will hold a current HSE certified first aid qualification. Wet floor signs shall be used where appropriate and non slip flooring is in place. Fire logs, accident book and reports along with a First Aid box is maintained on the premises for the safety of both employees and customers. Security lighting is installed within the premises and emergency exits will be kept clear at all times.**

d) The prevention of public nuisance

**Waste bin to be provided outside the premises.
Staff to regularly "sweep" the external areas and pick up waste. A scheduled litter pick shall be undertaken at closing time to the surrounding area to ensure there is no inconvenience to the public. Deliveries of stock shall not be undertaken between the hours of 21:00 and 06:00. Signage shall be installed on site encouraging customers to keep noise to a minimum and to dispose of litter appropriately.
The doors are self closing which will reduce noise pollution. A fully compliant extraction system will be installed which will address grease, smoke and odour.**

e) The protection of children from harm

We will install clear signs so that people are aware that children are welcome in the premises and as such respect their presence. Staff will receive training on how expectations on adults are enforced. Staff will be easily identifiable (uniform) and aware of safeguarding issues. We will undertake a written children and young people's risk assessment and use it to inform our operating policy and staff training. Suspicious activity will be reported to the police (including details such as vehicle registration numbers, description of individuals) and will be recorded in our incident log.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
